Kenneth A. Lohf

Return To Oasis War Poems And Recollections From The Middle East 1940 1946:

Return to Oasis Victor Selwyn, 1980-01-01 **The Poetry of the Forties** A. Trevor Tolley, 1985 War Poetry Simon Featherstone, 1995 A major anthology combined with substantial introductory material **Poetry of the Second World War** Tim Kendall, 2024-09-25 The Second World War is now recognized as a watershed for British poetry The changes that arose were masked for some time by the enormous power and shock of the conflict itself and by the restrictions on poetry publishing consequent on paper rationing and the general business of wartime This anthology seeks to showcase not only the harrowingly beautiful poetry born from the conflict but also the radical changes to style and form that came from the epoch and altered the face of British poetry Featuring generous selections of famous poets including Dylan Thomas T S Eliot and W H Auden alongside works by civilians and soldiers the collection offers a symphony of different voices all connected in their shared experience of the Second World War Tim Kendall s introduction charts the history of the war poets reception explaining their relationship with their First World War predecessors and some of the reasons why they have never managed to reach such a wide audience The work of each poet is prefaced with a biographical account which allows poems to be read in their historical context and every poem is annotated with date of composition publication history and a gloss of words and allusions *The Oxford Handbook of British and Irish War Poetry* Tim Kendall, 2007-02-22 Thirty seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come **Poetry as Testimony** Antony Rowland, 2014-03-26 This book analyzes Holocaust poetry war poetry working class poetry and 9 11 poetry as forms of testimony Rowland argues that testamentary poetry requires a different approach to traditional ways of dealing with poems due to the pressure of the metatext the original traumatic events the poems demands for the hyper attentiveness of the reader and a paradox of identification that often draws the reader towards identifying with the poet s experience but then reminds them of its sublimity He engages with the work of a diverse range of twentieth century authors and across the literature of several countries even uncovering new archival material The study ends with an analysis of the poetry of 9 11 engaging with the idea that it typifies a new era of testimony where global secondary witnesses react to a proliferation of media images This book ranges across the literature of several countries cultures and historical events in order to stress the large variety of contexts in which poetry has

functioned productively as a form of testimony and to note the importance of the availability of translations to the formation of literary canons

Wartime Paul Fussell, 1990-10-25 Winner of both the National Book Award for Arts and Letters and the National Book Critics Circle Award for Criticism Paul Fussell's *The Great War and Modern Memory* was one of the most original and gripping volumes ever written about the First World War Frank Kermode in *The New York Times Book Review* hailed it as an important contribution to our understanding of how we came to make World War I part of our minds and Lionel Trilling called it simply one of the most deeply moving books I have read in a long time In its panoramic scope and poetic intensity it illuminated a war that changed a generation and revolutionized the way we see the world Now in *Wartime* Fussell turns to the Second World War the conflict he himself fought in to weave a narrative that is both more intensely personal and more wide ranging Whereas his former book focused primarily on literary figures on the image of the Great War in literature here Fussell examines the immediate impact of the war on common soldiers and civilians He describes the psychological and emotional atmosphere of World War II He analyzes the euphemisms people needed to deal with unacceptable reality the early belief for instance that the war could be won by precision bombing that is by long distance he describes the abnormally intense frustration of desire and some of the means by which desire was satisfied and most important he emphasizes the damage the war did to intellect discrimination honesty individuality complexity ambiguity and wit Of course no Fussell book would be complete without some serious discussion of the literature of the time He examines for instance how the great privations of wartime when oranges would be raffled off as valued prizes resulted in roccoco prose styles that dwelt longingly on lavish dinners and how the high mindedness of the era and the almost pathological need to accentuate the positive led to the downfall of the acerbic H L Mencken and the ascent of E B White He also offers astute commentary on Edmund Wilson's argument with Archibald MacLeish Cyril Connolly's *Horizon* magazine the war poetry of Randall Jarrell and Louis Simpson and many other aspects of the wartime literary world Fussell conveys the essence of that wartime as no other writer before him For the past fifty years the Allied War has been sanitized and romanticized almost beyond recognition by the sentimental the loony patriotic the ignorant and the bloodthirsty Americans he says have never understood what the Second World War was really like In this stunning volume he offers such an understanding

