Political Mythology And Popular Fiction:

Political Mythology and Popular Fiction Ernest J. Yanarella, Lee Sigelman, 1988-01-13 A fascinating contribution to the scholarship of both political science and literature this book explores eight major genres of contemporary popular fiction generally assumed to be essentially devoid of political content children's novels Westerns middle class fiction historical novels small town Americana sports novels American war fiction and science fiction By uncovering the often covert mythical themes and cultural symbols hidden in the plot formulas of these works many of them bestsellers the essays illustrate the debt of mass market authors to cultural and political traditions that reach back to the origins of the American Republic

Political Myth Christopher Flood, 2013-12-02 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **Minor Mythologies as Popular Literature** Richard Pine, 2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences *The Presence of the Past in Children's Literature* Ann Lucas, 2003-09-30 Time is one of the

most prominent themes in the relatively young genre of children's literature for the young like adults want to know about the past This book explores how children's writers have treated the theme and concept of time The volume starts with the application of literary theory and additionally analyzes examples of the juvenile historical novel In doing so it also examines changing fashions in criticism and publishing and the pressure they exert on writers It then considers literary adaptations of myths and archetypes constructions of history in children's literature colonial and postcolonial children's fiction and the treatment of the past in the postmodern era The book looks at literature from around the world and the expert contributors are from diverse countries and backgrounds While the book looks primarily at literature of the 19th and 20th centuries it considers a broad range of historical material treated in works from that period Included are discussions of such topics as Joan of Arc in children's literature the legacy of Robinson Crusoe colonial and postcolonial children's literature the Holocaust and the supernatural International in scope the volume examines history and collective memory in Portuguese children's fiction Australian history in picture books Norwegian children's literature and literary treatments of the great Irish famine

The Myth of the Clash of Civilizations Chiara Bottici, Benoît Challand, 2013-01-11 While globalization unifies the world divisions re-emerge within it in the form of a spectacular separation between Islam and the West How can it be that Huntington's contested idea of a clash of civilizations became such a powerful political myth through which so many people look at the world Bottici and Challand disentangle such a process of myth making both in the West and in Muslim majority countries and call for a renewed critical attitude towards it By analysing a process of elaboration of this myth that took place

in academic books arts and media comics and Hollywood films they show that the clash of civilizations has become a cognitive scheme through which people look at the world a practical image on the basis of which they act on it as well as a drama which mobilizes passions and emotions Written in a concise and accessible way this book is a timely and valuable contribution to the academic literature and more generally to the public debate As such it will be an important reference for scholars and students of political science sociology philosophy cultural studies Middle Eastern politics and Islam

American Studies Jack Salzman,1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology

Geography of Time, Place, Movement and Networks, Volume 1 Stanley D. Brunn,2024-05-23 This book describes the journey concept relating to cultural and social history of Western and non Western worlds By including time journeys negotiated by women racial minorities artists and scholars from the humanities and social natural and physical scientists the book explores time space journeys in personal professional and cultural life and place experiences The sixteen chapters in this book offer new insights into time place worlds in different contexts including history culture astronomy and science fiction The concept is one where science and art worlds intersect in the emerging worlds of the unknown With contributors from different disciplines and countries expanding our understanding of this concept this volume provides a valuable source for disciplinary and interdisciplinary classes and seminars exploring these scholarly frontiers

Literature For Children Peter Hunt,2003-09-02 Children s literature has recently produced a body of criticism with a highly distinctive voice The book consolidates understanding of this area by including some of the most important essays published in the field in the last five years demonstrating the links between literary criticism education psychology history and scientific theory It includes Peter Hollindale s award winning essay on Ideology and Children s Literature topics from metafiction and post modernism to fractal geometry and the examination of texts ranging from picture books to The Wizard of Oz and the the Australian classic Midnite Sources are as disparate as Signal and the Children s Literature Association Quarterly and the international community is represented by writers from Britain the USA Canada Australia and Germany Each essay is set in its critical context by extensive quotation from authoritative articles

