WHITE,2018 *Shakespeare and Civil Unrest in Britain and the United States* Mark Bayer,Joseph

Navitsky,2021-08-01 Shakespeare and Civil Unrest in Britain and the United States extends the growing body of scholarship on Shakespeare s appropriation by examining how the plays have been invoked during periods of extreme social political and racial turmoil How do the ways that Shakespeare is adapted studied and discussed during periods of civil conflict differ from wars between nations And how have these conflicts in turn affected how Shakespeare has been understood in these two countries that more than any others continue to be deeply shaped by Shakespeare s complex enduring and multivalent legacy The essays in this volume collectively disclose a fascinating genealogy of how Shakespeare became a dynamic presence in factional discourse and explore the war of words that has accompanied civil wars and other instances of domestic disturbance Whether as part of violent confrontations mutinies rebellions or within the universal struggle for civil rights Shakespeare s repeated appearance during such turbulent moments is more than mere historical coincidence Rather its inflections on the contested meanings of citizenship community and political legitimacy demonstrate the generative influence of the plays on our understanding of internecine strife in both countries

Black Scare Forrest G. Wood,1970 Historical account of the origins of racial discrimination against Blacks in the USA covers political party activity social behaviour leadership and public opinion of White supremacists in a 19th century campaign against the government policy of social integration Bibliography pp 193 to 210

A Reprint of the List of Books and Pamphlets Relating to Abraham Lincoln Daniel Fish,1926

Funny Thing About the Civil War Thomas F. Curran,2023-07-14 Examining humor in depictions of the Civil War from the war years to the present this review covers a wide range of literature film and television in historical context Wartime humor served as a form of propaganda to render the enemy and their cause laughable but also to help people cope with the human costs of the conflict After the war many authors and later movie and television producers employed humor to shape its legacy perpetuating myths and stereotypes that became ingrained in American memory Giving attention to the stories behind the stories the author focuses on what people laughed at who they laughed with and what it reveals about their view of events