A Muse of Fire Arnold D. Harvey, 1998-01-01 This is the first book to relate to the literature and art of the First World War to the literature and art produced by the Second World War and by earlier wars *A Muse of Fire* is also the first serious attempt to examine the whole range of war poetry and war fiction in English in its relation to the work of German French Italian and to a lesser extent Russian Danish and Hungarian authors Before 1914 few authors wrote about or experienced war War especially its reality was not the proper subject of literature while writers seldom served in the armed forces and were almost never in battle More than half this book deals with the First World War In successive chapters A D Harvey discusses what sort of people in what sort of physical and psychological conditions wrote about the war or painted it how they handled the

challenge of describing their experiences with complete honesty what literary and artistic techniques they employed how other forms of creative talent were fostered by the war and how far memoirs of the war prepared the way for the next one The account given of the Second World War in the final section like the chapters on pre 1914 war literature provides far more than simply an introduction and conclusion to the central part of the book It is an important contribution to an understanding of how literature and art relate to the psychological and social structures of the communities within which they are produced This is the first book to relate to the literature and art of the First World War to the literature and art produced by the Second World War and by earlier wars A Muse of Fire is also the first serious attempt to examine the whole range of war poetry and war fiction in English in its relation to the work of German French Italian and to a lesser extent Russian Danish and Hungarian authors Before 1914 few authors wrote about or experienced war War especially its reality was not the proper subject of literature while writers seldom served in the armed forces and were almost never in battle More than half this book deals with the First World War In successive chapters A D Harvey discusses what sort of people in what sort of physical and psychological conditions wrote about the war or painted it how they handled the challenge of describing their experiences with complete honesty what literary and artistic techniques they employed how other forms of creative talent were fostered by the war and how far memoirs of the war prepared the way for the next one The account given of the Second World War in the final section like the chapters on pre 1914 war literature provides far more than simply an introduction and conclusion to the central part of the book It is an important contribution to an understanding of how literature and art relate to the psychological and social structures of the communities within which they are produced

Many Histories Deep Roger Bowen,1995 Fraser and the Greek exiles George Seferis and Elie Papadimitriou **A New Way of Seeing** Michael Sarnowski,2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet s proximity to combat as the chapters in turn focus on an infantryman Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences A New Way of Seeing offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans **Lawrence Durrell's Poetry** Isabelle Keller-Privat,2019-04-25 This book offers the

first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973. Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional drawing links to his novels and residence books which he kept writing at the same time. Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T. S. Eliot, Michael Fraenkel, Henry Miller and David Gascoyne. Simultaneously this book shows why Durrell must also be read as the heir to the greatest English romantic poets Byron, Shelley, Keats and Wordsworth as well as to the French symbolists and modernists from Baudelaire to Nerval, Valéry and Cendrars. This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship. The symbolic patterns, the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry, the fictional and the lyrical, the descriptive and the abstract. Poetry excerpts, extracts from his residence books, novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who although never at home with the world he lived in strove to create a life world what semiologists call the *Umwelt*. *Voice of the People* Corey Gibson, 2015-06-16

Examining Hamish Henderson's search for the radical voice of the people in modern Scotland. How might the alienation of the artist in modern Scotland be overcome? How do you incite a popular folk revival? Can a poet truly speak with the voice of the people? And what happens to the writer who rejects print culture in favour of becoming anonymous? The life and times of polymath scholar, author and folk hero Hamish Henderson 1919-2002 poses and helps us to answer these questions. This book examines his life-long commitment to finding a form of artistic expression suitable for post-war Europe. Though Henderson is a major figure in Scottish cultural history, his reputation is largely maintained through anecdotes and radical folk songs. This study explores his ideas in their intellectual, cultural and political contexts. It describes how all of his works in war poetry, song collection, folklore scholarship, folksong revivalism, literary translation and vicious public debates reflect this desire to see the artist fully reintegrated in society. Key Features: Reclaims Hamish Henderson from the marginalia of Scottish literary history. Provides a hitherto unexplored perspective on twentieth century Scottish cultural history. Situates Scottish literary and cultural debates in the broader context of intellectual and cultural developments in twentieth century Europe and the US. Directly tackles the question of national identity in twentieth century Scotland. **A Time of Tyrants** Trevor Royle, 2011-10-04 Trevor Royle examines Scotland's role in the Second World War from a wide range of perspectives. The country's geographical position gave it great strategic importance for importing war materiel and reinforcements for conducting naval and aerial operations against the enemy and for training regular and specialist SOE and commando forces. Scotland also became a social melting pot with the arrival of Polish and eastern European refugees whose presence added to the communal mix and assisted post-war reconstruction. In addition to the important military aspects, the