Aspects and Issues in the History of Children's Literature Maria Nikolajeva,1995-06-13 The contributors to this collection of essays address children s literature as an art form rather than an educational instrument as has been the traditional approach Scholars from 10 different countries present a variety of approaches to the history of children s literature including views on sociological semiotic and intertextual models of its evolution Other issues explored include influence and interaction between stories and their countries of origin This strong presentation of international perspectives on children s literature will be a valuable resource for scholars of children s and

comparative literature Gore Vidal and Antiquity Quentin Broughall, 2022-08-01 This book examines Gore Vidal's lifelong engagement with the ancient world. Incorporating material from his novels, essays, screenplays, and plays, it argues that his interaction with antiquity was central to the way in which he viewed himself, his writing, and his world. Divided between the three primary subjects of his writing: sex, politics, and religion, this book traces the lengthy dialogue between Vidal and antiquity over the course of his sixty-year career. Broughall analyses Vidal's portrayals of the ancient past in novels such as *Julian* (1964), *Creation* (1981), and *Live from Golgotha* (1992). He also shows how classical literature inspired Vidal's other fiction, such as *The City and the Pillar* (1948), *Myra Breckinridge* (1968), and his *Narratives of Empire* (1967, 2000 novels). Beyond his fiction, Broughall examines the ways in which antiquity influenced Vidal's careers as a playwright, an essayist, and a satirist, and evaluates the influence of classical authors and their works upon him. Of interest to students and scholars in classical studies, reception studies, American politics, and literature, and the work of Gore Vidal, this volume presents an original perspective on one of the most provocative writers and intellectuals in post-war American letters. It offers new insights into Vidal's attitudes, influences, and beliefs, and throws fresh light upon his patrician self-fashioning and his mercurial output.

The Politics of Serial Television Fiction Sebastian Naumann, 2025-03-18 Fictional TV politics played a pivotal role in the popular imaginaries of the 2010s across cultures. Examining this curious phenomenon, Sebastian Naumann provides a wide-ranging analysis of the rapidly evolving landscape of contemporary political series. Proposing a novel structural model of serial television, he offers an innovative methodological framework for comparative textual analysis that integrates sociocultural, economic, sociotechnical, narratological, and aesthetic perspectives. This study furthermore explores how the changing affordances of nonlinear television impact serial storytelling and identifies key narrative trends and recurring themes in contemporary TV political fiction.

Eric Voegelin's Dialogue with the Postmoderns Eric Voegelin, 2004 This collection of essays endeavors to generate a dialogue between Eric Voegelin and other prominent twentieth-century thinkers and explore some of the more perplexing issues in contemporary political theory. Each essay rests on the underlying question: is it possible or desirable to construct or discover political foundations without resorting to metaphysical or essentialist constructs? The introduction focuses on the two nineteenth-century thinkers Nietzsche and Husserl, who have framed the debate about modernity and postmodernity; thereafter, the book examines Voegelin's ideas as compared to those of other twentieth-century thinkers. Discussed within the volume are Levinas and the precedence of ethics, Ricoeur's theory of narrative representation, Deleuze and the philosophy of immanence, Voegelin's relationship to a speech-dimension theory of human behavior, and Patocka's theory of pre-metaphysical transcendence in Socrates. What will impress scholars most about this collection is the provocative dialogue created between Voegelin and other major thinkers of postmodernism that addresses the issue of establishing foundations without foundationalism.

