RETREAT, HELL! We Just Got Here!

The American Expeditionary Force in France 1917-1918

MARTIN MARIX EVANS

The book cover features a composite image. The top half shows a dark, muddy battlefield with soldiers and a large artillery wheel against a background of a yellow map. The bottom half shows a misty, dark forest with soldiers in the foreground.

Retreat Hell We Just Got Here The American Expeditionary Force In France 1917-1918

Clyde Cremer

Retreat Hell We Just Got Here The American Expeditionary Force In France 1917-1918:

The Hundred Days Offensive Andrew Langley, 2009 Four years into World War I millions of soldiers had died or been badly wounded and neither side could gain a clear advantage in the bloody conflict In August 1918 one year after the United States entered the war Allied troops launched an attack near Amiens France It was the first of many Allied offensives that would take place all along the Western Front during the next 100 days These small but significant attacks helped the Allies gain the advantage and usher in the end of the war

The Life and Times of a World War I Soldier Clyde Cremer, 2014-04-03 Julius Holthaus a humble American farm boy went to France to help fill the depleted ranks of the Allies in America's largest battle of World War I the Meuse Argonne Offensive He had no idea what he was getting into The fight would involve more than a million American doughboys span forty seven days and result in the deaths of tens of thousands of people in one of the bloodiest battle in American military history Countless books focus on great military leaders war heroes and battle tactics but one must look at war on a human scale to truly understand its toll That understanding comes through examining the life and diary of Holthaus Author Clyde Cremer explores them in detail supplementing the diary's information with the insights he gleaned during six years of research This history follows a single soldier from rural Idaho and Iowa through his enlistment training and final trauma in the dark disenchanted forest of the Argonne Filled with facts and historical anecdotes this could be the story of many of the members of the American Expeditionary Forces sent overseas in World War I Their names are not listed in the history books but they all answered their country's call and should be remembered

World War I Sheet Music Bernard S. Parker, 2006-10-31 This comprehensive listing catalogs the patriotic sheet music of World War I The introductory text covers the sheet music publishing business of the time and describes how the music messages often paralleled Woodrow Wilson's policies Nearly 10 000 songs are included with complete bibliographical data title authors of the lyrics and music when available value based on auction prices and collector knowledge publisher folio size and cover description Each entry in the catalog is assigned a letter and number for easy identification in the indexes The letter is the first letter of the title of the song and the number is its place in that alphabetical list Titles are arranged alphabetically Included are 613 photos of outstanding sheet music covers

Borrowed Soldiers Mitchell A. Yockelson, 2014-10-20 The combined British Expeditionary Force and American II Corps successfully pierced the Hindenburg Line during the Hundred Days Campaign of World War I an offensive that hastened the war's end Yet despite the importance of this effort the training and operation of II Corps has received scant attention from historians Mitchell A Yockelson delivers a comprehensive study of the first time American and British soldiers fought together as a coalition force more than twenty years before D Day He follows the two divisions that constituted II Corps the 27th and 30th from the training camps of South Carolina to the bloody battlefields of Europe Despite cultural differences General Pershing's misgivings and the contrast between American eagerness and British exhaustion the untested Yanks benefited from the

experience of battle toughened Tommies Their combined forces contributed much to the Allied victory Yockelson plumbs new archival sources including letters and diaries of American Australian and British soldiers to examine how two forces of differing organization and attitude merged command relationships and operations Emphasizing tactical cooperation and training he details II Corps performance in Flanders during the Ypres Lys offensive the assault on the Hindenburg Line and the decisive battle of the Selle Featuring thirty nine evocative photographs and nine maps this account shows how the British and American military relationship evolved both strategically and politically A case study of coalition warfare Borrowed Soldiers adds significantly to our understanding of the Great War **The German Offensives of 1918** Ian

