The Hernandez Brothers Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their Love and Rockets series quickly gained prominence They have since published in more mainstream venues but have maintained an outsider status based on their own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes beyond the themes explored in the book Maggie and Hopey Color Fun Jaime Hernandez, 1997 **Love and Rockets**, 2006 Billboard, 1951-03-31 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Comics Journal**, 1991 CMJ New Music Report, 2002-04-01 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ's trade publication compiles playlists for college and non commercial stations often a prelude to larger success *The Illustrated London News*, 1847 **CMJ New Music Report**, 2002-03-25 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ's trade publication compiles playlists for college and non commercial stations often a prelude to larger success *CMJ New Music Report*, 2003-09-29 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ's trade publication compiles playlists for college and non commercial stations often a prelude to larger success **Backpacker**, 2000-05 Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world's first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker's Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured *CMJ New Music Report*, 2002-04-15 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ's trade
