Revivalism In America Its Origin Growth:

Revivalism in America William Warren Sweet,1944

Revivalism and Cultural Change George M. Thomas,2019-04-08

The history of Christianity in America has been marked by recurring periods of religious revivals or awakenings In this book George M Thomas addresses the economic and political context of evangelical revivalism and its historical linkages with economic expansion and Republicanism in the nineteenth century Thomas argues that large scale change results in social movements that articulate new organizations and definitions of individual society authority and cosmos Drawing on religious newspapers party policies and agendas and quantitative analyses of voting patterns and census data he claims that revivalism in this period framed the rules and identities of the expanding market economy and the national policy Subtle and complex Fascinating Randolph Roth Pennsylvania History Revivalism and Cultural Change should be read with interest by those interested in religious movements as well as the connections among religion economics and politics Charles L Harper Contemporary Sociology Readers old and new stand to gain much from Thomas s sophisticated study of the macrosociology of religion in the United States during the nineteenth century He has given the sociology of religion its best quantitative study of revivalism since the close of the 1970s Journal for the Scientific Study of Religion

Revivalism in America

William Warren Sweet,1944

The History of Religious Liberty Michael Farris,2015-04-01

Early American advocates of freedom did not believe in religious liberty in spite of their Christianity but explicitly because of their individual faith in Christ which had been molded and instructed by the Bible The greatest evidence of their commitment to liberty can be found in their willingness to support the cause of freedom for those different from themselves The assertion that the Enlightenment is responsible for the American Bill of Rights may be common but it is devoid of any meaningful connection to the actual historical account History reveals a different story intricately gathered from the following Influence of William Tyndale s translation work and the court intrigues of Henry VIII Spread of the Reformation through the eyes of Martin Luther John Knox and John Calvin The fight to establish a bill of rights that would guarantee every American citizen the free exercise of their religion James Madison played a key role in the founding of America and in the establishment of religious liberty But the true heroes of our story are the common people whom Tyndale inspired and Madison marshaled for political victory These individuals read the Word of God for themselves and truly understood both the liberty of the soul and the liberty of the mind The History of Religious Liberty is a sweeping literary work that passionately traces the epic history of religious liberty across three centuries from the turbulent days of medieval Europe to colonial America and the birth pangs of a new nation

Victorian Religious Revivals David Bebbington,2012-05-31

Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences

than of denominational variations. These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism. Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants. No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant. Ideas were far more involved in these events than historians have normally supposed so that the case studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period. Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young. There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co-operation.

The Body Electric Carolyn Thomas de la Pena, 2005-04. Between the years 1850 and 1950 Americans became the leading energy consumers on the planet expending tremendous physical resources on energy exploration, mental resources on energy exploitation and monetary resources on energy acquisition. A unique combination of pseudoscientific theories of health and the public's rudimentary understanding of energy created an age in which sources of industrial power seemed capable of curing the physical limitations and ill health that plagued Victorian bodies. Licensed and quack physicians alike promoted machines, electricity and radium as invigorating cures, veritable fountains of youth that would infuse the body with energy and push out disease and death. *The Body Electric* is the first book to place changing ideas about fitness and gender in dialogue with the popular culture of technology. Whether through wearing electric belts, drinking radium water or lifting mechanized weights, many Americans came to believe that by embracing the nation's rapid march to industrialization, electrification and radiomania, their bodies would emerge fully powered. Only by uncovering this belief's passions and products, Thomas de la Peña argues, can we fully understand our culture's twentieth-century energy enthusiasm.

Whitman's Ecstatic Union Michael Sowder, 2013-10-31. First Published in 2005. Whitman's *Ecstatic Union* rereads the first three editions of *Leaves of Grass* within the context of a nineteenth-century antebellum evangelical culture of conversion. Though Whitman intended to write a new American Bible and inaugurate a religion, contemporary scholarship has often ignored the religious element in his poetry. But just as evangelists sought the redemption of America through the reconstruction of individual subjects in conversion, *Leaves of Grass* sought to redeem the nation by inducing ecstatic, regenerating experiences in its readers. *Whitman's Ecstatic Union* explores the ecstasy of conversion as a liminal moment outside of language and culture and employing Althusser's model of ideological interpellation and anthropological models of religious ritual shows how evangelicalism remade subjects by inducing ecstasy and instilling new narratives of identity. The book analyzes Whitman's historical relationship to preaching and conversion and reads the 1855 *Song of Myself* as a conversion narrative. A focus on the 1856 edition and the poem *To You* explores the sacred seductions at the heart of Whitman's poetry. *Crossing Brooklyn Ferry* and Whitman's vision of a world of perfect miracles are then connected to a

conception of universal affection uncannily paralleling Jonathan Edwards's ideal of love to being in general. A conclusion looks toward the transformations of Whitman's vision in the 1860 edition. **Finney Lives On** V. Raymond Edman, 2018-02-28 It is necessary for us as human beings to establish patterns of principles and methods to understand intelligently our social, moral, and spiritual processes for purposes of accurate continuity in all good things. It may have been the divine recognition of this need which provided through Moses the pattern of the things in the heavens. Hebrews 9:23 Providence from time to time throughout the Christian age has raised up exemplary men who by their teachings and methods have given to posterity an enlightened process by which a wayward generation may find its way back to God. One of these and by no means the least was Charles G. Finney who embodied in ministry and literature principles and methods which are certain to produce anywhere a genuine spiritual revival of Christian zeal and devotion. From the Foreword. *American Popular Music and Its Business* the late Russell Sanjek, 1988-07-28 Volume two of this three-volume work concentrates exclusively on music activity in the United States in the 19th century. *Sensitive Independence* Rosemary Ruth Gagan, 1992 For nearly half a century the Woman's Missionary Society (WMS) of the Methodist Church of Canada provided a rare opportunity for more than 300 single women to work in Japan, West China, and Canada. The all-female administrative structure of the WMS and

