Refuge Of The Apocalypse:

Refuge of the Apocalypse Elizabeth Van Buren,1986-01-01 Inside the Priory of Sion Robert Howells,2012-01-01

The first book to pull back the curtain on the secrets of the Priory of Sion the ultra reclusive secret society thrust into the limelight by Dan Brown s *The Da Vinci Code* For years they have hidden in the shadows lurking behind other secret societies until now In this revelatory book inside sources from the Priory of Sion give exclusive access to some of their best kept secrets including proof of the marriage of Jesus and Mary Magdalene The reason is as sensational as the secrets themselves the apocalypse foretold in the Book of Revelation culminating in the emergence of a savior sprung from the bloodline of Christ Join Robert Howells as he traces the clues to this cataclysm in tombs temples churches manuscripts and paintings to give readers the truth they need to face the Second Coming without fear **The Mysteries of the Great Cross of**

Return to Ekeunick's Time Harold S. Shepherd, 2024-09-24 Few books published to date comprehensively analyzes how at statehood Alaska served as a leader in creating and enforcing environmental policy and how these early policies together with the emerging activism of Alaska Native communities played a part in the birth of the nationwide environmental movement The book also addresses how the powerful extraction industry subsequently shaped the management of water and subsistence resources as championed in particular by the Trump administration conservative and state politicians After a campaign led by industrial interests and the republican party to discredit the environmental movement today Democratic and tribal leaders and everyday citizen are working to limit the impacts of extraction interests At the same time Alaska Tribes are boosting the role of traditional knowledge rights of the river and tribal self determination movements in protecting water and subsistence resources

Heaven Upon Earth Jeffrey K. Jue, 2006-02-28 This book contributes to the ongoing revision of early modern British history by examining the apocalyptic tradition through the life and writings of Joseph Mede 1586-1638 The history of the British apocalyptic tradition has yet to undergo a thorough revision Past studies followed a historiographical paradigm which associated millenarianism with a revolutionary agenda A careful study of Joseph Mede one of the key individuals responsible for the rebirth of millenarianism in England suggests a different picture of seventeenth century apocalypticism The roots of Mede's apocalyptic thought are not found in extreme activism but in the detailed study of the Apocalypse with the aid of ancient Christian and Jewish sources Mede's legacy illustrates the geographical prevalence and long term sustainability of his interpretations This volume shows that the continual discussion of millenarian ideas reveals a vibrant tradition that cannot be reconstructed to fit within one simple historiographical narrative

New Religious Movements in the Twenty-First Century Phillip Charles Lucas, Thomas Robbins, 2004-06-01 New Religious Movements in the 21st Century is the first volume to examine the urgent and important issues facing new religions in their political legal and religious contexts in global perspective With essays from prominent NRM scholars and usefully organized into four regional areas covering Western Europe Asia Africa and Australia Russia and Eastern Europe and North and South America as well as a concluding section on the major themes of globalization and terrorist violence this book provides invaluable insight into the challenges facing religion in the twenty first century An introduction by Tom Robbins provides an overview of the major issues and themes discussed in the book

Revelation William C. Weinrich, Thomas C. Oden, 2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation

Nexus of Global Jihad Assaf Moghadam, 2017-05-30 Leading jihadist groups

such as al Qaeda and the Islamic State dominate through cooperation in the form of knowledge sharing resource sharing joint training exercises and operational collaboration They build alliances and lesser partnerships with other formal and informal terrorist actors to recruit foreign fighters and spread their message worldwide raising the aggregate threat level for their declared enemies Whether they consist of friends or foes whether they are connected locally or online these networks create a wellspring of support for jihadist organizations that may fluctuate in strength or change in character but never runs dry Nexus of Global Jihad identifies types of terrorist actors the nature of their partnerships and the environments in which they prosper to explain global jihadist terrorism s ongoing success and resilience Nexus of Global Jihad brings to light an emerging style of networked cooperation that works alongside interorganizational terrorist cooperation to establish bonds of varying depth and endurance Case studies use recently declassified materials to illuminate al Qaeda s dealings from Iran to the Arabian Peninsula and the informal actors that power the Sharia4 movement The book proposes policies that increase intelligence gathering on informal terrorist actors constrain enabling environments and disrupt terrorist networks according to different types of cooperation It is a vital text for strategists and scholars struggling to understand a growing spectrum of terrorist groups working together more effectively than ever before

