Mr Strangelove A Biography Of Peter Sellers:

Mr. Strangelove Ed Sikov,2002-10-02 In this revealing look at the short eventful life of the gifted but troubled comic genius Sikov offers unique insight into his unusual comedy style his lonely childhood his four marriages his many films and more 16 page photo insert

Mr Strangelove: Peter Sellers Ed Sikov,2003-11-01 Peter Sellers was a genius whose unique mastery created enduring comic characters But behind the man that could make the world laugh was a tragic sadness Employing his creations as masks to hide behind Sellers was convinced his own life was meaningless and empty Acclaimed biographer Ed Sikov has spoken to many who knew and worked with Sellers including Sophia Loren Goldie Hawn and Roman Polanski Sikov reveals how Sellers was a casualty of his own insecurities and used his public persona to mask his tormented private life littered with four marriages and three divorces countless affairs and drug and alcohol abuse This is the authoritative and touching story of a majestic comedian showing the very private face of a man whose world was lived through the public arena

The Real Peter Sellers Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been

Peter Sellers Arthur Miller,2018-06-08 Peter Sellers illustrated colour biography Reconstructing Strangelove Mick Broderick,2017-01-03 During his career Stanley Kubrick became renowned for undertaking lengthy and exhaustive research prior to the production of all his films In the lead up to what would eventually become Dr Strangelove 1964 Kubrick read voraciously and amassed a substantial library of works on the nuclear age With rare access to unpublished materials this volume assesses Dr Strangelove s narrative accuracy consulting recently declassified Cold War nuclear policy documents alongside interviews with Kubrick s collaborators It focuses on the myths surrounding the film such as the origins and transformation of the straight script versions into what Kubrick termed a nightmare comedy It assesses Kubrick s account of collaborating with the writers Peter George and Terry Southern against their individual remembrances

and material archives Peter Sellers's improvisations are compared to written scripts and daily continuity reports showcasing the actor's brilliant talent and variations *Five Conversations About Peter Sellers* Elizabeth Gonzalez James, 2023-05-12

Five Conversations About Peter Sellers is an essay that begins as an exploration of the author's burgeoning obsession with Peter Sellers and specifically his role in hijacking and derailing production of the spy spoof *Casino Royale* in the late 60s But what begins as a reported piece on how the film set erupted into chaos quickly devolves into its own chaos as the essay splits into 5 different narrators each with their own idea of what the essay is actually about Is it about how Peter Sellers and his oversize ego ruined *Casino Royale* Is it about how society has too long allowed horrible men to run the world Is it an exploration of the nature of the essay as a creative form Or is Peter Sellers and his genius at impersonation actually a vehicle through which the author probes her own shifting identity as a bi-ethnic person The answer is yes From *Five Conversations About Peter Sellers* Beth There's a passage in *Notes from Underground* where the narrator speaks about the perverse pleasure of knowing your own vileness This pleasure comes precisely from the sharpest awareness of your own degradation from the knowledge that you have gone to the utmost limit that it is despicable yet can't be otherwise that you no longer have any way out that you will never become a different man Build all the utopias you want but some people can only know they're alive when they've destroyed everything beautiful around them

A Splurc in the Kisser Sam Wasson, 2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood's greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards's propensity for hilarity is double helixed with pain and in films like *Breakfast at Tiffany's* *Days of Wine and Roses* and even *The Pink Panther* we can hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie Andrews Edwards's Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of satire as he simultaneously fought the Hollywood tide and rode it Employing keen visual analysis meticulous research and troves of interviews and production files Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known

White Heat Dominic Sandbrook, 2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson's famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties

to unearth the contradictions of a society caught between optimism and decline *Flash!* Kate Flint, 2017-11-28 *Flash* presents a fascinating cultural history of flash photography from its mid nineteenth century beginnings to the present day All photography requires light but the light of flash photography is quite distinctive artificial sudden shocking intrusive and extraordinarily bright Associated with revelation and wonder it has been linked to the sublimity of lightning Yet it has also been reviled it s inseparable from anxieties about intrusion and violence it creates a visual disturbance and its effects are often harsh and create exaggerated contrasts *Flash* explores flash s power to reveal shocking social conditions its impact on the representation of race its illumination of what would otherwise remain hidden in darkness and its capacity to put on display the most mundane corners of everyday life It looks at flash s distinct aesthetics examines how paparazzi chase celebrities how flash is intimately linked to crime how flash has been used to light up and interrupt countless family gatherings how flash can stop time allowing one to photograph rapidly moving objects or freeze in a strobe and it considers the biggest flash of all the atomic bomb Examining the work of professionals and amateurs news hounds and art photographers photographers of crime and of wildlife the volume builds a picture of flash s place in popular culture and its role in literature and film Generously illustrated throughout *Flash* brings out the central role of this medium to the history of photography and challenges some commonly held ideas about the nature of photography itself **Pictures at a Revolution**

Mark Harris, 2008-02-14 The epic human drama behind the making of the five movies nominated for Best Picture in 1967 *Guess Who s Coming to Dinner* *The Graduate* *In the Heat of the Night* *Doctor Doolittle* and *Bonnie and Clyde* and through them the larger story of the cultural revolution that transformed Hollywood and America forever It s the mid 1960s and westerns war movies and blockbuster musicals *Mary Poppins* *The Sound of Music* dominate the box office The Hollywood studio system with its cartels of talent and its production code is hanging strong or so it would seem Meanwhile Warren Beatty wonders why his career isn t blooming after the success of his debut in *Splendor in the Grass* Mike Nichols wonders if he still has a career after breaking up with Elaine May and even though Sidney Poitier has just made history by becoming the first black Best Actor winner he s still feeling completely cut off from opportunities other than the same noble black man role And a young actor named Dustin Hoffman struggles to find any work at all By the Oscar ceremonies of the spring of 1968 when *In the Heat of the Night* wins the 1967 Academy Award for Best Picture a cultural revolution has hit Hollywood with the force of a tsunami The unprecedented violence and nihilism of fellow nominee *Bonnie and Clyde* has shocked old guard reviewers but helped catapult Warren Beatty and Faye Dunaway into counterculture stardom and made the movie one of the year s biggest box office successes Just as unprecedented has been the run of nominee *The Graduate* which launched first time director Mike Nichols into a long and brilliant career in filmmaking to say nothing of what it did for Dustin Hoffman Simon and Garfunkel and a generation of young people who knew that whatever their future was it wasn t in plastics Sidney Poitier has reprised the noble black man role brilliantly not once but twice in *Guess Who s Coming to Dinner* and *In the Heat*

of the Night movies that showed in different ways both how far America had come on the subject of race in 1967 and how far it still had to go What City of Nets did for Hollywood in the 1940s and Easy Riders Raging Bulls for the 1970s Pictures at a Revolution does for Hollywood and the cultural revolution of the 1960s As we follow the progress of these five movies we see an entire industry change and struggle and collapse and grow we see careers made and ruined studios born and destroyed and the landscape of possibility altered beyond all recognition We see some outsized personalities staking the bets of their lives on a few films that became iconic works that defined the generation and other outsized personalities making equally large wagers that didn't pan out at all The product of extraordinary and unprecedented access to the principals of all five films married to twenty years worth of insight covering the film industry and a bewitching storyteller's gift Mark Harris's Pictures at a Revolution is a bravura accomplishment and a work that feels iconic itself Turner Classic Movies: The Essentials Jeremy Arnold, 2016-05-03 At head of title TCM Turner Classic Movies *Love and Death in Kubrick* Patrick Webster, 2014-01-10 The films of Stanley Kubrick have left an indelible mark on the history of American cinema This text explores the auteur's legacy specifically positioning his body of work within the context of cultural theory A single chapter is devoted to each of Kubrick's seven films Lolita Dr Strangelove 2001 A Space Odyssey A Clockwork Orange The Shining Full Metal Jacket and Eyes Wide Shut Particular attention is paid to the role of love and death in Kubrick's films emphasizing his innovative exploration of love and sex and the portrayal of mortality via masculine violence *It's Good to Be the King* James Robert Parish, 2008-02-26 Discusses the personal life and professional career of comedy writer actor filmmaker Mel Brooks **On Kubrick** James Naremore, 2019-07-25 On Kubrick provides an illuminating critical account of the films of Stanley Kubrick from his earliest feature Fear and Desire 1953 to the posthumously produced A.I. Artificial Intelligence Steven Spielberg 2001 The book offers provocative analysis of each of Kubrick's films together with new information about their production histories and cultural contexts Its ultimate aim is to provide a concise yet thorough discussion that will be useful as both an academic text and a trade publication James Naremore argues that in several respects Kubrick was one of the cinema's last modernists his taste and sensibility were shaped by the artistic culture of New York in the 1950s he became a celebrated auteur who forged a distinctive style he used art cinema conventions in commercial productions he challenged censorship regulations and throughout his career he was preoccupied with one of the central themes of modernist art the conflict between rationality and its ever-present shadow the unconscious War and science are key concerns in Kubrick's oeuvre and his work has a hyper-masculine quality Yet no director has more relentlessly emphasized the absurdity of combat as in Paths of Glory 1957 and Full Metal Jacket 1987 the failure of scientific reasoning as in 2001 1968 and the fascistic impulses in masculine sexuality as in Dr Strangelove 1964 and Eyes Wide Shut 1999 The book also argues that while Kubrick was a voracious intellectual and a life-long autodidact the fascination of his work has less to do with the ideas it espouses than with the emotions it evokes Often described as cool or cold Kubrick is best understood as a skillful practitioner of what

might be called the aesthetics of the grotesque he employs extreme forms of caricature and black comedy to create disgusting frightening yet also laughable images of the human body creating a sense of unease that leaves viewers unsure of how to react *John Mortimer* Graham Lord,2013-12-03 In Britain every generation produces a national treasure a lovable figure so English that he could not possibly be of any other nationality and Sir John Mortimer is just such a figure Mortimer has delighted millions all over the world with seven television series about the gloriously larger than life fictional barrister Horace Rumpole Rumpole of the Bailey as well as novels autobiographies stage plays film scripts short stories television and radio plays newspaper articles and even an opera and a ballet Laurence Olivier John Gielgud and Alec Guinness appeared in his plays and among his greatest theatrical triumphs is his stage and television play *A Voyage Round My Father* He won a British Book Awards trophy for Lifetime Achievement in 2005 Mortimer actually practiced as a barrister for thirty six years defending husbands wives pornographers and murderers in court and starring as the real life Devil s Advocate in several legendary obscenity and blasphemy cases in the 1970s quickly becoming a liberal hero Yet despite huge success fame and knighthood there lurks beneath that genial champagne socialist mask an unusually complex man who has been plagued by depression doubt insecurity and an irresistible urge to commit adultery Biographer Graham Lord whose discovery that Mortimer had a secret son by the British actress Wendy Craig forced Sir John to admit it publicly in 2004 has interviewed scores of Mortimer s family friends mistresses and enemies to write a frank and vital biography that reveals the startling reality behind the beloved public figure Breathless prose and many juicy revelations an absorbing read Kirkus Reviews

Entertaining the Troops Kiri Bloom Walden,2019-08-22 This book explores the foundation and work of the Entertainments National Service Association ENSA and other entertainment organisations such as CEMA and Stars in Battledress These organisations ensured that troops in all theatres of the Second World War were visited by big bands ballet stars Shakespearian actors and the most famous popular entertainers of the day in order to raise morale Many of Britain s biggest stars cut their teeth performing on makeshift stages to homesick soldiers sailors and airmen and women during the war years with famous performers including Laurence Olivier Gracie Fields George Formby Vera Lynn Margot Fonteyn and members of The Goons This book also details the alternative arrangements made when the entertainment organisations couldn t come the forces often put on their own shows with pantomimes and plays written and performed by POWs being a prime example *Focus On: 100 Most Popular Grammy Lifetime Achievement Award Winners* Wikipedia contributors,

