Reviews and Essays of Austin Clarke Austin Clarke, 1992-01-01

Reviews and Essays of Austin Clarke Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets. In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well. Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high, Clarke knew many of the principal figures of that movement personally and his readings of Yeats, Joyce, Synge, O'Casey, Lady Gregory, George Moore and others enjoy the advantages of an insider's point of view. Moreover, committed in his own poetry to the basic assumption that fuelled the Literary Revival—that the most productive course for Irish literature lay in the direction not of England but of Ireland—Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions. At the same time, these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival. As Yeats observed more than once, the Irish for all the contributions that they have made to modern fiction, poetry and drama have fallen somewhat short in the genre of literary criticism. Austin Clarke's essays and reviews, many of which were written under a pseudonym and so not attributed to Clarke for years, go a long way towards filling that gap.

The Cambridge Companion to Irish Poets Gerald Dawe, 2018 A fresh, accessible and authoritative study that conveys the richness and diversity of Irish poets, their lives and times.

The Cambridge Companion to Contemporary Irish Poetry Matthew Campbell, 2003-08-28 In the last fifty years, Irish poets have produced some of the most exciting poetry in contemporary literature, writing about love and sexuality, violence and history, country and city. This book provides a unique introduction to major figures such as Seamus Heaney but also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella, Paul Muldoon and Nuala Ni Dhomhnaill. Readers will find discussions of Irish poetry from the traditional to the modernist, written in Irish as well as English from both North and South. This Companion, the only book of its kind on the market, provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature. It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike.
