Return to the Abode of Love David Herbert Watkins Grubb,1981 *The Memory of Rooms* David Herbert Watkins Grubb,2001 Poetry THE MEMORY OF ROOMS provides journey of challenging enterprise constant energy quest and renewal as it engages with the gently autobiographical deeply disturbing conflicts tests of religious faith and ghosts of the soul Grubb's landscape is crowded and often hectic the real and the unreal often merge The poems have the clarity of a glass of water And they shine with a light which is unmistakably human love Not sentimentality but real love practical love Love without which art stumbles in the darkness His poems will move you delight you and sometimes shake you He is one of our finest writers Adrian Mitchell *Return to Me, My Love* John P. Schwulst,2010-05 Return to Me My Love is an in depth look at the end times prophecies concerning the Jews and Israel as seen through the eyes of St John the Revelator Most books on the Revelation attempt to interpret what John was trying to say but contend that he couldn't find the correct words to describe the visions he was given Such interpretations are not very helpful in the understanding the Revelation or the entire panoply of end times prophecy for that matter The Revelation defines and explains each of the terms it uses if the reader will carefully consider John's words in light of all the prophecies of the Old and New Testaments taken together as a whole This book does exactly that It is a literal approach to the study of Prophecy Over 500 pages of additional research materials are available on line to prove what is contained in the book In Return to Me My Love the author assumes the role of St John as he explains each verse of the Revelation to his reading audience and shows them how it foretells the entire counsel of God concerning the Last Days In this book the reader will be shown how God took the people of Israel as his wife but after bearing with their centuries of apostasy against him he finally wrote them a Bill of Divorce and sent them away Yet the Lord was not done with Israel and just as he wrote in Hosea he was determined to allure her and eventually bring her back to him We are seeing that story being played out as we watch the modern State of Israel struggle without her Messiah Jesus The Tribulation that is coming in last days Israel will be God's way of testing his Jewish people purging the nation of its apostasy and taking back the remnant of his Chosen People to be his wife hence the title of the book This is a must read and is unlike anything currently available on prophecy Every Christian needs to understand prophecy in order to be ready to assist the Jews when their time of trial begins *Love's Exchange: a tale* Charles John BOYLE,1839 *Doctrine for the Lady of the Renaissance* Ruth Kelso,1978 First published in 1956 Ruth Kelso's Doctrine for the Lady of the Renaissance is a landmark work that has lived up to its early laudatory reviews by remaining in demand among scholars of Renaissance studies and of women in the Renaissance It both offers a comprehensive account of Renaissance views on woman and acknowledges that women were in many ways excluded from the freedom and enlightenment characteristic of the period This new printing retains the foreword by Katharine Rogers that was added to the 1978 edition **The Theosophical Movement** ,1966 **A little book on the love of God, tr. by a Dominican father** Jean Nicolas Grou,1894 *Love's exchange* Charles John Boyle,1839 Treatise