The Films of Hal Ashby Christopher Beach,2009-09-22 Analyzes the films and filmmaking career of director Hal Ashby placing his work in the cultural context of filmmaking in the 1970s Hal Ashby directed eleven feature films over the course of his career and was an important figure in the Hollywood Renaissance of the late 1960s and 1970s Though he was a member of the same generation of filmmakers as Martin Scorsese Francis Ford Coppola and Robert Altman Ashby has received comparatively little critical or scholarly validation for his work Author Christopher Beach argues that despite his lower

profile Ashby was an exceptionally versatile and unusually creative director Beach focuses primarily on Ashby's first seven films *The Landlord* *Harold and Maude* *The Last Detail* *Shampoo* *Bound for Glory* *Coming Home* and *Being There* to analyze Ashby's contributions to filmmaking culture in the 1970s The first two chapters of this volume provide an overview of Ashby's filmmaking career as Beach makes the case for Ashby's status as an auteur and provides a biographical survey of Ashby's most productive and successful decade the 1970s In the following chapters Beach analyzes groups of films to uncover important thematic concerns in Ashby's work including the treatment of a young male protagonist in *The Landlord* and *Harold and Maude* the representation of the U S military in *The Last Detail* and *Coming Home* and the role of television and mass media in *Shampoo* and *Being There* Beach also examines the crucial role of the musical score in Ashby's films as well as the rapid decline of the director's career after *Being There* *The Films of Hal Ashby* is based on Beach's extensive use of unpublished archival materials as well as a number of interviews with actors directors producers cinematographers and others involved in the making of Ashby's films This volume will interest film and television scholars as well as readers interested in filmmakers of the 1970s

Dark Victory Ed Sikov, 2007-10-30 The legendary Hollywood star blazes a fiery trail in this enthralling portrait of a brilliant actress and the movies her talent elevated to greatness She was magnificent and exasperating in equal measure Jack Warner called her an explosive little broad with a sharp left Humphrey Bogart once remarked Unless you're very big she can knock you down Bette Davis was a force of nature an idiosyncratic talent who nevertheless defined the words movie star for more than half a century and who created an extraordinary body of work filled with unforgettable performances In *Dark Victory* the noted film critic and biographer Ed Sikov paints the most detailed picture ever delivered of this intelligent opinionated and unusual woman who was in the words of a close friend one of the major events of the twentieth century Drawing on new interviews with friends directors and admirers as well as archival research and a fresh look at the films this stylish intimate biography reveals Davis's personal as well as professional life in a way that is both revealing and sympathetic With his wise and well informed take on the production and accomplishments of such movie milestones as *Jezebel* *All About Eve* and *Now Voyager* as well as the turbulent life and complicated personality of the actress who made them Sikov's *Dark Victory* brings to life the two time Academy Award winning actress's unmistakable screen style and shows the reader how Davis's art was her own dark victory

Abbey Road David Hepworth, 2023-08-01 The incredible history of how Abbey Road became the most famous recording studio in the world There are certain things that are mythical Abbey Road is mythical Nile Rodgers Many people will recognize the famous crosswalk Some visitors may have graffitied their name on its hallowed outer walls Others might even have managed to penetrate the iron gates But what draws in these thousands of fans here year after year What is it that really happens behind the doors of the most celebrated recording studio in the world It may have begun life as an affluent suburban house but it soon became a creative hub renowned around the world as a place where great music ground breaking sounds and unforgettable tunes were forged It is

nothing less than a witness to and a key participant in the history of popular music itself What has been going on there for over ninety years has called for skills that are musical creative technical mechanical interpersonal logistical managerial chemical and romantics might be tempted add close to magic The history of Abbey Road may just make you believe

Mr Strangelove A Biography Of Peter Sellers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mr Strangelove A Biography Of Peter Sellers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mr Strangelove A Biography Of Peter Sellers free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mr Strangelove A Biography Of Peter Sellers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Mr Strangelove A Biography Of Peter Sellers. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mr Strangelove A Biography Of Peter Sellers any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Mr Strangelove A Biography Of Peter Sellers Books

1. Where can I buy Mr Strangelove A Biography Of Peter Sellers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
