## **Revelation Visions Of Our Ultimate Victory In Christ:**

*Revelation* Paul Yonggi Cho,1991      **Revelation** Yong-gi Cho,1991      **To the Ends of the Earth** Allan Heaton Anderson,2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In *To the Ends of the Earth* Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide      *Models of Premillennialism* Sung Wook Chung,David L. Mathewson,2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church s history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom      **Waiting for Antichrist** Damian Thompson,2005-04-21 How can people believe that the supernatural end of the world lies just around the corner when so far every such prediction has been proved wrong Some scholars argue that millenarians are psychologically disturbed others maintain that their dreams of paradise on earth reflect a nascent political awareness In this book Damian Thompson looks at the members of one religious group with a strong apocalyptic tradition Kensington Temple a large Pentecostal church in London and attempts to understand how they reconcile doctrines of the end of the world with the demands of their everyday lives He asks such questions as Who is making the argument that the world

is about to end and on whose authority How is it communicated Which members are persuaded by it What are the practical consequences for them How do they rationalize their position Based on extensive interviews as well as a survey of almost 3000 members Thompson finds existing explanations of apocalyptic belief inadequate Although they profess allegiance to millennial doctrine he discovers members actually assign a low priority to the End Times The history of millenarianism is littered with disappointment Thompson notes and the lesson has largely been learned predictive millenarianism with its risky time specific predictions of the end has been substantially supplanted by explanatory millenarianism which uses apocalyptic narratives to explain features of the contemporary world Most apocalyptic believers he finds are comfortable with these lower cost explanatory narratives that do not require them to sell their houses and head for the hills He does uncover a handful of textbook millenarians in the congregation people who are confident that Jesus will return in their lifetimes He concludes that their atypical beliefs were influenced by their conversion experiences individual psychology and degree of subcultural immersion Although much has been written about apocalyptic belief Thompson's empirically based study is unprecedented It constitutes an important step forward in our understanding of this puzzling feature of contemporary religious life

Before the Rapture Julius A. Agbor, 2017-05-15 A textually meticulous account of the end of days that should appeal to devoted Christians Kirkus Reviews This would be a helpful resource for some in an adult class or small group study Rich Guerra District Superintendent SoCal Assemblies of God It is a well thought out and interesting study that is unmistakably saturated with thorough and well defined research Johnny L Green PhD Senior Pastor Bethel Ministries Inc Before the Rapture is a timely message for Christians in these last days of the church age soon culminating in the rapture of the true believers The book intends to help its readers escape the soon coming wrath of God upon the earth by being adequately prepared for the soon coming rapture of the true believers The uniqueness of this book is in the fact that it clearly exposes the enemys deceptive strategies which if not mastered will cause many Christians to miss out on the day of the rapture

**God, Order, and Chaos** Stephen Finamore, 2009-04-01 The ideas of Rene Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard's theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day

*David Yonggi Cho* Wonsuk Ma, 2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement It joins a small but growing list of works on this critical subject Second it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in

this generation Dr David Yonggi Cho who clearly stands out as one of the most preeminent Pentecostals anywhere in the world *Asia Pacific Pentecostalism*, 2019-07-01 Asia Pacific Pentecostalism edited by Denise A Austin Jacqueline Grey and Paul W Lewis yields previously untold stories and interdisciplinary analysis of pioneer foundations denominational growth leadership training contextualisation and community development across East Asia Southeast Asia and Oceania Pentecostalism in the Asia Pacific has made an enormous contribution to its global family from the more visible influence of Yonggi Cho from Korea to the worship revolutions from Australia particularly associated with Hillsong and the lesser known missionary activity from Fiji each region has contributed significantly to global Christianity Some communities prospered despite hostile environments and wartime devastation This volume provides a systematic study of the geographical contexts of Asia Pacific Pentecostalism including historical development theological influences and sociological perspectives Contributors are Doreen Alcoran Benavidez Dik Allan Connie Au Denise A Austin Edwardneil Benavidez John Carter Michael Chase Yung Hun Choi Darin Clements Shane Clifton Dynnice Rosanny Engcoy Michael J Frost Luisa J Gallagher Sarita D Gallagher Kellesi Gore Adonis Abelard O Gorospe Jacqueline Grey James Hosack Ken Huff Paul W Lewis Lim Yeu Chuen Mathew Mathews Jason Morris Nyotxay pseudonym Saw Tint Sann Oo Selena Y Z Su Masakazu Suzuki and Gani Wiyono

**The Prayer Driven Life** Robert Oh,2011-11-01 What drives you Or what is the motivation or purpose of your life Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God fearing and God loving people who are still asking the fundamental question of life What does God want me to do with my life At the end of your life you don t want to catch yourself saying That was it You see without God your life will be only earthly natural and predictable it won t be supernatural or godly You reap what you sow The Prayer Driven Life is an invitation to enter this incredible supernatural life fashioned by God and through your own prayer What does God want you to do with your life Why don t you ask Him Pray

**Revelations of the End** Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

**Fulfillment of Prophecy** Gary Gallant,2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and

Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God's prophets as distinct from Satan's spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter's first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18

**The Sunday School Journal** ,1904      **Jesus of Nazareth Lord and Christ: Essays on the Historical Jesus And New Testament Christology** Joel B. Green,Max Turner,1994-03 The problem of the historical Jesus remains one of the most

important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church The thirty outstanding essays in this volume offer a fresh assessment of a wide range of New Testament data and methods pertinent to our understanding of Jesus and his significance both in his time and ours     *A Path to Following The Bible* Alex Mather,2023-02-15 The Path to Following the Bible is a comprehensive guide that takes the reader through the narrative of the Bible in a clear and easy to understand way This book covers all 66 books of the Bible presenting the events and teachings in a way that is accessible to readers of all backgrounds Beginning with the creation story in Genesis the book then proceeds to the stories of the patriarchs the exodus of the Israelites from Egypt the reigns of the kings of Israel and the prophetic books of the Old Testament The New Testament is also covered in detail including the life and teachings of Jesus the growth of the early Christian church and the epistles of the apostles Each chapter is filled with insightful takeaways providing context and facts that help readers understand the significance of each event and teaching The book also includes helpful references to related passages in scripture helping readers make connections between different parts of the Bible Throughout the book the author provides a clear and concise overview of the major themes of the Bible including salvation redemption and the nature of God This helps readers gain a deeper understanding of the doctrinal teachings of the Bible while also providing practical guidance on how to live a life guided by the principles of the Bible The Path to Following the Bible is an invaluable resource for anyone looking to gain a deeper understanding of the Bible and how it can be applied to everyday life Whether you are a seasoned reader of the Bible or a newcomer this book provides a clear and accessible guide to the most important teachings of scripture     **Living God's Word** J. Scott Duvall,J. Daniel Hays,2012-06-19 How does your personal faith journey relate to the big picture of the Bible Christians often encounter various Bible passages through unrelated readings studies and sermons making it difficult to grasp the progression of Scripture as a whole Living God s Word surveys the entire Bible through broad themes that trace the progression of God s redemptive plan focusing on how each portion of Scripture fits into the overarching narrative Once you see the Bible as a Great Story you ll begin to see how your own life fits into what God has done and is doing in the world Each section of Living God s Word deals with a section of Scripture and includes Reading and listening preparation An explanation A summary Observations about theological significance Connections to the Great Story Written assignments for further study Living God s Word is ideal for introductory college courses adult Sunday school classes small groups or anyone who wants to understand how their life fits into the story of the Bible enabling them to live faithfully in deep and important ways     **Apocalypse** Randal S. Chase,2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to

these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord s anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson
