Prison Camps In The Civil War

Roger Pickenpaugh

Prison Camps In The Civil War:

Prison Camps of the Civil War Linda R. Wade, 2010-09 Looks at the situation of prisoners in the Civil War where they were held their care and eventual exchange or release including diagrams of Andersonville and Libby Prisons **Prison Camps in the Civil War** Douglas Savage, 2000 Describes the situation of prisoners in the Civil War the 150 Federal and Confederate prison camps where they were held and their care *Andersonville and Camp Douglas* Charles River Editors, 2018-12-24 Includes pictures Includes accounts Includes online resources and a bibliography for further reading

Wuld that I was an artist had the material to paint this camp all its horrors or the tounge of some eloquent Statesman and had the prvilleage of expresing my mind to our hon rulers at Washington I should gloery to describe this hell on earth where it takes 7 of its ocupiants to make a shadow Sgt David Kennedy There is so much filth about the camp that it is terrible trying to live here Michigan cavalryman John Ransom Notorious a hell on earth a cesspool a death camp and infamous have all been used by prisoners and critics to describe Andersonville Prison constructed to house Union prisoners of war in 1864 and all descriptions apply Located in Andersonville Georgia and known colloquially as Camp Sumter Andersonville only served as a prison camp for 14 months but during that time 45 000 Union soldiers suffered there and nearly 13 000 died Victims found at the end of the war who had been held at Camp Sumter resembled victims of Auschwitz starving and left to die with no regard for human life Rumors about the horrors of Andersonville were making the rounds by the summer of 1864 and they were bad enough that during the Atlanta campaign Union General William Tecumseh Sherman gave orders for a cavalry raid attempting to liberate the prisoners there The Union cavalry were repulsed by Southern militia and cavalry at that point and even after Sherman took Atlanta the retreating Confederates moved under the assumption that the Union would target Andersonville yet again Before the end of the war the Confederates were moving prisoners from Andersonville to Camp Lawton but by then Andersonville was already synonymous with horror Unable to supply its own armies the Confederates had inadequately supplied the prison and its thousands of Union prisoners leaving over 25% of the prisoners to die of starvation and disease All told Andersonville accounted for 40% of the deaths of all Union prisoners in the South and the causes of death included malnutrition disease poor sanitation overcrowding and exposure to inclement weather In fact Andersonville infuriated the North so much that Henry Wirz the man in charge of Andersonville was the only Confederate executed after the war When Union forces marched through Georgia and liberated Andersonville in May 1865 photographers were brought in to record the scenes of overcrowding sickness and death ensuring the sight was preserved for future generations to see Conversely Camp Douglas closed at roughly the same time was torn down and its very existence was nearly wiped from memory The attempt to forget Camp Douglas was understandable because in the last two years of the war at least 4 000 Confederate prisoners died there meaning nearly 1 in 5 Confederates who were sent there never left In many ways the story of Camp Douglas is the story of the Civil War itself The camp got its start as a brand new facility filled with men ready to

fight a war that most on both sides believed would last only a few months. However, as the war went on, the facilities were overwhelmed by the sheer scale of the damage and the massive numbers of people involved. In the first few years of the war, the kind of total war practiced by Grant and Sherman in 1864 was unthinkable, and the two sides liberally conducted prisoner exchanges and paroled prisoners based solely on their word. As time passed, however, bitterness hardened between the two sides, and the war aims changed as the North looked for new strategies to finally subdue the South. The resulting chain of events led to the horrors of Camp Douglas. This book examines how Andersonville and Camp Douglas became so notorious and what life was like there for the prisoners. Transforming Civil War Prisons Paul J. Springer, Glenn Robins, 2014-09-04

During the Civil War, 410,000 people were held as prisoners of war on both sides. With resources strained by the unprecedented number of prisoners, conditions in overcrowded prison camps were dismal, and the death toll across Confederate and Union prisons reached 56,000 by the end of the war. In an attempt to improve prison conditions, President Lincoln issued General Orders 100, which would become the basis for future attempts to define the rights of prisoners, including the Geneva conventions. Meanwhile, stories of horrific prison experiences fueled political agendas on both sides and would define the memory of the war, as each region worked aggressively to defend its prison record and to honor its own POWs. Robins and Springer examine the experience, culture, and politics of captivity, including war crimes, disease, and the use of former prison sites as locations of historical memory. *Transforming Civil War Prisons* introduces students to an underappreciated yet crucial aspect of waging war and shows how the legacy of Civil War prisons remains with us today.