Planet of the Apes as American Myth Eric Greene, 2024-05-15 How do political conflicts shape popular culture? This book explores that question by analyzing how the

Planet of the Apes films functioned both as entertaining adventures and as apocalyptic political commentary Informative and thought provoking the book demonstrates how this enormously popular series of secular myths used images of racial and ecological crisis to respond to events like the Cold War the race riots of the 1960s the Civil Rights movement the Black Power movement and the Vietnam War The work utilizes interviews with key filmmakers and close readings of the five Apes films and two television series to trace the development of the series theme of racial conflict in the context of the shifting ideologies of race during the sixties and seventies The book also observes that today amid growing concerns over race relations the resurgent popularity of Apes and Twentieth Century Fox s upcoming film may again make Planet of the Apes a pop culture phenomenon that asks who we are and where we are going Instructors considering this book for use in a course may request an examination copy here

Myth and Ideology in Contemporary Brazilian Fiction Daphne Patai,1983 Analyzing the thematic and formal characteristics of six contemporary Brazilian novels this study explores the use of myth and its ideological implications The writers examined are Maria Alice Barroso Clarice Lispector Jorge Amado Carlos Heitor Cony Adonias Filho and Autran Dourado

American Foreign Policy and the Utopian Imagination Susan M. Matarese,2010-03-02 With the collapse of the Soviet Union and the end of the Cold War American decision makers have been forced to confront anew questions about the role of the United States in world affairs What are the responsibilities of the United States toward other countries What are the appropriate uses and limitation of American power And what from an American point of view would be the ideal shape of the imagined New World Order However U S policymakers may resolve such issues their thinking will be influenced by assumptions deeply embedded in American culture Some of those beliefs derive from the nation s distinctive history geography and resources But others are rooted in what Susan M Matarese calls the national image a set of emotionally charged relatively coherent ideas about the special qualities of the United States and its place in the world Building on a long tradition of scholarship that looks to works of literature for insights into national myths and symbols Matarese examines a rich trove of utopian fiction written by Americans during the late nineteenth century Such writings she shows provide a useful window into the popular imagination revealing widely shared notions about the foreign policy of an idealized America notions that have proven remarkably resilient in the twentieth century as well Indeed even in the post Cold War era one can find striking similarities between the foreign policy goals of the Bush and Clinton administrations and the dreams of America s utopian architects a century earlier The author concludes with an appeal for greater humility and realism in the formation of U S foreign policy and a recognition of the limits of American power in what is likely to be an increasingly fluid fragmented and multipolar world

The Pirate Myth Amedeo Policante,2015-01-09 The image of the pirate is at once spectral and ubiquitous It haunts the imagination of international legal scholars diplomats and statesmen involved in the war on terror It returns in the headlines of international newspapers as an untimely security threat It materializes on the most provincial cinematic screen and the most acclaimed works of fiction It casts its shadow over the

liquid spatiality of the Net where cyber activists file sharers and a large part of the global youth are condemned as pirates often embracing that definition with pride rather than resentment Today the pirate remains a powerful political icon embodying at once the persistent nightmare of an anomic wilderness at the fringe of civilization and the fantasy of a possible anarchic freedom beyond the rigid norms of the state and of the market And yet what are the origins of this persistent pirate myth in the Western political imagination Can we trace the historical trajectory that has charged this ambiguous figure with the emotional political and imaginary tensions that continue to characterize it What can we learn from the history of piracy and the ways in which it intertwines with the history of imperialism and international trade Drawing on international law political theory and popular literature *The Pirate Myth* offers an authoritative genealogy of this immortal political and cultural icon showing that the history of piracy the different ways in which pirates have been used outlawed and suppressed by the major global powers but also fantasized imagined and romanticised by popular culture can shed unexpected light on the different forms of violence that remain at the basis of our contemporary global order

Ultimate Freedom - No Choice Deniss Hanovs, Valdis Tēraudkalns, 2013 The Republic of Latvia is a fascinating mirror of the development of European democratic culture and reflects both the rise of democracy in Eastern Europe after the end of World War I and its deterioration into authoritarianism in the early 1930s The regime which lasted for only six years 1934 1940 was shaped by the controversial figure Karlis Ulmanis This archive based study illustrates the development of authoritarianism in Latvia shows controversies and similarities and places the regime's leader in the international context of European authoritarian culture