Passingham,2008-09-22 The author of All the Kaiser's Men provides a very helpful reference to the battles which finally led to the German Army's defeat in the field The Western Front Association Few pivotal years in history are less understood than that of 1918 It was a momentous period which began with Germany's desperate gamble to win the Great War through a sequence of offensives on the Western Front Ian Passingham's graphic new study draws on a wide range of original German British and French sources and it features previously unpublished eyewitness accounts and photographs He boldly reassesses German military doctrine the strategic thinking behind the offensives and the effectiveness of the stormtroop tactics used He also considers how the poor state of German military morale and the privations and unrest of the German people contributed to the army's defeat **All the Kaiser's Men** Ian Passingham,2011-10-21 Convinced that both God and the Kaiser were on their side the officers and men of the German Army went to war in 1914 confident that they were destined for a swift and crushing victory in the West The vaunted Schlieffen Plan on which the anticipated German victory was based expected triumph in the West to be followed by an equally decisive success on the Eastern Front It was not to be From the winter of 1914 until the early months of 1918 the struggle on the Western Front was characterised by trench warfare But our perception of the conflict takes little or no account of the realities of life across the wire in the German trenches This book redresses that imbalance and reminds us how similar these young German men were to our own Tommies Drawing from diaries and letters Ian Passingham charts the hopes and despair of the German soldiers filling an important gap in the history of the Western Front **Forty-Seven Days** Mitchell Yockelson,2016-03 The Battle of the Meuse Argonne was the deadliest clash in American history More than a million untested American soldiers went up against a better trained and more experienced German Army costing over 26 000 deaths and nearly a hundred thousand wounded In Forty Seven Days

historian Mitchell Yockelson tells how General John J Black Jack Pershing's exemplary leadership led to the unlikely of victories **1918** Martin Marix Evans,2002-10-16 At the outset of 1918 Germany faced certain defeat as a result of Allied technical innovation in tanks and aircraft and the American entry into the war Victory could only be gained by the immediate application of overwhelming force in new tactical form the fire waltz artillery barrage and the storm trooper infantry attack 1918 examines both the Germans tactics and the Allies preferred solution to fighting this war the combination of artillery

tanks infantry and aircraft and argues that this reached a level of sophistication in command and control never before achieved The war of attrition was far from over but as more Americans arrived in France the ghastly cost became affordable For the Germans it became a question of whether they could negotiate an armistice before their armies were utterly destroyed

The United States in World War I James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich's bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history

Somme 1914-18 Martin Marix Evans, 2011-11-30 The Somme is a name with particular resonance for the people of Britain for here in 1916 the flower of her youth was cut down Terrible though that day was it takes its place in a wider story the long painful process of learning how to fight a new kind of war From the war movement of 1914 when the French fought on the fields of the Somme the conflict evolved to massive frontal assaults by the British and Allied troops in 1916 Here the first tank was first used in September 1916 Increasing sophistication in the terrifying use of artillery by the Germans broke the Allied lines in March 1918 Allied use of this same technology was then combined with other arms to create the fighting complex that inflicted the Black Day on the German army in August and smashed the Hindenberg Line in September Thus the British Australian Canadian American and French forces defeated the German Army in the field at last This book reveals how the Somme was the bloody classroom in which this new art of war was studied and it tells the story of the men who paid the price for this knowledge with their own blood

World War II Trucks and Tanks John Norris, 2012-09-01 Many thousands of different types of vehicles were used by the armies during the Second World War for various roles including the fighting vehicles such as armoured cars and tanks Today these are very popular with enthusiasts who restore these historic vehicles to their pristine state and attend specialist gatherings around the UK Europe and the USA This book explores original and reconstructed military vehicles from British US Russian Italian and German forces using stunning colour photographs It also provides a detailed history of each vehicle's development and use in the war plus a wealth of technical information and rare internal shots The range of vehicles includes

trucks ambulances half tracks motorcycles bulldozers armoured cars and of course the impressive range of tanks from tankettes to the fearsome German Tiger Some vehicles are so rare that examples have been recreated using designs of the era and together with the original vehicles their fascinating wartime experiences are revealed From the Moto Guzzi tricycle to the Schwimmwagen the T 34 to the Austin ambulance this is the perfect book for recreating restoring and exploring the history of these classic military vehicles