Captives in Gray Roger Pickenpaugh, 2009-05-24. Perhaps no topic is more heated and the sources more tendentious than that of Civil War prisons and the treatment of prisoners of war, POWs. Partisans of each side then and now have vilified the other for maltreatment of their POWs while seeking to excuse their own distressing record of prisoner of war camp mismanagement, brutality, and incompetence. It is only recently that historians have turned their attention to this contentious topic in an attempt to sort the wheat of truth from the chaff of partisan rancor. Roger Pickenpaugh has previously studied a Union prison camp in careful detail, *Camp Chase*, and now turns his attention to the Union record in its entirety to investigate variations between camps and overall prison policy and to determine as nearly as possible what actually happened in the admittedly over-crowded, under-supplied, and poorly administered camps. He also attempts to determine what conditions resulted from conscious government policy or were the product of local officials and situations. A companion to Pickenpaugh's *Captives in Blue*. *Captives in Blue* Roger Pickenpaugh, 2013-02-04. *Captives in Blue*, a study of Union prisoners in Confederate prisons, is a companion to Roger Pickenpaugh's earlier groundbreaking book *Captives in Gray*. The Civil War Prisons of the Union rounds out his examination of Civil War prisoner of war facilities. In June of 1861, only a few weeks after the first shots at Fort Sumter ignited the Civil War, Union prisoners of war began to arrive in Southern prisons. One hundred and fifty years later, Civil War prisons and the way prisoners of war were treated remain contentious topics.

Partisans of each side continue to vilify the other for POW maltreatment. Roger Pickenpaugh's two studies of Civil War prisoners of war facilities complement one another and offer a thoughtful exploration of issues that captives taken from both sides of the Civil War faced. In *Captives in Blue*, Pickenpaugh tackles issues such as the ways the Confederate Army contended with the growing prison population, the variations in the policies and practices in the different Confederate prison camps, the effects these policies and practices had on Union prisoners, and the logistics of prisoner exchanges. Digging further into prison policy and practices, Pickenpaugh explores conditions that arose from conscious government policy decisions and conditions that were the product of local officials or unique local situations. One issue unique to *Captives in Blue* is the way Confederate prisons and policies dealt with African American Union soldiers. Black soldiers held captive in Confederate prisons faced uncertain fates; many former slaves were returned to their former owners while others were tortured in the camps. Drawing on prisoner diaries, Pickenpaugh provides compelling first person accounts of life in prison camps often overlooked by scholars in the field.

[Hellmira](#) Derek Maxfield, 2020-05-15. An in depth history of the inhumane Union Civil War prison camp that became known as the Andersonville of the North. Long called by some the Andersonville of the North, the prisoner of war camp in Elmira, New York, is remembered as the most notorious of all Union run POW camps. It existed only from the summer of 1864 to July 1865, but in that time and for long after, it became darkly emblematic of man's inhumanity to man. Confederate prisoners called it Hellmira. Hastily constructed, poorly planned, and overcrowded, prisoner of war camps North and South were dumping grounds for the refuse of war. An unfortunate necessity, both sides regarded the camps as temporary inconveniences and distractions from the important task of winning the war. There was no need, they believed, to construct expensive shelters or provide better rations. They needed only to sustain life long enough for the war to be won. Victory would deliver prisoners from their conditions. As a result, conditions in the prisoner of war camps amounted to a great humanitarian crisis, the extent of which could hardly be understood even after the blood stopped flowing on the battlefields. In the years after the war, as Reconstruction became increasingly bitter, the North pointed to Camp Sumter, better known as the Andersonville POW camp in Americus, Georgia, as evidence of the cruelty and barbarity of the Confederacy. The South, in turn, cited the camp in Elmira as a place where Union authorities withheld adequate food and shelter and purposefully caused thousands to suffer in the bitter cold. This finger pointing by both sides would go on for over a century. And as it did, the legend of Hellmira grew. In this book, Derek Maxfield contextualizes the rise of prison camps during the Civil War, explores the failed exchange of prisoners, and tells the tale of the creation and evolution of the prison camp in Elmira. In the end, Maxfield suggests that it is time to move on from the blame game and see prisoner of war camps North and South as a great humanitarian failure. Praise for *Hellmira*: A unique and informative contribution to the growing library of Civil War histories. Important and unreservedly recommended. Midwest Book Review. A good book, and the author should be congratulated. Civil War News.

Sketches in Prison Camps: A Continuation of Sketches of the War Charles C.

Nott,2023-08-03 Reproduction of the original *The Story of Camp Douglas: Chicago's Forgotten Civil War Prison* David L. Keller,2015-03-23 If you were a Confederate prisoner during the Civil War you might have ended up in this infamous military prison in Chicago More Confederate soldiers died in Chicago s Camp Douglas than on any Civil War battlefield Originally constructed in 1861 to train forty thousand Union soldiers from the northern third of Illinois it was converted to a prison camp in 1862 Nearly thirty thousand Confederate prisoners were housed there until it was shut down in 1865 Today the history of the camp ranges from unknown to deeply misunderstood David Keller offers a modern perspective of Camp Douglas and a key piece of scholarship in reckoning with the legacy of other military prisons **Civil War Prisons** William Best Hesselstine,1972 First published in 1962 as a special edition of Civil War History journal Civil War Prisons remains the standard on the topic Editor Hesselstine tackles the historiography of northern and southern prisons during the American Civil War He attempts to bring closure to the legendary northern myth that the Southern government did its best to exterminate Union prisoners by calling the effective northern war propaganda a wartime psychosis Furthermore the author offers his analysis over the much debated prisoner exchange system and comes down hard on the North especially its government and General Ulysses S Grant for their questionable approach to this issue For all the serious scholarship and popular writing devoted to the American Civil War the topic of prisoner of war camps more than any other retains the feeling of horror and passion that characterized the war years themselves Men held captive under such circumstances guilty of no offense other than the deplorable misfortune of having been captured by the enemy suffer tremendous psychological punishment as well as physical hardship Monotony estrangement and fear along with privation and often brutality combine to create nearly as wretched a quality of human life as is imaginable The sufferings of Civil War prisoners are documented in this re issue of an early number of the journal Civil War History Recounted there are prisoner experiences in four Confederate installations Andersonville Georgia Libby in Richmond Virginia Cahaba Alabama and Charleston South Carolina The remaining articles treat conditions in four Union prisons Fort Warren in Boston harb Rock Island Illinois Elmira New York and Johnson s Island on Lake Erie in addition to some examples of sparkling and vivid prose this volume contains a number of excellent photographs as well as an introduction by the late William B Hesselstine Kenneth B Shover The Historian

Sketches in Prison Camps Charles C. Nott,1865 *Hellmira* Derek Maxfield,2019-11-15 Long called by some the Andersonville of the North the prisoner of war camp in Elmira New York is remembered as the most notorious of all Union run POW camps It existed for only a year from the summer of 1864 to July 1865 but in that time and for long after it became darkly emblematic of man s inhumanity to man Confederate prisoners called it Hellmira Hastily constructed poorly planned and overcrowded prisoner of war camps North and South were dumping grounds for the refuse of war An unfortunate necessity both sides regarded the camps as temporary inconveniences and distractions from the important task of winning the war There was no need they believed to construct expensive shelters or provide better rations They needed only to