The Bloomsbury Handbook of Apocalypticism and Millennialism Tristan Sturm, Andrew Crome, 2025-10-16 In an age shadowed by pandemics climate catastrophe authoritarian resurgence and existential technological threats The Bloomsbury Handbook of Apocalypticism and Millennialism offers a timely and indispensable exploration of how societies make sense of their Ends and their hoped for new beginnings This ground breaking volume gathers leading scholars to trace the evolution meanings and enduring potency of apocalyptic and millennial ideas across religious secular and cultural landscapes From ancient revelatory texts to contemporary political movements and popular culture the book dissects how these concepts function not just as prophecies of doom but as frameworks for resistance renewal and transformation Through meticulous historical analysis and bold theoretical interventions the contributors interrogate core debates from the distinctions between apocalypticism and millennialism to their radical entanglements with justice space temporality and morality This volume dismantles simplistic portrayals of End Times thinking revealing instead its nuanced world shaping logic Whether manifest in religious movements or global politics apocalypse is no longer a marginal concern it is the defining hermeneutic of our times Scholarly provocative and urgent this Handbook is essential reading for researchers students and anyone seeking to understand how humanity envisions and enacts its endings and potentially new beginnings

From Hanoi to Hollywood Linda Dittmar,Gene Michaud,1990 This volume is about power It is about the power to make war and to destroy lives It is also about another kind of power the power to make images that may distort displace and destroy knowledge of the times in which those lives were lived Many of the nineteen essays gathered in this volume are about the interrelationships between these two types of power They demonstrate as well yet another type of power the power of critical thinking to challenge dangerous myths and to confront prevailing ideologies The title of this anthology calls attention to the process whereby aspects of the Vietnam War have been appropriated by the American cultural industry Probing the large body of emotion laden controversial films *From Hanoi to Hollywood* is concerned with the retelling of history and the retrospection that such a process involves In this anthology an awareness of film as a cultural artifact that molds beliefs and guides action is emphasized an awareness that the contributors bring to a variety of films Their essays span over one hundred documentary and fiction films and include in depth analyses of major commercial films ranging from *Apocalypse Now* to *Platoon* *Rambo* *First Blood Part II* and *Full Metal Jacket* and documentaries from *In the Year of the Pig* to *Dear America* *Letters Home from Vietnam* The essays in this volume deal with representations of the Vietnam war in documentary film and television reporting examining the ways the power of film is used to deliver political messages There are surprises here new readings and important insights on the ways we as a society have attempted to come to terms with the experiences of the Vietnam era The book also contains two appendixes a detailed chronology charting the relationship between major historical events and the release of American war films from 1954 through 1988 and a filmography listing information on over four hundred American and foreign films about the Vietnam War **The Seven Last Things** David J. MacLeod,2020-10-22 Revelation 19 21 is the New Testament s classic passage on the return of Christ a passage that has sometimes been called the last things In it the apostle John sets forth seven major motifs of biblical eschatology **This World and the World to Come** Daniel M. Gurtner,2011-10-27 This is a distinguished list of contributors consider the issue

of soteriology in Second Temple literature Did authors of Second Temple texts concern themselves with salvation If so on what terms What does one need salvation from And are the parameters of who is included in or excluded from salvation defined Gurtner's vision in compiling this collection is to collect contributions on a single topic as it is addressed in individual books from the Second Temple period Working from a sound methodological basis the contributors assess the theme in different books acknowledging that the approaches in each text are different depending on issues of genre and provenance This allows an acute comparison of how this topic is present across a myriad of Second Temple Jewish texts Throughout the course of the work the notion of soteriology is very broadly conceived Whilst acknowledging the obviously Christian connotation of the term soteriology the volume similarly acknowledges the usefulness of the term as an heuristic category for careful analysis The Library of Second Temple Studies is a premier book series that offers cutting edge work for a readership of scholars teachers postgraduate students and advanced undergraduates in the field of Second Temple studies All the many and diverse aspects of Second Temple study are represented and promoted including innovative work from historical perspectives studies using social scientific and literary theory and developing theological cultural and contextual approaches
