**Fanny Burney**

## **Mrs Jordans Profession:**

Mrs Jordan's Profession Claire Tomalin, 1994      **Mrs Jordan's Profession** Claire Tomalin, 1995      The Life of Mrs. Jordan James Boaden, 1831      *Women's Theatrical Memoirs: James Boaden, The life of Mrs. Jordan (1831), vol. II* Sharon McClanahan Setzer, 2007      Mrs. Jordan James Boaden, 1800      **My Wife's Affair** Nancy Woodruff, 2010-04-15 Peter accepted his fate as a failed novelist turned semi successful businessman but even after three children his wife Georgie always held onto the actress inside her When Peter gets a job in London the move sets Georgie down a seductive path to the life she always wanted Landing a one woman show she is drawn into the romance of the stage and begins to feel a kinship with her character Dora Jordan a famous eighteenth century actress who had thirteen illegitimate children ten fathered by the future King of England and develops an irresistible attraction to the show s playwright beginning an affair that will irrevocably change her life her marriage and her world      *The Court Journals and Letters of Frances Burney* Fanny Burney, 2011-10-13 The second of six volumes that will present in their entirety Frances Burney s journals and letters from July 1786 when she assumed the position of Keeper of the Robes to Queen Charlotte to her resignation in July 1791 This volume reveals Burney s struggles to adjust to the customs and trials of a life of service in the Court of George III

Illegitimacy, Family, and Stigma in England, 1660-1834 Kate Gibson, 2022 Illegitimacy Family and Stigma is the first full length exploration of what it was like to be illegitimate in eighteenth century England telling stories of individuals across the socio economic scale This vivid investigation of the meaning of illegitimacy gets to the heart of powerful inequalities in families communities and the state      **Satire, Celebrity, and Politics in Jane Austen** Jocelyn Harris, 2017-08-03 In Satire Celebrity and Politics in Jane Austen Jocelyn Harris argues that Jane Austen was a satirist a celebrity watcher and a keen political observer In Mansfield Park she appears to base Fanny Price on Fanny Burney criticize the royal heir as unfit to rule and expose Susan Burney s cruel husband through Mr Price In Northanger Abbey she satirizes the young Prince of Wales as the vulgar John Thorpe in Persuasion she attacks both the regent s failure to retrench and his dangerous desire to become another Sun King For Elizabeth Bennet in Pride and Prejudice Austen may draw on the actress Dorothy Jordan mistress of the pro slavery Duke of Clarence while her West Indian heiress in Sanditon may allude to Sara Baartman who was exhibited in Paris and London as The Hottentot Venus and adopted as a test case by the abolitionists Thoroughly researched and elegantly written this new book by Jocelyn Harris contributes significantly to the growing literature about Austen s worldliness by presenting a highly particularized web of facts people texts and issues vital to her historical moment

*Carrying All Before Her* Chelsea Phillips, 2022-01-14 Carrying All Before Her recovers the stories of six eighteenth century celebrity actresses who performed during pregnancy melding public and private persona and person domestic and professional labor and helping to shape wider social medical and political conversations about gender sexuality pregnancy and motherhood Their stories deepen our understanding of celebrity repertory and theatre s connection to a wider social

world and challenge notions of women's agency and power in and beyond the professional theatre *Bloody Tyrants and Little Pickles* Marlis Schweitzer, 2020-11-02 *Bloody Tyrants and Little Pickles* traces the theatrical repertoire of a small group of white Anglo American actresses as they reshaped the meanings of girlhood in Britain North America and the British West Indies during the first half of the nineteenth century It is a study of the possibilities and the problems girl performers presented as they adopted the manners and clothing of boys entered spaces intended for adults and assumed characters written for men It asks why masculine roles like Young Norval Richard III Little Pickle and Shylock came to seem normal and natural for young white girls to play and it considers how playwrights managers critics and audiences sought to contain or fix the at times dangerous plasticity they exhibited both on and off the stage Schweitzer analyzes the formation of a distinct repertoire for girls in the first half of the nineteenth century which delighted in precocity and playfulness and offered up a model of girlhood that was similarly joyful and fluid This evolving repertoire reflected shifting perspectives on girls place within Anglo American society including where and how they should behave and which girls had the right to appear at all

**Mrs. Jordan: Child of Nature** Philip Walsingham Sergeant, 1913 *Belle Assemblée*, 1831 *What Rosalind Likes* Paul J. Hecht, 2022 Shows how the character called Rosalind who features in works by Spenser Lodge and Shakespeare can be considered as a single and unifying character whose textual appearances lead us to reconsider important aspects of Renaissance literature prosody the influence of Virgil and of pastoral poetry and the position of women *The Life of Mrs Jordan* James Boaden, 2012-08-02 A playwright turned biographer's 1831 account of the extraordinary life of Dorothy Jordan celebrated actress and mistress of William Duke of Clarence *Women Warriors in Romantic Drama* Wendy C. Nielsen, 2012-12-06 *Women Warriors in Romantic Drama* examines a recurring figure that appears in French British and German drama between 1789 and 1830 the woman warrior The term itself woman warrior refers to quasi historical female soldiers or assassins Women have long contributed to military campaigns as canteen women Camp followers ranged from local citizenry to spouses and prostitutes and on occasion women assisted men in combat However the woman warrior is a romantic figure meaning a fanciful ideal despite the reality of women's participation in select scenes of the French Revolution and the Napoleonic Wars The central claim of this book is the woman warrior is a way for some women writers Olympe de Gouges Christine Westphalen Karoline von G n derode and Mary Robinson to explore the case for extending citizenship to women This project focuses primarily on theater for the reason that the stage simulates the public world that female dramatists and their warriors seek to inhabit Novels and poetry clearly belong to the realm of fiction but when audiences see women fighting onstage they confront concrete visions of impossible women I examine dramas in the context of their performance and production histories in order to answer why so many serious dramas featuring women warriors fail to find applause or fail to be staged at all Dramas about women warriors seem to sometimes contribute to the argument for female citizenship when they take the form of tragedy because the deaths of female protagonists in such plays often provoke

consideration about women's place in society. Consequently, where we find women playing soldiers in various entertainment venues, farce and satire often seem to dominate, although this book points to some exceptions. Censorship and audience demand for comedies made producing tragedies difficult for female playwrights who battled additional obstacles to fashioning their careers. I compare male Edmund Spenser, Heinrich von Kleist, and female writers' dramatizations of the woman warrior. This analysis shows that the difficult project of getting audiences to take women warriors seriously resembles women writers' struggles to enter the ostensibly male domains of tragedy and the public sphere. Published by University of Delaware Press. Distributed worldwide by Rutgers University Press.
