# Reelecting Lincoln The Battle For The 1864 Presidency

**Patricia B. Burnette**

## **Reelecting Lincoln The Battle For The 1864 Presidency:**

Reelecting Lincoln John Waugh, 2009-04-30 Here from the author of the acclaimed book *The Class of 1846* is the dramatic story of what may have been the most critical election campaign in American history Taking place in the midst of the Civil War the election of 1864 would determine the very future of the nation Would the country be unified or permanently divided Would slavery continue Weaving rich anecdotal material into a fast paced narrative John C Waugh places this pivotal election in its historical context while evoking its human drama The men and women who figured in this epic campaign most notably Lincoln himself emerge with all their strengths weaknesses and idiosyncrasies It s an inherently dramatic story and one that has been told before But never quite so well as by John C Waugh who brings to his task the keen eye for detail and scene setting that one would expect from a career reporter said the *Wall Street Journal* Drawing on an extensive array of sources including published and unpublished reminiscences memoirs autobiographies letters newspapers and periodicals Waugh re creates that fateful year with all the immediacy of a political reporter covering a national presidential election today

**Lincoln and Leadership** Randall M. Miller, 2012 This book examines Lincoln s leadership by assessing his decision making process and patterns in shaping military strategy political affairs and religious interests during the Civil War In doing so it shows how Lincoln defined the presidency in wartime played the role of party chief and pointed the moral compass of the nation

**The Age of Lincoln and the Art of American Power, 1848-1876** William Nester, 2014-02-01 Although Abraham Lincoln was among seven presidents who served during the tumultuous years between the end of the Mexican War and the end of the Reconstruction era history has not been kind to the others Zachary Taylor Millard Fillmore Franklin Pierce James Buchanan Andrew Johnson and Ulysses S Grant In contrast history sees Abraham Lincoln as a giant in character and deeds During his presidency he governed brilliantly developed the economy liberated four million people from slavery reunified the nation and helped enact the Homestead Act among other accomplishments He proved to be not only an outstanding commander in chief but also a skilled diplomat economist humanist educator and moralist Lincoln achieved that and more because he was a master of the art of American power He understood that the struggle for hearts and minds was the essence of politics in a democracy He asserted power mostly by appealing to people s hopes rather than their fears All along he tried to shape rather than reflect prevailing public opinions that differed from his own To that end he was brilliant at bridging the gap between progressives and conservatives by reining in the former and urging on the latter His art of power ultimately reflected his unswerving devotion to the Declaration of Independence s principles and the Constitution s institutions or as he so elegantly expressed it to a government of the people by the people and for the people

Lincoln Illuminated and Remembered William C. Harris, 2023-05-22 In *Lincoln Illuminated and Remembered* venerated Lincoln scholar William C Harris revisits neglected features of the life and presidency of Abraham Lincoln that deserve further attention In this collection of essays written with his characteristically inviting prose Harris draws on decades of scholarship

on America's most highly regarded president to provide a fresh and fuller treatment of aspects of Lincoln's political career and legacy that have not been adequately analyzed by historians or biographers. *Lincoln Illuminated and Remembered* offers new perspectives on Lincoln's leadership with particular concern for the origins and development of Lincoln's qualities as a leader. Harris offers up the events of the Mexican American War, an early and often neglected feature of Lincoln's political career as a crucible for his political identity and vision. Another essay provides a detailed account of Lincoln's support for compensated emancipation highlighted by his plan to end the Civil War and slavery. Lincoln's military leadership is also described and analyzed along with his relationship with George B. McClellan, Ulysses S. Grant, and other Civil War commanders. Harris deftly describes Lincoln's respect for the law and the Constitution and its effects on his policies regarding southern secession, political opposition in the North, and guerrilla warfare in the West and along the Canadian border. Finally, a biographical account of James Rood Doolittle, Lincoln's leading supporter in the Senate, is offered within the context of President Lincoln's relationship with Congress, the rise of the Republican Party, and the turbulent events of the Civil War and Reconstruction. As Harris argues throughout these essays, Lincoln's development as commander in chief of the armies and his skills in dealing with Congress proved essential in winning the war, ending slavery, and elevating Lincoln to the rank of America's greatest president, an honor that was unthinkable at his first inauguration.

#### **Encyclopedia of U.S.**

**Political History** Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01. Unparalleled coverage of U.S. political development through a unique chronological framework. *Encyclopedia of U.S. Political History* explores the events, policies, activities, institutions, groups, people, and movements that have created and shaped political life in the United States. With contributions from scholars in the fields of history and political science, this seven-volume set provides students, researchers, and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day. With greater coverage than any other resource, the *Encyclopedia of U.S. Political History* identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions, culture, behavior, and change. Focusing on both government and history, the *Encyclopedia* brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered. With each volume covering one of seven time periods that correspond to key eras in American history, the essays and articles in this authoritative encyclopedia focus on the following themes of political history: The three branches of government; Elections and political parties; Legal and constitutional histories; Political movements and philosophies; and key political figures. Economics; Military politics; International relations, treaties, and alliances; Regional histories. **Key Features:** Organized chronologically by political eras; Reader's guide for easy topic searching across volumes; Maps, photographs, and tables enhance the text; Signed entries by a stellar group of contributors. **VOLUME 1: Colonial Beginnings through Revolution, 1500-1783.** Volume Editor: Andrew Robertson, Herbert H. Lehman College. The colonial period witnessed the transformation of

thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism

symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered [Encyclopedia of U.S. Political History](#) Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on thefollowing themes of political history The three branches of governmentElections and political partiesLegal and constitutional historiesPolitical movements and philosophies and key political figuresEconomicsMilitary politicsInternational relations treaties and alliancesRegional historiesKey FeaturesOrganized chronologically by political erasReader s guide for easy topic searching across volumesMaps photographs and tables enhance the textSigned entries by a stellar group of contributorsVOLUME 1Colonial Beginnings through Revolution1500 1783Volume Editor Andrew Robertson Herbert H Lehman CollegeThe colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2The Early Republic1784 1840Volume Editor Michael A Morrison Purdue UniversityNo period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system [Douglass and Lincoln](#) Paul Kendrick,Stephen Kendrick,2008-01-01 Describes how two towering figures of the nineteenth century Abraham Lincoln and Federick Douglass set the groundwork in three historic meetings to abolish slavery in the United States despite their differing perspectives on the war and the institution of slavery **Lincoln and McClellan at War** Chester G. Hearn,2012-11-05 At the beginning of the Civil War President Abraham Lincoln and his highest ranking general George B McClellan agreed that the United States must preserve the Union Their differing strategies for accomplishing that goal however created constant conflict In Lincoln and McClellan at War Chester G Hearn explores this troubled relationship revealing its complexity and showing clearly why the two men both inexperienced with war eventually parted ways A staunch

Democrat who never lost his acrimony toward Republicans including the president McClellan first observed Lincoln as an attorney representing the Illinois Central Railroad and immediately disliked him This underlying bias followed thirty five year old McClellan into his role as general in chief of the Union army Lincoln a man without military training promoted McClellan on the advice of cabinet members and counted on Little Mac to whip the army into shape and end the war quickly McClellan comported himself with great confidence and won Lincoln s faith by brilliantly organizing the Army of the Potomac Later however he lost Lincoln s trust by refusing to send what he called the best army on the planet into battle The more frustrated Lincoln grew with McClellan s inaction the more Lincoln studied authoritative works on military strategy and offered strategic combat advice to the general McClellan resented the president s suggestions and habitually deflected them Ultimately Lincoln removed McClellan for what the president termed the slows According to Hearn McClellan s intransigence stemmed largely from his reluctance to fight offensively Thoroughly schooled in European defensive tactics McClellan preferred that approach to fighting the war His commander in chief on the other hand had a preference for using offensive tactics This compelling study of two important and diverse figures reveals how personality and politics prolonged the Civil War *James F. Jaquess* Patricia B. Burnette, 2013-03-29 Tall handsome and charismatic James Jaquess impressed men and charmed ladies who knew him as a preacher a college president or colonel of an Illinois regiment In 1864 he and James Gilmore talked to Jefferson Davis about terms of peace Lincoln recognized his many abilities and invited Jaquess to serve as one of his personal agents But after the Civil War ended this biography reveals Jaquess life changed for the worse He was tried in Kentucky for the death of a woman and failed as a carpetbagger in Arkansas and Mississippi Then he convinced his family and friends in Indiana and numerous residents of New York to invest in Lawrence Townley bonds and share in a fortune waiting in England This venture ended in poverty for him and a sentence in a British prison When he returned to America for his final years Jaquess still held the respect of the men of the 73rd Infantry and the affection of the women who knew him as president of their college in Jacksonville His misadventures having turned his black hair to white he still possessed the charisma that had led to his national fame **Lincoln's Northern Nemesis** Martin Gottlieb, 2021-09-09 Clement Vallandigham an Ohio opponent of the Civil War and of abolition was thrown out of the country by Abraham Lincoln because of his political views As a result of his banishment Vallandigham became a martyr to his cause and was nominated for governor by the Democratic Party in 1863 He ran the race from exile The stakes in this colorful campaign were enormous and Lincoln was highly involved worrying that a Vallandigham victory would be seen as a rejection of the war by voters That could have been devastating to the Union cause It also would likely have made Vallandigham a former congressman from Dayton a presidential prospect This book tells the story of a unique event in American history a president significantly Lincoln banishing a leading opponent with that opponent then being nominated by a major party for high office in an important state

Right here, we have countless books **Reelecting Lincoln The Battle For The 1864 Presidency** and collections to check out. We additionally offer variant types and also type of the books to browse. The pleasing book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily within reach here.