sustain life long enough for the war to be won Victory would deliver prisoners from their conditions As a result conditions in the prisoner of war camps amounted to a great humanitarian crisis the extent of which could hardly be understood even after the blood stopped flowing on the battlefields In the years after the war as Reconstruction became increasingly bitter the North pointed to Camp Sumter better known as the Andersonville POW camp in Americus Georgia as evidence of the cruelty and barbarity of the Confederacy The South in turn cited the camp in Elmira as a place where Union authorities withheld adequate food and shelter and purposefully caused thousands to suffer in the bitter cold This finger pointing by both sides would go on for over a century And as it did the legend of Hellmira grew In Hellmira The Union's Most Infamous POW Camp of the Civil War Derek Maxfield contextualizes the rise of prison camps during the Civil War explores the failed exchange of prisoners and tells the tale of the creation and evolution of the prison camp in Elmira In the end Maxfield suggests that it is time to move on from the blame game and see prisoner of war camps North and South as a great humanitarian failure

Andersonvilles of the North James Massie Gillispie, 2008 *Andersonvilles of the North* by James M Gillispie represents the first broad study to argue that the image of Union prison officials as negligent and cruel to Confederate prisoners is severely flawed This study is not an attempt to whitewash Union prison policies or make light of Confederate prisoner mortality But once the careful reader disregards unreliable postwar polemics and focuses exclusively on the more reliable wartime records and documents from both Northern and Southern sources then a much different less negative picture of Northern prison life emerges While life in Northern prisons was difficult and potentially deadly no evidence exists of a conspiracy to neglect or mistreat Southern captives Confederate prisoners suffering and death were due to a number of factors but it would seem that Yankee apathy and malice were rarely among them **BOOK JACKET**

Haunted by Atrocity Benjamin G. Cloyd, 2010-05-24 Benjamin G Cloyd deftly analyzes how Americans have remembered the military prisons of the Civil War from the war itself to the present making a strong case for the continued importance of the great conflict in contemporary America The first study of Civil War memory to focus exclusively on the military prison camps *Haunted by Atrocity* offers a cautionary tale of how Americans for generations have unconsciously constructed their recollections of painful events in ways that protect cherished ideals of myth meaning identity and ultimately the deeply rooted faith in American exceptionalism *Northern*

Prison Camps During the Civil War Morris Maron Goodman, 1934 **Point Lookout Prison Camp and Hospital: The North's Largest Civil War Prison** Richard H. Triebe, 2014-09-02 *Point Lookout Prison and Hospital* tells the story of the North's largest Civil War prison camp Author Richard H Triebe has gathered over fifty Confederate prisoner accounts and has woven their stories into the narrative of his book The stories breathe life into the words and give the reader a glimpse of what it was like to be inside Point Lookout prisoner of war camp Triebe's book also contains the most detailed roster to date of the Confederate soldiers who died there including hundreds of fellow prisoners whose names do not appear on the Confederate memorial Those forgotten men can now take their rightful place alongside their comrades who gave their lives

