to discount and ignore the outward form which would deter most and to find discover one quality of real worth that makes them want to be with and stay with the unfortunate protagonist despite all his handicaps and challenges In the case of la Bete it was his gentle voice and nobility of character plus possibly the fact that he owned a castle and was a man of rank and station while in the case of Tim Thimble it was on account of his brave heart and ten foot tall courage that he succeeded in winning the heart of his lady love In both stories the story is consummated reason for quotation marks please read on by the heroine marrying the protagonist In the first book Beauty the name of the young girl la Bete tells the young girl that he is dying and gives her a ring to put on her finger when she didn t want him to die and promptly she put it on and told him she wanted to marry him Coincidental with putting the ring on her index finger la Bete is transformed into A Beautiful Prince the act of putting on the marriage ring having broken the spell placed on him by a fairy which had made his outward appearance and aspect so betes In our book the second book the heroine marries the protagonist on pastor s condition he attend daily sermon in church every day of his life so that sometime in the present or the future he will find the holy grail of the miracle yeast that will like any good yeast make him grow to normal size to match his inner courage and thus by dint of steadfastness endurance and perseverance in doing his duty or labour of love will be able at last to consummate his marriage and forthwith live happily forever after with his lady love

*Side Stepping the Rules: Broken Or Not* Edward Galluzzi, 2010-12-20 Side Stepping the Rules Broken or Not provides the reader with the gift of laughter from the male perspective as it offers men childish ways for escaping the clutches of the woman who thinks she is Mrs Right Quite by accident it offers women time tested strategies how to snag their man First there was The Rules Time tested Secrets for Capturing the Heart of Mr Right by Ellen Fein and Sherrie Schneider Warner Books 1995 Several years later came the parody book Breaking the Rules Last ditch Tactics for Landing the Man of Your Dreams by Laura Banks and Janette Barber Career Press 1997 As a parody of The Rules it offered All rules are made to be broken Now it is time for the sensitive man s point of view in this parody of a parody Side Stepping the Rules Broken or Not Unlike the previous two books The Rules and Breaking the Rules the parody Side Stepping the Rules Broken or Not offers men childish ways for escaping the clutches of the woman even a RB Rule Breakin woman who thinks she is Mrs Right Side Stepping the Rules Broken or Not provides the sensitive male with 11 manifestos that will serve as countermeasures to the wiles of RB women No worries mate If you fail to apply successfully the first manifesto you still have 10 more chances to fight off those pesky RB women Even if you are unsuccessful with the first 10 manifestos the final manifesto Sell your house and blend invisibly with the homeless still provides you the most pitiful representation of mankind a way out For those readers who are impatient and used cliff notes to float through high school save yourself time by turning to Chapter 12 now and Consult Your MAN Index The MAN Index offers you the chance to pinpoint immediately how you will fare with the approaches of a RB woman The MAN Index is based grossly on an unscientific and nebulous study with the underlying theorem You are what you eat Finally the reader is escorted or forced

into the 21st century depending on whether you now use an abacus or a computer A glossary of terms is provided that help you understand women in Cyberspace Don't enter the 21st century without it About the Author I began writing little stories for children of friends and relatives that included their personal data about their personal lives This happened about 15 years before such books became popular commercially It was these stories that formed the basis of my first children's book Twelve Upon A Time I also wrote a mystery adventure novel Mirror Mirror at 1600 D C This political intrigue novel gives you characters in believable relationships bound up in a mystery and an adventure that will keep you speculating throughout the book After that serious effort I took a light hearted approach in this parody book Side Stepping the Rules Broken or Not This parody provides the reader with the gift of laughter from the male perspective as it offers men childish ways for escaping the clutches of the woman who thinks she is Mrs Right Side Stepping the Rules Broken or Not provides the sensitive male with 11 manifestos that will serve as countermeasures to the wiles of RB women No worries mate Even if you are unsuccessful with the first 10 manifestos the final manifesto Sell your house and blend invisibly with the homeless still provides you the most pitiful representation of mankind a way out

**The Paradox of Marriage** Olusegun Martins, 2020-01-31 The title of this book sounds like an oxymoron because the book reveals an oxymoronic nature of marriage Idealistically marriage was designed by God to be like paradise or heaven on earth but realistically marriage has become a game of two contradictions and paradoxes blessing and curse These two words blessing and curse are an oxymoron that describes the reality of marriage in this present world The book examines some hidden and unhidden paradoxical and opposite realities

**Gender and Elections** Susan J. Carroll, Richard L. Fox, 2014 The third edition of Gender and Elections describes the role of women as voters and candidates in the 2012 elections

**The V-Spot** Joan Lachkar, 2007-12-24 Everyone knows what the G spot is of course It is a woman's most sensitive and vulnerable physical area Although men do not have a G spot per se both men and women have what Joan Lachkar calls a V spot a concentration of highly charged emotional sensitivities emanating from early childhood experiences that remain raw and unhealed These experiences might involve the parent who abandoned the child at an early age the mother who smothered the child with too much affection or the child who was neglected and never touched or soothed Another source can be a parent or caretaker who drills the message into the child You're not good enough not deserving enough too demanding etc For men it could be an emotionally castrating controlling dominating overbearing mother Many authors have written and talked about emotional abuse but until The V Spot no one has given this area of volcanic emotion a name or has written about it in terms accessible to layman and professional alike Getting in contact with the V spot is the only way to break away from emotional abuse and begin the healing process No other book pinpoints not only what ignites the V spot but also how and why the resulting affect explosion interferes with judgment reality thinking and perception The reader will be astonished to discover how tracing the source of one's V spot strengthens one's capacity to make complex decisions and lessens the repetitive cycle of pain anxiety confusion and turmoil that blindness to one's V spot
