Spencer, J.S. Mill, and T.H. Green David George Ritchie,1891

The Principles of State Interference David George Ritchie,1891 The first three essays in this volume were published five years ago in Time and are mainly occupied with a criticism of Mr Herbert Spencer s the man versus the state and of certain parts of J S Mill s liberty The fourth essay appeared in the Contemporary review for June 1887 Palgrave's Dictionary of Political Economy John Eatwell,2016-06-07 **International Law and the Principle of Non-Intervention** Marco

Roscini,2024 This book provides a systematic analysis of the principle of non intervention from a historical theoretical and systematic perspective Roscini argues that the principle is strictly linked to some fundamental notions of international law such as sovereignty use of force self determination and human rights protection *Palgrave's Dictionary of Political Economy: F-M (1923 New ed.)* Robert Harry Inglis Palgrave, Henry Higgs,1925 *The Principles of State Interference* David

G. Ritchie,1990 Principles of Labor Legislation John Rogers Commons, John Bertram Andrews,1920 **Personal Liberty and Public Good** Douglas Howland,2005-01-01 Blame for the putative failure of liberalism in late nineteenth century Japan and China has often been placed on an insufficient grasp of modernity among East Asian leaders or on their cultural commitments to traditional values In Personal Liberty and Public Good Douglas Howland refutes this view turning to the central text of liberalism in that era John Stuart Mill s On Liberty Howland offers absorbing analyses of the translations of the book into Japanese and Chinese which at times reveal astonishing emendations As with their political leaders Mill s Japanese and Chinese translators feared individual liberty could undermine the public good and standards for public behaviour and so introduced their own moral values Christianity and Confucianism respectively into On Liberty filtering its original meaning Howland mirrors this mistrust of individual liberty in Asia with critiques of the work in England which itself had trouble adopting liberalism Personal Liberty and Public Good is a compelling addition to the corpus of writing on the work of John Stuart Mill It will be of great interest to historians of political thought liberalism and translation as well as scholars of East Asian studies **Principles of Political Science - I** Dr. Neelam,2025-07-23 The book is designed for B A 3rd Semester

Political Science students at Maharshi Dayanand University Rohtak following the latest syllabus It covers Fundamental political science concepts and theories Nature and scope of political science Elements of the state and its relationship with organizations Theories on Origin of the state Marxian theory Liberal and Socialist views Welfare state Sovereignty It is structured to aid students in exam preparation including Short answer questions Essay type questions The language used is simple clear and student friendly intended to help students easily grasp complex political ideas It encourages feedback from
