## Nothing Like The Sun:

**My Tweets Are Nothing Like The Sun: William Shakespeare on Twitter** Mark Hillary, 2015-07-04 Everyone knows something of the sonnets of William Shakespeare even if they have never read Shakespeare Allusions are all around in song lyrics TV shows and news headlines The 154 poems Shakespeare wrote in sonnet form and published in 1609 are referenced in so much popular culture yet unless you are a student of English literature you may not have ever tried reading them Now you don't have to In this book all the 154 original poems are included and paired with a Twitter version That's right every one of the sonnets has been reduced to a message of fewer than 140 characters This is an experiment in making 400 year old poetry work in the age of social media but it is also a continuation of the sonnet traditions Sonnets are very structured short poems anyway Poets needed to follow strict rules to make a sonnet work to convey meaning within a set number of lines In this book the sonnets have been reduced to individual tweets but they still retain the essence of each poem Nothing Like the Sun Anthony Burgess, 1996 Before Shakespeare in Love there was Anthony Burgess's Nothing Like the Sun a magnificent bawdy telling of Shakespeare's love life Will's Son and Jake's Peer Á. I. Farkas, Ákos István Farkas, 2002 Anthony Burgess combined high artistic seriousness with very broad popular appeal The writer of A Clockwork Orange and Napoleon Symphony variously cast himself in the roles of uncompromising artist and willing entertainer What links these contradictory aspirations is Burgess ambivalent relationship with James Joyce In his daring experimentation with the novel form Burgess always had the Joycean example to emulate but he also invoked the great precursor to vindicate the rawer components of his art The author is not blinded by his comparative agenda to Burgess debts incurred elsewhere Burgess work reverberates with echoes of lesser masters as well as securely canonized classics his voices include the Maughamesque and the Shakespearean as they do the Eliotian and of course the Joycean Anthony Burgess is thus reintroduced as a post modern classic himself Jake's deserving peer and Will's true son **Novel Style** Ben Masters, 2017 Marrying lyrical close reading with critical awareness Novel Style argues for the ethical value of elaborate styles of writing and demonstrates that artistic excessiveness can provide dynamic responses to the moral complexities of our times **Crowman** David Rae, 2020-03-13 Touch the light Hold the light The light burns The light runs away Hold the light Lock the light away The great spirit Vatu keeps the Sun in a box where no thief can steal it Once a year the box is opened and life springs across the dark lands The whole world belongs to Vatu He is darkness he is master of all There is no hiding from him But Utas must try for his daughter's sake She is sick from darkness and yet she glows with a mysterious light If Vatu can find them he will destroy them or worse drag them back into his mad dark world Torn between duty and mercy between justice and freedom Utas tries to escape but it seems inevitable that the darkness will reclaim him For the greatest mercy and the greatest punishment Utas can suffer is to return to his true self *Poetry* Edward Thomas, 2025-02-14T19:14:12Z Edward Thomas was a literary critic biographer and travel and nature writer for decades before he turned his hand to poetry at the age of thirty six at the

suggestion of his close friend Robert Frost World War I broke out shortly after this decision and in 1915 Thomas enlisted His first book of poetry Six Poems was published in 1916 In 1917 as his next collection Poems was being prepared for print he was killed in action in France What remained of his poetry was published posthumously his career as a poet cut short after just three years Though his contemporaries knew him best for his literary criticism and prose his modern reputation rests squarely on his poetry Even though he wrote many of them during the war only a few are overt war poems with Thomas largely preferring to write about the English countryside Despite his short few years of poetic output Thomas was highly influential with his personal voice and exploration of solitude and alienation foreshadowing the modernist movement that would emerge after the end of the war This book is part of the Standard Ebooks project which produces free public domain ebooks
