Reflections On The Gospel Of John The Word Was Made Flesh Volume 1:

Feasting on the Gospels--John, Volume 1 Cynthia A. Jarvis, E. Elizabeth Johnson, 2015-03-19 Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached on New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels covers every single passage in the Gospels making it suitable for both lectionary and nonlectionary use Moreover these volumes incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture **The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.]** Thomas GOODWIN (D.D.), 1692 **Church History, Volume One: From Christ to the Pre-Reformation** Everett Ferguson, 2013-11-26 Church History Volume One offers a unique contextual view of how the Christian church spread and grew from its development in the days of Jesus to the years leading up to the Reformation Looking closely at the integral link between the history of the world and that of the church Church History paints a portrait of God's people within its setting of times cultures and events that both influenced and were influenced by the church FEATURES Maps charts and illustrations spanning the time from the first through the thirteenth centuries Overviews of the Roman Greek and Jewish worlds and how they developed or declined Insights into the church's relationship to the Roman Empire with glimpses into pagan attitudes toward Christians Explanations of the role of art architecture literature and philosophy both sacred and secular in the Church Details on the major theological controversies of the periods Each chapter also contains callout passages from Scripture to assist in understanding the narrative of the Church even to the present day as part of the greater narrative of the Bible AUTHOR'S PERSPECTIVE Scholar and writer Everett Ferguson wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known It's a human story of a divinely called people who wanted to live by a divine revelation It's a

story of how they succeeded and how they failed or fell short of their calling From the Apostle Paul to the apologists and martyrs of the second century to Martin Luther the historical figures detailed are people who have struggled with the meaning of the greatest event in history the coming of the Son of God and with their role in that event and in the lives of God's people Pastor John, Volume II Brian N. Tebbutt, 2022-01-28 John's Gospel can be both inspiring and bewildering This book enables insight into the Gospel in a fresh way How is it that we respond to it as we do Understanding is enhanced by studying the text and by being aware of the kind of responses we make Reading and working with it will deepen fellowship and skill in pastoral care John's text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers This book elucidates chapters five to nine of the Gospel presenting insights that involve us in the story The content derives from years of teaching John's Gospel in workshops and reflection groups in varying church contexts Guidance is given in working in this way and in how we can share our insights with each other in the light of the text This experience of John's Gospel is illuminated using recent ways of reading What the story means is conveyed in detailed Bible study It becomes real for us How this happens is explored by understanding the process of reading and by observing our reactions to the text John's Christ becomes central to who we are Jesus the Word Made Flesh, Part One Stephen J. Binz, 2011 Threshold Bible Study is a dynamic informative and inspiring way to enter into a deeper relationship with God through Scripture Each of its thirty lesson theme based books will help readers explore through the lectio divina method of reading study reflection and prayer new dimensions of their faith It will help them discover deeper insights for their lives and help open the doors of their hearts to the risen Christ Great for personal reflection as well as group study
