**Reform Judaism Today** Eugene B. Borowitz, 1978 **Reform Judaism for the Rest of Us** Alexander Maller, 2012-08-16 Reform Judaism has been tested by the spiritual torments and ideological upheavals of the last two centuries Now Reform Judaism for the Rest of Us brings into discussion key tenets and opinions that shape current thinking within the faith and introduces ideas for its future development Author Alexander Maller believes that the core message of Reform Judaism a modern faith inspired by the Jewish heritage and the Jewish and American Enlightenment is entering a new phase in its history Free from the defunct extremist ideologies of the last centuries American Reform Judaism can expand its reach into the new millennium if it strengthens its grassroots appeal to be of by and for the Reform congregants It must also have a strong Jewish divine faith orientation be open minded to the realities of modern living bear a deep love of Zion and uphold a strong defense of the Constitution The arguments brought forth in this study stem from the authors position as a lay congregant They also arise from the fact that he is a participant in and an observer of the continuous dialogue between rank and file congregants and clergy as well as among congregations and various denominations of faith Reform Judaism for the Rest of Us encourages congregants to adopt a sustainable modern deity based orientation inspired by Jewish heritage and the American spirit **Response to Modernity** Michael A.

American renewal in the 1970s      Reform Judaism Today Eugene B. Borowitz,1977      The New Reform Judaism Dana Evan Kaplan,2013-11-01 This is the book that American Jews and particularly American Reform Jews have been waiting for a clear and informed call for further reform in the Reform movement In light of profound demographic social and technological developments it has become increasingly clear that the Reform movement will need to make major changes to meet the needs of a quickly evolving American Jewish population Younger Americans in particular differ from previous generations in how they relate to organized religion often preferring to network through virtual groups or gather in informal settings of their own choosing Dana Evan Kaplan an American Reform Jew and pulpit rabbi argues that rather than focusing on the importance of loyalty to community Reform Judaism must determine how to engage the individual in a search for existential meaning It should move us toward a critical scholarly understanding of the Hebrew Bible that we may emerge with the perspectives required by a postmodern world Such a Reform Judaism can at once help us understand how the ancient world molded our most cherished religious traditions and guide us in addressing the increasingly complex social problems of our day      Reform Judaism today Eugene B. Borowitz,1977
