Windsor Mitchell K K Yeo Christopher's Journey Maribeth R. Ditmars, 2007-03-25 Poignant and bittersweet Christopher's Journey is the true story of a remarkable young man's battle with leukemia and the lives that he touches along the way. Author Maribeth Ditmars chronicles her son Christopher's chemotherapy treatments, his irrepressible antics, and finally his insightful acceptance of his own illness. Maribeth Ditmars writes with a special sense of humor so reminiscent of Chris. Her understanding of the critical need for laughter during such difficult times is a valuable message to all who read her words. Chris's story as told from a mother's perspective will be helpful to others as they journey through treatment, recovery, and sometimes loss. Anna Maria Gentile, Regional Director, The Leukemia Lymphoma Society: I was incredibly moved by this story. It made me go home and hug my kids. Although I cried several times during the reading, I never wanted to stop. I was in awe of Chris's spirituality, acceptance, and peace. Christopher's Journey is a beautiful book. Susan Burns, Sarasota Magazine: Christopher's Journey gives voice to those children's physical and emotional struggles endured during treatment. This book will be a valuable tool for anyone who is touched by a child's courageous fight against cancer. Jerry Barbosa, MD, Director, Pediatric Oncology, All Children's Hospital: **Live Strong** The Lance Armstrong Foundation, 2005-09-27 Survivors from all walks of life talk about what living strong in the face of cancer means to them. Since the now ubiquitous LIVESTRONG wristbands became available in May 2004, the Lance Armstrong Foundation has raised more than 50 million for cancer survivorship programs, and the signature phrase has become a battle cry for those who fight the disease every day. Now the Lance Armstrong Foundation has compiled from hours of videotaped interviews poignant and dramatic personal accounts from cancer survivors. Covering a wide range of subjects from grief to spousal relationships, employment discrimination to coping with medical bills, infertility to fear of recurrence, survivors share their experiences and speak candidly about how cancer has impacted their lives. For twenty-four-year-old Amy, it's how her illness changed her relationship with her parents. Mike, a male survivor of breast cancer, talks about gender stereotypes and genetic testing. And Eric, the father of a five-year-old survivor of a brain tumor, recalls how friends and strangers helped his family with financial issues and how the experience brought him and his wife closer together. While heartbreaking at times, these powerfully honest stories are ultimately uplifting and extremely reassuring to patients and their families. They offer the wisdom and hope that only survivors can give. LiveStrong is a remarkable testament to the resilience of the human spirit. From the introduction by Lance Armstrong: My work with the LAF shows me daily that sharing our stories and learning from one another's experiences helps us, cancer survivors, continue to survive. Some people think the cancer experience is only about the diagnosis and treatment of cancer as if after the disease goes into remission it no longer exists. But survivorship goes beyond remission. Survivorship is an evolution.