exploits of the Army's renowned 15th Scottish and 51st Highland Divisions in Europe and North Africa and the role played by the RAF and the Royal Navy from Scottish bases. Scotland was also hugely important as an industrial power house and the nation's larder. The war also had a huge impact on politics with national centralization achieved through the creation of the Scottish Office and the Scottish Grand Committee. With the emergence of the post-war Labour government and the welfare state, nationalism went into decline and the dominance of socialism, especially in the west, paved the way for the command politics which dominated Scotland for the rest of the century. Based on previously unseen archives in the Scottish Record Office, *A Time of Tyrants* is the first comprehensive history of the unique part played by Scotland and the Scots in the global war to defeat Nazi Germany and Imperial Japan. *Cairo in the War* Artemis Cooper, 2013-10-24 For troops in the desert, Cairo meant fleshpots or brass hats. For well-connected officers, it meant polo at the Gezira Club and drinks at Shepherd's. For the irregular warriors, Cairo was a city to throw legendary parties before the next mission behind enemy lines. For countless refugees, it was a stopping place in the long struggle home. The political scene was dominated by the British Ambassador Sir Miles Lampson. In February 1942, he surrounded the Abdin Palace with tanks and attempted to depose King Farouk. Five months later, it looked as if the British would be thrown out of Egypt for good. Rommel's forces were only sixty miles from Alexandria, but the Germans were pushed back and Cairo life went on. Meanwhile, in the Egyptian Army, a handful of young officers were thinking dangerous thoughts. *Greece Between East and West* Richard Pine, 2023-03-29 *Greece Between East and West* looks at the central geopolitical situation of Greece and its pivotal role in the Balkans and the Levant. The trend towards modernisation and westernisation is examined in the light of traditional values in culture, language, history and politics, which reflect Greece's eastern legacy and the continuing presence of that legacy in contemporary society. It features original creative writing, an interview with a leading film maker, provocative accounts of political and cultural agitation on the Aegean islands, aspects of Greek music and drama, plus historical accounts of Greek cities like Smyrna, Izmir and Alexandria, and the new phenomenon of China's re-creation of the historic Silk Road. Additionally, *Greece Between East and West* features a Foreword by Roderick Beaton, one of the most distinguished scholars and commentators on Greek history and social affairs, and current Chair of the British School at Athens. *Levant* Philip Mansel, 2011-05-24 Not so long ago, in certain cities on the shores of the eastern Mediterranean, Muslims, Christians and Jews lived and flourished side by side. What can the histories of these cities tell us? *Levant* is a book of cities. It describes three former centers of great wealth, pleasure and freedom: Smyrna, Alexandria and Beirut, cities of the Levant region along the eastern coast of the Mediterranean. In these key ports, at the crossroads of East and West, against all expectations, cosmopolitanism and nationalism flourished simultaneously. People freely switched identities and languages, released from the prisons of religion and nationality. Muslims, Christians and Jews lived and worshipped as neighbors. Distinguished historian Philip Mansel is the first to recount the colorful, contradictory histories of Smyrna, Alexandria and Beirut in the modern age. He begins in the early days of the French

alliance with the Ottoman Empire in the sixteenth century and continues through the cities mid twentieth century fates Smyrna burned Alexandria Egyptianized Beirut lacerated by civil war Mansel looks back to discern what these remarkable Levantine cities were like how they differed from other cities why they shone forth as cultural beacons He also embarks on a quest to discover whether as often claimed these cities were truly cosmopolitan possessing the elixir of coexistence between Muslims Christians and Jews for which the world yearns Or below the glittering surface were they volcanoes waiting to erupt as the catastrophes of the twentieth century suggest In the pages of the past Mansel finds important messages for the fractured world of today

Poets in a War Kenneth A. Lohf, 1995 The exhibition Poets in a War was held at the Grolier Club from December 6 1995 to February 17 1996 This book contains numerous pages devoted to stories and poetry written by English soldiers during World War II both at home and on the battlefields It includes a color frontispiece and 43 illustrations in black and white It was designed by Martino Mardersteig and printed by the Stamperia Valdonega in Verona Italy

Return To Oasis War Poems And Recollections From The Middle East 1940 1946 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Return To Oasis War Poems And Recollections From The Middle East 1940 1946 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Return To Oasis War Poems

And Recollections From The Middle East 1940 1946 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Return To Oasis War Poems And Recollections From The Middle East 1940 1946 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Return To Oasis War Poems And Recollections From The Middle East 1940 1946. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Return To Oasis War Poems And Recollections From The Middle East 1940 1946 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Return To Oasis War Poems And Recollections From The Middle East 1940 1946 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
