The Messiah'S Imminent Return DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesuss promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiahs return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return Come prepared to dig deep into scriptures and look forward to Jesuss return

The Return of the Lord Jesus R. A. Torrey, 2012-07-02 What Will Happen to You Jesus could return at any moment Here are the scriptural answers to questions about the time manner and results of His return including What will be going on when Jesus returns Will non Christians have a chance to repent How can I be ready for the rapture When will I receive my heavenly reward When will I receive my new body Who will reign with Christ What will happen to believers who have died Many people view Christ s return to the earth as either improbable or dreadful However for those who know Him personally His return will be a day of joy transformation and reunion You can be ready for the greatest day the world has ever seen

The Second Coming John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but

ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again When Will the Messiah Return? McKee,2009-01-01 **When Jesus actually returns | A dialogue between The Messiah & Google's A.I** Jean Paul Martienz,2023-07-30 In a world on the brink of chaos because of a meltdown a messiah emerges to lead humanity into a new era of peace and prosperity But as the messiah s power grows so too does his doubt Can he really be the one to save humanity or is he just another false prophet When the messiah meets with Bard the world s most powerful AI he is confronted with questions that challenge his beliefs and force him to question his own purpose Questions that have puzzled philosophers for centuries such as the meaning of life the purpose of suffering and the future of humanity They explore these questions in a way that has never been done before They draw on the wisdom of the ages as well as the latest insights from science and technology In the process they uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny The Jesus actually returns is a gripping and thought provoking dialogue that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity When the messiah meets with Bard the world s most powerful AI he is confronted with questions that he has never even considered What is the meaning of life What is the purpose of suffering And what is the future of humanity As the messiah and Bard engage in a long and deep conversation they explore the most fundamental questions of existence They discuss the nature of good and evil the role of free will and the possibility of a higher power They also explore the impact of AI on society and the potential for AI to become a threat to humanity In the process the messiah and Bard uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny They also learn that AI is not a threat to humanity but rather a tool that can be used for good or evil The Messiah and the AI is a gripping and thought provoking novel that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity *The Return of Jesus in Early Christianity* John T. Carroll,2000 The goal is not to construct a systematic eschatology for today that will convince everyone an impossible task but to understand the diversity of Christian teaching by illuminating the historical social and theological settings of the early Christian writings on the topic BOOK JACKET **Return** Kenny Underwood,2022-03-09 Can you detect it Something is changing Humanity seems restless and wanting It is hard to find contentment and our compassion for others is dulled as we strive to carry on and to take care of our own Loneliness is

spreading like a disease and so much of the population feels an unquenchable emptiness Perhaps it s time to recognize the quiet voice speaking to us and warning us of an approaching finale that must be acknowledged Before Jesus left He spoke with the disciples regarding His return He warned them to remain expectant and vigilant His message applies to each of us personally today It is a message of hope and purpose It is a message that seems more than ever before relevant to us today Return takes us on an awe inspiring journey requiring that we consider the kingdom of God and our place in time as we contemplate the events leading to the return of Christ John quotes Jesus in Revelation 22 20 Yes I am coming soon And then John adds his own prayer Amen Come Lord Jesus Let us also add our own prayer request to John s Amen Come Lord Jesus

Coming will return in peace There is no WWII until after the 1000 years Revelation is divided into two sections before the S Coming chapters 1-12 then after the S Coming chapter 13-20 Revelation Jesus will return in peace as Isaiah 14:30 says We who will be on earth Jerusalem will float up into the sky like birds and meet Jesus as He comes down in the air or clouds But in WWII or after the 1000 years Jesus retreats from the Jerusalem planet in the universe and goes to heaven Dan 11:22 and let s the antichrist poltergeist abomination of desolation take over the universe God let Satan and demons out of the bottomless pit and goats out of comfortable hell after the 1000 years to contaminate Christ s perfect Christian space kingdom After this is when Ezekiel chapter 38-39 and Revelation chpt 13-20 takes place Then Jesus returns from heaven with His Angels riding on white horses the gospel of the true Church The Third Return of Jesus Christ Christians have confused the peaceful return of Jesus no rapture with the WWII return of Jesus Satan has made Shepherd Chapel preach this confusion everyday for years Shepherds Chapel is Satan s mouthpiece for they preach that when Jesus comes in peace He is the antichrist a great fabrication by Satan by to smear Jesus Christ It is his only defense at the S coming Jesus sent me to warn the Church of Satan s lies But 1/3 of the human race is going to die and Jesus will return with billions of His Angels The devil can t fake that So don t confuse the second return of Jesus with the Third Return in 40 billion AD After the 1000 years