for their country **Civil War Prison Camps** Robert C. Jones,2011-06-01 The experience of prisoners of war during the Civil War on both sides was pretty dismal At the beginning of the War neither side was even remotely prepared for the onslaught of prisoners they d have to deal with Prisoner exchanges occurred only sporadically throughout the War so prison camps became an important fact of life during the Civil War Andersonville Prison in Georgia probably had the worst conditions and definitely had the highest death rate of the War However Northern prisons at places like Elmira New York and Point Lookout Maryland were rife with disease and known for poor care of prisoners To be a prisoner during the Civil War was a brutal dehumanizing experience This book will examine 1 the life of the prisoner during the War 2 the rise and fall of prisoner exchanges 3 significant prison camps and 4 prison escape attempts The book includes 28 illustrations with 12 of them in color **Andersonville Prison** Charles River Charles River Editors,2017-01-26 Includes pictures Includes accounts of the prison written by surviving prisoners Includes footnotes and a bibliography for further reading Includes a table of contents Wuld that I was an artist had the material to paint this camp all its horrors or the tounge of some eloquent Statesman and had the privilege of expresing my mind to our hon rulers at Washington I should gloery to describe this hell on earth where it takes 7 of its ocupiants to make a shadow Sgt David Kennedy There is so much filth about the camp that it is terrible trying to live here Michigan cavalryman John Ransom Notorious a hell on earth a cesspool a death camp and infamous have all been used by prisoners and critics to describe Andersonville Prison constructed to house Union prisoners of war in 1864 and all descriptions apply Located in Andersonville Georgia and known colloquially as Camp Sumter Andersonville only served as a prison camp for 14 months but during that time 45 000 Union soldiers suffered there and nearly 13 000 died Victims found at the end of the war who had been held at Camp Sumter resembled victims of Auschwitz starving and left to die with no regard for human life Rumors about the horrors of Andersonville were making the rounds by the summer of 1864 and they were bad enough that during the Atlanta campaign Union General William Tecumseh Sherman gave orders for a cavalry raid attempting to liberate the prisoners there The Union cavalry were repulsed by Southern militia and cavalry at that point and even after Sherman took Atlanta the retreating Confederates moved under the assumption that the Union would target Andersonville yet again Before the end of the war the Confederates were moving prisoners from Andersonville to Camp Lawton but by then Andersonville was already synonymous with horror Unable to supply its own armies the Confederates had inadequately supplied the prison and its thousands of Union prisoners leaving over 25% of the prisoners to die of starvation and disease All told Andersonville accounted for 40% of the deaths of all Union prisoners in the South and the causes of death included malnutrition disease poor sanitation overcrowding and exposure to inclement weather In fact Andersonville infuriated the North so much that Henry Wirz the man in charge of Andersonville was the only Confederate executed after the war Before the war Wirz was a Swiss doctor who had practiced medicine in Kentucky but while some Southern scholars continue to believe he was simply a victim of circumstance plenty of evidence suggests his actions were

far more insidious and deadly As the debate over Wirz s fate suggests one lingering argument in the analysis of Andersonville is whether the abuse and starvation of prisoners was a tragic circumstance of wartime conditions and poverty in the South or if the mistreatment was purposeful and intended Most scholarship supports the latter point of view and for the most part the major dissenting views come from Southern writers and historians who espouse the Lost Cause There were articles of war and specific rules on how to treat prisoners on both sides but by any measurement humane treatment was all but nonexistent at Andersonville Andersonville Prison The History of the Civil War s Most Notorious Prison Camp chronicles the history of the Civil War s most infamous prison Along with pictures of important people places and events you will learn about Andersonville like never before in no time at all **Andersonville** Raymond F. Baker,1972 **To Die in Chicago** George Levy,1999 Camp Douglas was built in 1861 as a Union recruiting and training depot but by December 1864 it held over 12 000 prisoners of war many of whom died of starvation neglect cruelty pneumonia dysentery and small pox Jacket

This is likewise one of the factors by obtaining the soft documents of this **Prison Camps In The Civil War** by online. You might not require more grow old to spend to go to the book initiation as skillfully as search for them. In some cases, you likewise realize not discover the declaration Prison Camps In The Civil War that you are looking for. It will totally squander the time.

However below, next you visit this web page, it will be consequently enormously easy to acquire as capably as download lead Prison Camps In The Civil War

It will not consent many become old as we explain before. You can pull off it while deed something else at house and even in your workplace. suitably easy! So, are you question? Prison Camps In The Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prison Camps In The Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prison Camps In The Civil War has opened up a world of possibilities. Downloading Prison Camps In The Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prison Camps In The Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prison Camps In The Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prison Camps In The Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Prison Camps In The Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prison Camps In The Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prison Camps In The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prison Camps In The Civil War is one of the best book in our library for free trial. We provide copy of Prison Camps In The Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prison Camps In The Civil War. Where to download Prison Camps In The Civil War online for free? Are you looking for Prison Camps In The Civil War PDF? This is definitely going to save you time and cash in something you should think about.
