

THE BIG ISSUES

A political cartoon titled "THE BIG ISSUES" depicting a chaotic pile of world leaders. At the top, a bird with a speech bubble saying "Go!!" is perched. The pile includes a man in a blue suit (likely Clinton), a man in a green suit (likely Blair), a man in a red and white striped shirt (likely Bush), and a man in a yellow hard hat (likely Bin Laden). A yellow barrel with a radiation symbol is on the left, and a red and white striped rocket is on the right. A man with a chainsaw is cutting into a globe. Money is falling from the pile. The cartoon is signed "G. B." in the bottom right corner.

Political Issues In Lukeacts:

Political Issues in Luke-Acts Richard J. Cassidy, Philip J. Scharper, 2015-02-25 The contributors represent varying outlooks in New Testament study so that the book offers a continuation of the current debate rather than a set of agreed conclusions The editors of this symposium deserve our thanks for bringing together this series of useful essays which no student of the social teaching in the New Testament and of Luke's writings in particular ought to miss I Howard Marshall Professor of New Testament Exegesis University of Aberdeen Various phases of Luke's challenge to the powers of his day are discussed in some detail by the contributors to this symposium and in consequence much light is thrown on Luke's purpose in writing I am happy to commend this new volume of studies to the serious attention of students and teachers of the New Testament and early Christian history F F Bruce Rylands Professor of Biblical Criticism and Exegesis University of Manchester These lively provocative and well informed essays center around the thesis of Dr Richard J Cassidy in his *Jesus Politics and Society* in which he challenges the notion that Luke Acts was written as a political apologetic The result is a stimulating debate as though one were participating in a discussion at once learned and relevant on the exegetical issue of Lukan redaction and of course on the moral question of Jesus attitude toward civil authority Howard Clark Kee William Goodwin Aurelio Professor of Biblical Studies Boston University Here we have ten studies which sharply probe aspects of the political Luke and or Luke's political Jesus including a study by Cassidy himself as well as studies which take him to task on various counts All told *Political Issues in Luke Acts* is an extremely valuable showcase of the most current research in Luke Acts and its societal concerns Edward C Hobbs Professor of Religion Wellesley College Visiting Professor of New Testament Harvard University Richard J Cassidy serves as Professor of Sacred Scripture at Sacred Heart Major Seminary in Detroit Michigan His most recent books are *Paul in Chains Roman Imprisonment and the Letters of Paul* and *Four Times Peter Portrayals of Peter in the Four Gospels and at Philippi* He is currently completing a commentary on St Paul's Letter to the Philippians Prior to his death Philip J Scharper served as an editor of *Commonweal* was the American editor of *Sheed and Ward* and was the founding editor of *Orbis Books* He received seven honorary degrees and numerous awards for his contribution to religious publishing With his wife Sally he authored more than thirty nationally televised religious documentaries which have received twenty international and national awards including several Emmys

A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

Aspects of Coherency in Luke's Composite Christology Daniel Gustafsson, 2022-03-18 Luke has often been understood to transmit a variety of Christological traditions without reflecting on them in relation to each other In this study Daniel Gustafsson challenges such positions and demonstrates that when the Gospel of Luke is approached as a narrative a different

picture emerges Presentations of Jesus as Messiah Son of God prophet and Son of Man are shown to conform to Luke's overall plot and significantly overlap each other The voices of characters with high authority the use of Scripture and Jesus's relationship to the Holy Spirit are examples of other factors that contribute to coherency in Luke's Christology **Peter and Cornelius** vanThanh Nguyen SVD,2012-11-29 The mission to the Gentiles and their conversion into the church gave rise to conflict in the early Christian community Acts 11:1-18 indicates that there was clearly dissension over the issue of Peter going to the house of Cornelius and participating in table fellowship with him The issue was no small matter since it could have split the church How then does Luke portray the resolution of the conflict Instead of writing a long theological treatise the author employs the art of storytelling The study of Luke Acts has long been dominated by historical critical methods focusing on Luke as a historian and theologian This work however proposes a paradigm shift by looking at Luke as a storyteller Since narrative criticism is concerned with the work of the writer as author and not simply redactor and since it treats narrative precisely as narrative the time has come to apply the narrative critical approach to Acts 10:1-11:18 This approach explores a different set of questions What is the story of Peter and Cornelius about How is the story told What effect does the story have on the reader and why The Trial of the Gospel Alexandru Neagoe,2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke's writings as an apologetic work by focusing on those parts of Luke's story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke's apologia pro evangelio a purpose which is in keeping with the author's declared aim to give his readers assurance about the matters in which they had been instructed Luke 1:4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel's confirmation **The Theology of Amos Yong and the New Face of Pentecostal Scholarship** Wolfgang Vondey,Martin Mittelstadt,2013-06-15 In The Theology of Amos Yong and the New Face of Pentecostal Scholarship Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology The authors provide an introduction and critical assessment of Yong's biblical foundations hermeneutics epistemology philosophical presuppositions trinitarian theology theology of religions ecumenical and interfaith relations theology of disability engagement with contemporary culture and participation in the theology and science conversation These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology pneumatology pentecostalism and the possibility of renewal The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship Contributors include Andrew Carver Jacob D Dodson Jeff Hittenberger Mark Mann Martin William Mittelstadt L William Oliverio Jr David A Reed Tony Richie Christopher A

Stephenson Steven M Studebaker Paraskev Eve Tibbs and Wolfgang Vondey *Render to Caesar* Christopher Bryan,2005-08-25 At the end of the 20th century postcolonialism described the effort to understand the experience of those who had lived under colonial rule This kind of thinking has inevitably brought about a reexamination of the rise of Christianity which took place under Roman colonial rule How did Rome look from the viewpoint of an ordinary Galilean in the first century of the Christian era What should this mean for our own understanding of and relationship to Jesus of Nazareth In the past Jesus was often depoliticized treated as a religious teacher imparting timeless truths for all people Now however many scholars see Jesus as a political leader whose goal was independence from Roman rule so that the people could renew their traditional way of life under the rule of God In *Render to Caesar* Christopher Bryan reexamines the attitude of the early Church toward imperial Rome Choosing a middle road he asserts that Jesus and the early Christians did indeed have a critique of the Roman superpower a critique that was broadly in line with the entire biblical and prophetic tradition One cannot worship the biblical God the God of Israel he argues and not be concerned about justice in the here and now On the other hand the biblical tradition does not challenge human power structures by attempting to dismantle them or replace them with other power structures Instead Jesus message consistently confronts such structures with the truth about their origin and purpose Their origin is that God permits them Their purpose is to promote God s peace and justice Power is understood as a gift from God a gift that it is to be used to serve God s will and a gift that can be taken away by God when misused *Render to Caesar* transforms our understanding of early Christians and their relationship to Rome and demonstrates how Jesus teaching continues to challenge those who live under structures of government quite different from those that would have been envisaged by the authors of the New Testament **An Introduction to the New Testament** Raymond E. Brown,2015-08-01 From the experience of a lifetime of scholarship preaching teaching and writing Raymond E Brown covers the entire scope of the New Testament with ease and clarity He walks readers book by book through the basic content and issues of the New Testament While a wealth of information is contained in these pages the work s most impressive features are the basic summaries of each book a historical overview of the ancient Greco Roman world discussions of key theological issues and the rich supplementary materials such as illustrative tables maps bibliographies and appendixes Using this basic data Brown answers questions raised by today s readers relates the New Testament to our modern world and responds to controversial issues such as those raised by the Jesus Seminar Every generation needs a comprehensive reliable Introduction to the New Testament that opens the biblical text to the novice Raymond E Brown s *An Introduction to the New Testament* is the most trustworthy and authoritative guidebook for a generation seeking to understand the Christian Bible Universally acknowledged as the dean of New Testament scholarship Father Brown is a master of his discipline at the pinnacle of his career Who else could cover the entire scope of the New Testament with such ease and clarity This gifted communicator conveys the heartfelt concern of a beloved teacher for his students as he walks the reader through the basic content and

issues of the New Testament Those opening to the New Testament for the first time and those seeking deeper insights could not ask for more in a primer to the Christian Bible **The Inheritors of the [basileia Tou Theou]** Daniel Monikaraj,2008

The Double Message Turid Karlsen Seim,2004-11-11 A thoroughly researched study of the treatment of women in Luke Acts **The Passion of Interpretation** W. Dow Edgerton,1992-01-01 In this book W Dow Edgerton reviews narratives from the Bible the Talmud Greek mythology and modern fiction in order to provide a better understanding of the nature and work of interpretation Disclosed are rich complex and compelling possibilities for imagining the work of interpretation and what it means to do that work in a time when so much is needed and so much is possible The Literary Currents in Biblical Interpretation series explores current trends within the discipline of biblical interpretation by dealing with the literary qualities of the Bible the play of its language the coherence of its final form and the relationships between text and readers Biblical interpreters are being challenged to take responsibility for the theological social and ethical implications of their readings This series encourages original readings that breach the confines of traditional biblical criticism

Non-Retaliatio in Early Jewish and New Testament Texts Gordon Zerbe,2015-01-29 This study examines the varieties and continuities of ethical exhortations and ideals in the Jewish and Christian traditions c 200 BCE 100 CE that fall under the rubric of non retaliation One of the principal conclusions of this thought provoking work is that a critical factor in determining the shape of non retaliatory ethics is whether the exhortation is applied to relations within the local and or elect community or to relations with oppressors of the elect community It becomes apparent also that the non retaliatory ethic of the NT stands solidly in the tradition of non retaliatory ethics in Early Judaism **The Saving Cross of the Suffering Christ** Benjamin R. Wilson,2016-07-25 What is the place of the cross in the thought of the third evangelist This book seeks to show the central significance of the death of Jesus for Luke s understanding of 1 how salvation is accomplished and 2 what it means for Jesus to be the messiah Whereas previous authors have helpfully attended to individual motifs within Luke s account of the passion this book takes more of a wide angle approach to the topic moving from the very first allusions to Jesus rejection at the beginning of Luke s gospel all the way through to the retrospective references to Jesus death that occur throughout the speeches of Acts By focusing on the inter relationship of the various parts that form the whole of the Lukan portrayal of Jesus death Wilson proposes fresh solutions to several of the intractable exegetical disputes related to the place of the cross in Lukan theology thereby helping to situate Lukan soteriology within the broader context of Jewish and Christian belief and practice in the first century **Sparsa Collecta, Part 1. Evangelia, Paulina, ACTA** Willem C. van Unnik,1973 The Atonement in Lukan Theology John Kimbell,2014-10-02 In the past century of critical scholarship on Luke Acts it has become commonplace to affirm that Luke attaches no direct soteriological value to the death of Jesus More specifically the scholarly consensus affirms that Luke Acts does not present Jesus death as an atonement for sin Rather Luke s soteriology is understood to center upon Jesus resurrection and exaltation as Lord In this careful thematic study of

atonement theology in Luke's double work John Kimbell demonstrates that the value Luke attributes to the death of Christ has been underestimated When all the data is considered the death of Christ is given greater direct soteriological significance in the Lukan writings than scholarship has generally acknowledged Specifically the death of Jesus is portrayed by Luke as an atoning death that brings about the forgiveness of sins This book does not deny the presence of other soteriological emphases Nevertheless it convincingly shows that atonement theology plays a fundamental role in Luke's soteriology such that when this aspect is rejected or minimized Luke's presentation of the cross and salvation is significantly distorted Kimbell carefully interacts with the scholarly secondary literature on this subject ensuring that any serious Christian reader will find this work stimulating and useful Detailed exegesis is paired with careful attention to Luke's overall theological purposes The result is that the reader will come away with a clearer understanding of Luke's writings and a deeper appreciation for the meaning of Christ's death

Jesus' Entry into Jerusalem Kinman, 2018-07-17 Taking into account the backgrounds of Graeco Roman and Jewish triumphal entries this volume deals with the Lukan version of Jesus' entry to Jerusalem and his subsequent cleaning of its Temple It is argued that Luke's account has been shaped by identifiable political and theological considerations including the phenomenon of parousia and the place of Israel in the plan of God Early chapters explore Luke's political milieu together with various entry phenomena from the ancient world including the advent of governors emperors and Jewish kings a close examination of the Lukan text and context follow This study breaks new ground in contributing to our understanding of how specific contemporary political issues and theological concerns led to the shaping of Luke 19 28-48 and context

Salty Wives, Spirited Mothers, and Savvy Widows F. Scott Spencer, 2012-12-19 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study *Salty Wives Spirited Mothers and Savvy Widows* demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke While recent studies have exposed women's limited opportunities for ministry in Luke Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women's work and status as Jesus' disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus' parables

Luke's Literary Creativity Mogens Müller, Jesper Tang Nielsen, 2016-08-11 A combination of two classic discussions in New Testament scholarship the contributions in this volume shed light on the still unsolved synoptic problem by using the well coined concept of rewriting to describe the relationship between the synoptic gospels The contributions work with the hypothesis that the synoptic tradition can be conceived of as a process of rewriting Matthew rewrote Mark and Luke rewrote Mark and Matthew This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two source theory If it can be shown that Luke knew Matthew's Gospel the Q hypothesis is superfluous One group of articles focuses on the general question of Luke's literary relation to the

other gospels In these essays the concept of rewriting describes Luke's use of his sources The second part of the collection examines a number of texts in order to show how Luke rewrites specific passages In the final section the contributions concern Luke's relation to Roman authorities It is shown that Luke's literary creativity is not limited to his predecessors in the gospel tradition Rewriting is his literary strategy Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions The Reign of God and Rome in Luke's Passion Narrative Yong-sung Ahn, 2006-03-01 From a Korean perspective this book examines how Luke's Passion Narrative constructs the space time of the Reign of God both in contest to and in compliance with that of Rome and shows how Luke's colonial relations complicate the Gospel's theological perspectives