From Lowbrow to Nobrow Peter Swirski, 2005 From Lowbrow to Nobrow vindicates popular fiction as an art form that expresses and reflects the aesthetic and social values of its readers

Misreading the Bill of Rights Kirby Goidel, Craig Freeman, Brian Smentkowski, 2015-03-30 The Bill of Rights the first 10 amendments to the U S Constitution are widely misunderstood by many Americans This book explores the widely held myths about the Bill of Rights how these myths originated why they have persisted and the implications for contemporary politics and policy Interestingly most Americans today even professional political commentators misinterpret or misunderstand what the Bill of Rights intended meaning and purposes were Culturally ingrained myths about the Bill of Rights have helped to define what it means to be an American but also limited the range of political debate and justified unfair and unequal treatment of minorities This book addresses the top ten myths regarding the Bill of Rights from the standpoint of public understanding and misunderstanding from a non partisan objective point of view provoking independent thought and enabling readers to reach their own educated conclusions and opinions Written by two experts in the fields of political science public policy media law and civil liberties the work explores the key role of modern news and entertainment media in contributing to public misunderstanding of individual rights and liberties The authors also apply and interpret data from public opinion surveys to further examine public beliefs about the Bill of Rights and closely connect the analysis of misperceptions to existing political beliefs

Postcolonial Mythology and

Ethnic Self-Canonization in Biafran Fiction and Activism Abba Abba, 2025-08-12 Postcolonial Mythology and Ethnic Self Canonization in Biafran Fiction and Activism explores the ways in which communities that have been marginalized in colonial discourses attempt to reconstruct their identities histories and narratives through the use of postcolonial myths The deconstruction of stereotypes and creation of self referential myths often play a crucial role in empowering marginalised communities to reassert their cultural identity and reclaim their cultural symbols with narratives of counter history Relying on the experience of the Igbo and the Nigeria Biafra War event the book demonstrates how ethnic groups in Africa articulate their resistance against subalternity Through literary historical and archival analyses it offers an unbiased reading of postcolonial mythologies and counter mythologies in Biafran literature and activism and how they contribute to a broader understanding of colonialism ethnic minoritization and ethnic self canonization With its robust analysis the book sets new benchmarks for scholars researchers teachers and students in humanities and social sciences especially literature history political science and anthropology for re reading ethnicity and rethinking the timeless value of inter ethnic communication

The book delves into Political Mythology And Popular Fiction. Political Mythology And Popular Fiction is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Political Mythology And Popular Fiction, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Political Mythology And Popular Fiction
 - Chapter 2: Essential Elements of Political Mythology And Popular Fiction
 - Chapter 3: Political Mythology And Popular Fiction in Everyday Life
 - Chapter 4: Political Mythology And Popular Fiction in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Political Mythology And Popular Fiction. This chapter will explore what Political Mythology And Popular Fiction is, why Political Mythology And Popular Fiction is vital, and how to effectively learn about Political Mythology And Popular Fiction.
3. In chapter 2, the author will delve into the foundational concepts of Political Mythology And Popular Fiction. This chapter will elucidate the essential principles that must be understood to grasp Political Mythology And Popular Fiction in its entirety.
4. In chapter 3, this book will examine the practical applications of Political Mythology And Popular Fiction in daily life. The third chapter will showcase real-world examples of how Political Mythology And Popular Fiction can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Political Mythology And Popular Fiction in specific contexts. The fourth chapter will explore how Political Mythology And Popular Fiction is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Political Mythology And Popular Fiction. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Political Mythology And Popular Fiction.

Political Mythology And Popular Fiction Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Mythology And Popular Fiction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Mythology And Popular Fiction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Mythology And Popular Fiction free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Mythology And Popular Fiction. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Mythology And Popular Fiction any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Mythology And Popular Fiction Books

What is a Political Mythology And Popular Fiction PDF? A PDF (Portable Document Format) is a file format developed

by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Mythology And Popular Fiction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Mythology And Popular Fiction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Mythology And Popular Fiction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Mythology And Popular Fiction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
