Committee on Education, **The American Catholic Quarterly Review ...** ,1887 *Traditional Anti-Torah Church Doctrines* Cornie Banman,2014-09-22 Have you ever stopped to think whether the doctrines you hear in your church are actually coming from the word of the creator In *Traditional Anti Torah Church Doctrines* author Cornie Banman offers an analysis of doctrines to help Christians ascertain whether a doctrine comes directly from God or originates from man Banman explains how and why traditional Christendom has rejected the Ten Commandments and how that belief has inevitably created an anti God messiah In *Traditional Anti Torah Church Doctrines* he shows how A subtle and powerful philosophy of anti Jew doctrines has indoctrinated traditional Christians into believing the Messiah s first coming was to abolish the Ten Commandments The philosophy of a few church fathers has undermined the Ten Commandments by elevating manmade traditions to commandment status An anti Jew philosophy plays a key role in abolishing the commandments and exposes its foundation The God of Abraham has given mankind a simple formula to test and measure all doctrines against his word Anyone can use that test against all doctrines to see whether they are inspired by the God of the scriptures or by the gods of this world A person who s snared by deceived indoctrination can get back into alignment with God s true word Illustrating his beliefs with biblical evidence Banman provides guidance for testing and measuring the instructions coming from your church with God s truth in a simple way <http://corniebanman.com> **Tyranny Through Public Education - Revised Edition** William F. Jr Cox,2004-04 This book documents the inherently flawed nature of America s public school system as currently structured Contemporary recommendations for correcting the system invariably treat symptoms rather than the inherent problem of government control over parental and religious rights The book documents that education is a religious endeavor and that freedom of religion is guaranteed in the United States parents have an inalienable right to raise their children free from government constraints on education civil government is to protect and not deprive citizens of their inalienable rights the educational history of our country affirms that education has always had a religious function recent interpretations of the First and Fourteenth Amendments are both misguided and opposite from their original meanings federal control of education and education taxation is outside the legitimate authority of the U S Constitution and government control of education at federal state and local levels is inherently tyrannical Addressed in separate chapters the above mentioned issues individually and collectively build a compelling case for the disestablishment of government control and the return of parental control to education To quote James Madison government should relate to education in the same way as it does to religion not to intermeddle with it [Harvard University Bulletin](#) Harvard University,1887 *Poison Drops in the Federal Senate* Z Montgomery,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge
