

SINCE 1975, MRTA HAS BEEN INSTRUMENTAL IN PASSING THE FOLLOWING:

1975

SB 149 - MRTA HISTORY 1960-2014* The first COLA (Cost of Living Adjustment). Retirees and beneficiaries of PSRS of Missouri who retired prior to 9/1/72 received an increase in benefits amounting to 2% per year.

1981

MRTA supported legislation which gave COLA to certain persons receiving benefits from the Kansas City and St. Louis Retirement Systems.

1984

COLA ceiling raised from 24% to 32% for members of the Public School Retirement System of Missouri(PSRS).

1987

Retirement benefit of \$300 per month by PSRS of Missouri if member had 20 years of creditable service. Teacher retirees have a right to participate in health insurance.

1990

Increased the monthly minimum to \$600 per month with a minimum of 20 years of service, and increased the lifetime COLA cap from 52% to 56%. Also increased the lifetime COLA for non-teacher retirees from 32% to 44%.

1980

Increased the maximum annual COLA from 2% to 4%.

1983

A very important passage of legislation made it possible for retired teacher members and retired members of the non-teacher employees to vote for members of the Board of Trustees.

1986

Increased lifetime COLA from 32% to 40% for retired members of the PSRS of Missouri.

1989

Increased lifetime COLA from 49% to 52% for teacher retirees.\$300 minimum Regular Retirement benefit for at least 20 years of credit.

Force of Words Joseph Brown, 2020-08-25 Terrorist groups attain notoriety through acts of violence but threats of future violence are just as important in attaining their political goals *Force of Words* is a groundbreaking examination of the role of threats in terrorist strategies Joseph M Brown shows how terrorists use threats true and false to achieve key outcomes such as social control economic attrition and policy concessions Brown demonstrates that threats are integral to terrorism on a tactical level as well distracting security forces drawing police into traps and warning civilians out of harm s way when terrorists seek to limit casualties *Force of Words* reorients the field of terrorism studies prioritizing the symbolic psychological dimension that makes this form of conflict distinctive It expands the study of terrorist propaganda by detailing how militants tailor their threats to send the desired political message Drawing on rich interview data quantitative evidence and case studies of the IRA ETA the Tamil Tigers Shining Path the T pac Amaru Revolutionary Movement Boko Haram the Afghan Taliban and ISIL the book offers practical guidance for interpreting terrorists threats and assessing their credibility *Force of Words* is essential reading for anyone seeking to understand the logic of terrorism The Interface between Competition Law and Data Privacy Law Arletta Gorecka, 2024-10-24 This book assesses the extent to which the current EU competition law framework can incorporate privacy related theories of harm Specifically it evaluates the importance of protecting individual privacy in establishing exploitative abuse of dominance under Article 102 TFEU The book explores scenarios where Big Tech firms exploit their dominant positions through excessive data collection or limiting consumer choice thereby harming competition and directly affecting user well being It posits that zero priced business models of online platforms and the ubiquity of data generation create strong incentives to acquire and process consumer data which can harm digital consumers privacy The book assesses how the existing EU competition law framework can address and regulate exploitative abuses particularly concerning the protection of individuals privacy Importantly this book argues that competition law might recognize privacy related harms as forming exploitative theories of harm under Article 102 TFEU Article 102 TFEU offers flexibility and can be applied to a broader range of unfair practices Article 102 TFEU emphasizes enhanced transparency and predictability aiming to prevent abuses of dominant positions that could undermine healthy competition to the detriment of consumers and other market participants This book provides a comprehensive analysis of how the existing EU competition law framework can address the evolving challenges at the intersection of competition and privacy ultimately seeking to protect consumer welfare and ensure fair competition in the digital economy Subject Catalog Library of Congress, Transforming the War on Drugs Annette Idler, Juan Carlos Garzón Vergara, 2021-12-01 The war on drugs has failed but consensus in the international drug policy debate on the way forward is missing Amidst this moment of uncertainty militarized lenses on the global illicit drug problem continue to neglect the complexity of the causes and consequences that this war is intended to defend or defeat Challenging conventional thinking in defense and security

sectors Transforming the War on Drugs constitutes the first comprehensive and systematic effort to theoretically conceptually and empirically investigate the impacts of the war on drugs The contributors trace the consequences of the war on drugs across vulnerable regions including South America and Central America West Africa the Middle East and the Golden Crescent the Golden Triangle and Russia It demonstrates that these consequences are global The war's local impacts on human rights security development and public health are interdependent with transnational illicit flows The book further reveals how these impacts have influenced the positions of governments across these regions with significant ramifications for the international drug control regime Crucially it shows that at a time when global order is in flux critically evaluating the regime's securitization through the war on drugs provides key insights into other global governance realms *Camp Sites* Michael Trask, 2013-06-19 Reading across the disciplines of the mid century university this book argues that the political shift in postwar America from consensus liberalism to New Left radicalism entailed as many continuities as ruptures Both Cold War liberals and radicals understood the university as a privileged site for doing politics and both exiled homosexuality from the political ideals each group favored Liberals who advanced a politics of style over substance saw gay people as unable to separate the two as incapable of maintaining the opportunistic suspension of disbelief on which a tough minded liberalism depended Radicals committed to a politics of authenticity saw gay people as hopelessly beholden to the role playing and duplicity that the radicals condemned in their liberal forebears *Camp Sites* considers key themes of postwar culture from the conflict between performance and authenticity to the rise of the meritocracy through the lens of camp the underground sensibility of pre Stonewall gay life In so doing it argues that our basic assumptions about the social style of the postwar milieu are deeply informed by certain presuppositions about homosexual experience and identity and that these presuppositions remain stubbornly entrenched despite our post Stonewall consciousness raising **The West and the Soviet Union** Gregory Flynn, 1990-09-14 This book is a comparative study of the role that domestic factors play in shaping the form and content of Western policy towards the Soviet Union The countries whose policies are featured are Great Britain France the Federal Republic of Germany Italy Japan and the United States **The Star Gate Archives** Edwin C. May, Sonali Bhatt Marwaha, 2019-06-12 Star Gate is the largest funded program in the history of psi research receiving about 19.933 million in funding from 1972 to 1995 Researchers from SRI International and later at Science Applications International Corporation in association with various U.S. intelligence agencies participated in this program Using the remote viewing method research focused on understanding the applicability and nature of psi in general but mostly upon informational psi Volume 1 Remote Viewing 1972-1984 and Volume 2 Remote Viewing 1985-1995 include all aspects of RV including laboratory trials and several operational results Volume 3 focuses on laboratory investigations on psychokinesis Volume 4 Operational Remote Viewing Government Memorandums and Reports includes an analysis of the applied remote viewing program and a selection of documents that provide a narrative on the behind the scenes activities of Star Gate In a total of

504 separate missions from 1972 to 1995 remote viewing produced actionable intelligence prompting 89% of the customers to return with additional missions The Star Gate data indicate that informational psi is a scientifically valid phenomenon These data have led to the development of a physics and neuroscience based testable model for the underlying mechanism which considers informational psi as a normal albeit atypical phenomenon The Star Gate data found insufficient evidence to support the causal psi psychokinesis hypothesis *Drinking Molotov Cocktails with Gandhi* Mark Boyle,2015-10-01 Get ready for the new three R s Resist Revolt Rewild More than ever people are longing for deep and meaningful change Another world is not only possible it is essential Yet despite our creative and determined efforts to attain social justice and ecological sustainability our global crises continue to deepen In *Drinking Molotov Cocktails with Gandhi* bestselling author Mark Boyle argues that our political and economic system has brought us to the brink of climate catastrophe ransacking ecosystems and unravelling communities for the benefit of the few at the expense of the many He makes a compelling case that we must rewild the political landscape as history teaches us that positive social change has always been wrought by movements prepared to use any means available The time has come for pacifists revolutionaries and freedom fighters to work together for the creation of a world worth sustaining Eloquent visionary and beautifully written this incendiary manifesto strikes at the heart of the world s crises and reframes our understanding of how to solve them signaling a turning point in our journey towards an ecologically just society The three R s of the climate change generation reduce reuse and recycle are long overdue for an upgrade Welcome to resist revolt rewild Measuring the Effects of Racism Robert T. Carter,Alex L. Pieterse,2020-07-21 A large body of research has established a causal relationship between experiences of racial discrimination and adverse effects on mental and physical health In *Measuring the Effects of Racism* Robert T Carter and Alex L Pieterse offer a manual for mental health professionals on how to understand assess and treat the effects of racism as a psychological injury Carter and Pieterse provide guidance on how to recognize the psychological effects of racism and racial discrimination They propose an approach to understanding racism that connects particular experiences and incidents with a person s individual psychological and emotional response They detail how to evaluate the specific effects of race based encounters that produce psychological distress and possibly impairment or trauma Carter and Pieterse outline therapeutic interventions for use with individuals and groups who have experienced racial trauma and they draw attention to the importance of racial awareness for practitioners The book features a racial trauma assessment toolkit including a race based traumatic stress symptoms scale and interview schedule Useful for both scholars and practitioners including social workers educators and counselors *Measuring the Effects of Racism* offers a new framework of race based traumatic stress that helps legitimize psychological reactions to experiences of racism **A Newspaper History of South Africa** Vic Alhadeff,1976 The message in this book reveals that history is made not of the actions of nations or governments or a particular breed of men but of individual men and women each a distinct personality each with his or her own little story to tell ordinary men

and women who happen to get caught up by circumstance These are the heroes The criterion on which selection of events covered was based was twofold the impact of the incidents on the newspapers of the time and their significance in the context of South African history *Daily Graphic* Elvis Aryeh,1993-04-07 **Catalog of Printed Books.
