Dandelion Child in Flower e-book Tina M.-L. Campbell ,2015 An uplifting and interesting book You can really feel that it has been important for Tina to write it though at first it was not meant for publication There is no doubt that the book will be an inspiration to many different readers to people who have experienced difficulties in their past to others who have one or more disabilities to caregivers and to professionals As a professional it is certainly very motivating to read how with all the experiences she has had and the adversity she has ever met with Tina has still managed to get to the point where she is today It is good to be reminded that everyone regardless of his or her background has hidden strengths some more than others and that these should not be ignored in one s work as a professional Weaknesses and problems are often easier to spot but they can also create a negative attitude towards people who in one way or another come in contact with the health system It is uplifting to read Tina s own ways of compensating for the lack of help that she and her family were given Cases like Tina s unfortunately often tend to be ignored I hope that others in similar situations will be able to use Tina s experiences to spot solutions or opportunities they might not even know existed I would definitely recommend the book to other professionals to dandelion children and to their families Emma Ehlers Nielsen Psychologist Dandelion Centre Nuuk Greenland

The Girl Who Held Her Dandelion High

Jasz Kaur,2017-08-14 Gurmeher a talented and lively young girl truly was a free spirited child with the deep set eyes of a wolf soul of an owl and winged spirit of a Garuda bird The clear sky was her domain She chose to see beyond that which was shown to her by society She knew she was never cut from the same loincloth as the rest of the comrades and never desired to be the same She was destined to BE and DO something Extraordinary with her life She wanted to be her own unique gemstone She beat many odds physically mentally emotionally and spiritually through her exponential journey of REBRANDING by being her own artisan Join her as she shares her escapades and the realizations she learnt on the importance of self actualization the power of prayer and manifestation as well as the 5Ps she held on tight through this learning phase She pruned through wealth of self improvement information and created her own recipe of abundant happiness with techniques and a mental attitude that resonated with her Her take home message is Ones definition of oneself evolves as one embraces the concept of being a student of life It sheds the hard shell called ego and embraces serendipity Be Your Own Dandelion