Logistics in World War II, 1939-1943 John Norris,2020-04-30 A history of the Second World War with a focus on supply transport and other crucial operations includes photos Logistics though less dramatic or glamorous than other aspects of war nevertheless play a decisive role in the outcome of campaigns and battles This book focuses on the role of logistics in World War II marshaling some astounding facts and figures to convey the sheer scale of the task all belligerents faced to equip vast forces and supply them in the field Military historian John Norris also draws on firsthand accounts to illustrate what this meant for the men and women in the logistics chain and those depending on it at the sharp end Many of the vehicles from supply trucks to pack mules and other relevant hardware are discussed and illustrated with numerous photographs Numerous topics are covered for example how Hitler s panzer divisions were kept rolling in the Blitzkrieg a German division in 1940 still had around five thousand horses requiring hundreds of tons of fodder and the British army s disastrous loss of equipment at Dunkirk This is a fascinating and valuable study of a neglected aspect of World War II

Logistics in World War II John Norris,2020-04-30 John Norris shows how logistics though less glamorous than details of the fighting itself played a decisive role in the outcome of every campaign and battle of World War Two The author marshals some astounding facts and figures to convey the sheer scale of the task all belligerents faced to equip vast forces and supply them in the field He also draws on first hand accounts to illustrate what this meant for the men and women in the logistics chain and those depending on it at the sharp end Many of the vehicles from supply trucks to pack mules and other relevant hardware are discussed and illustrated with numerous photographs This first volume of two looks at the early years of the war so we see for example how Hitlers panzer divisions were kept rolling in the Blitzkrieg a German division in 1940 still had around 5000 horses requiring hundreds of tonnes of fodder and the British armys disastrous loss of equipment at Dunkirk This is a fascinating and valuable study of a neglected aspect of World War Two

Battle History of the United States Marine Corps, 1775-1945 George B. Clark,2014-01-10 Designed as a reference work for those interested in the combat history of the U S Marine Corps this book describes the engagements from the formation of the Continental Marines to the Corps great exercise at the Battle of Okinawa Organized chronologically the individual skirmishes illustrate how each of the Marine Corps engagements contributed to the formation and evolution of the United States Persons and divisions of note are mentioned including key players commanders and medal recipients

Victory on the Western Front Martin Marix Evans,2013-10-09 Presenting the Allied and German experience of war both military and on a personal level Victory on the Western Front is an immensely readable visually striking account of the pivotal final stages of World War I

when two very different concepts went head to head on the battlefield The Germans gambled on winning on the Western Front through the sophisticated use of artillery and new infantry tactics whereas the Allies calculated that victory lay in the application of a balanced combination of infantry artillery AFVs and aircraft The efforts of both sides were dogged by error misunderstanding uncertainty and mistrust This fully illustrated book is the story of the search for victory on both sides of the lines and of the valour and steadfastness of the fighting men tasked with delivering it *100 Maps* John O. E. Clark, 2005 Presents a chronological overview of the history of cartography from the earliest maps of prehistory to the engraved maps of the seventeenth century and beyond Includes illustrations *Air Power History*, 1999 **The 5th Marine Regiment Devil Dogs in World War I** Michael A. Eggleston, 2016-04-20 More than 8 000 men served in the Fifth Marine Regiment during World War I and the occupation of Germany Marine units were among the first to arrive in war torn Europe in 1917 and they sustained greater casualties than other American units This book tells the story of the Devil Dogs in World War I and the years after through the recollections of veterans recorded over the past century The influenza epidemic that raged during the war is discussed An annotated roster of the regiment lists each Marine with service details provided where known [The United States Army, A Historical Dictionary](#) Clayton R. Newell, 2002-11-11 Covering individuals campaigns battles terms and events that have significance for the history of the U S Army Newell a former lieutenant colonel with the U S Army provides a historical chronology and a dictionary with entries covering everything from General Creighton Abrams to the battle of the Zapote River in the Philippines Appendices list commanding generals and chiefs of staff secretaries of war and of the army sergeants major campaigns and U S Army casualties by war U S Army rank insignias are also reproduced Annotation copyrighted by Book News Inc Portland OR **Battles of World War I** Martin Marix Evans, 2004

Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 Introduction

In today's digital age, the availability of Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 books and manuals for download and embark on your journey of knowledge?

FAQs About Retreat Hell We Just Got Here The American Expeditionary Force In France 19171918 Books