American Mennonites and Protestant Movements Beulah S. Hostetler, 2002-03-06 *American Mennonites and Protestant Movements* describes the key religious values in a major Mennonite settlement over a period of three centuries in its encounter with other religious movements: Pietism, revivalism, Fundamentalism, and institutionalization. The author analyzes how Mennonites both resisted these influences and were changed by them. The book also documents the codification of practice in the twentieth century and how restrictions waned as a growing emphasis on peace and service emerged. The author demonstrates that the key values shaping the Mennonite community are religious, not simply ethnic, and are consistent with their sixteenth-century character. These conclusions are based on a careful study of their value patterns, nonverbal behavior, issues, and personalities in confrontation and in the conduct of their community behavior. This book will help a new generation of Mennonites who wish to discover their heritage and spiritual identity. For Christian believers outside the Anabaptist tradition, it will clarify long-standing ambiguities about the Mennonites. **Theory of Collective Behaviour** Neil J. Smelser, 2013-10-15 This is Volume XVII of eighteen of a series on the Sociology of Behaviour and Psychology. First published in 1962, this study offers a theoretical synthesis of collective behavior. **The Evangelical Counter-Enlightenment** William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th-century contemporaries to find what Salafist and Sufi Islam, Evangelical Protestantism, and Jansenist Catholic Christianity and Hasidic Judaism have in common. Such figures include Muhammad Ibn Abd al-Wahhab, Count Nikolaus Zinzendorf, Jonathan Edwards, John Wesley, Jean-Jacques Rousseau, and Israel Ba'al Shem Tov. The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the

Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader

'Men and Women of Their Own Kind' Glenn M. Harden,2003-09 This thesis traces the historiography of antebellum reform from its origins in Gilbert Barnes s rebellion from the materialist reductionism of the Progressives to the end of the twentieth century The focus is the ideas of the historians at the center of the historiography not a summary of every work in the field The works of Gilbert Barnes Alice Felt Tyler Whitney Cross C S Griffin Donald Mathews Paul Johnson Ronald Walters George Thomas Robert Abzug Steven Mintz and John Quist among many others are discussed In particular the thesis examines the social control interpretation and its transformation into social organization under more sympathetic historians in the 1970s The author found the state of the historiography at century s end to be healthy with a promising future

Gods of the Mississippi Michael Pasquier,2013-02-27 From the colonial period to the present the Mississippi River has impacted religious communities from Minnesota to the Gulf of Mexico Exploring the religious landscape along the 2 530 miles of the largest river system in North America the essays in Gods of the Mississippi make a compelling case for American religion in motion not just from east to west but also from north to south With discussion of topics such as the religions of the Black Atlantic religion and empire antebellum religious movements the Mormons at Nauvoo black religion in the delta Catholicism in the Deep South and Johnny Cash and religion this volume contributes to a richer understanding of this diverse dynamic and fluid religious world

Theodorus Frelinghuysen's Evangelism Scott Maze,2020-01-01 This book presents a thorough investigation of the evangelistic contributions of Theodorus Jacobus Frelinghuysen 1692 1747 8 within the context of the First Great Awakening In it Scott Maze identifies the theological foundations of Frelinghuysen s ministry surveys his key evangelistic endeavors and evaluates the effects these things had on the Great Awakening This book sheds light on a lesser known figure of the Great Awakening reveals the influence of the Dutch Further Reformation Nadere Reformatie in colonial North America and provides significant insights in terms of ministry contextualization for the contemporary student of evangelism Table of Contents 1 A Brief Biography 2 Theological Bases 3 Evangelistic Contributions 4 Catalyst to the First Great Awakening

Piety and Profession Glenn Miller,2007-06-11 From the urbanization of the Gilded Age to the upheavals of the Haight Ashbury era this encyclopedic work by Glenn Miller takes readers on a sweeping journey through the landscape of American theological education highlighting such landmarks as Princeton Andover and Chicago and such fault lines as denominationalism science and dispensationalism The first such exhaustive treatment of this time period in religious education Piety and Profession is a valuable tool for unearthing the key trends from the Civil War well into the twentieth century All those involved in theological education will be well served by this study of how the changing world changed educational patterns

The Revival of

1857-58 Kathryn Teresa Long, 1998-07-02 This book provides a fresh in depth examination of the Revival of 1857 58 a widespread religious awakening most famous for urban prayer meetings in major metropolitan centers across the United States Often mentioned in religious history texts and articles but overshadowed by scholarly attention to the first and second Great Awakenings the revival has lacked a critical book length analysis This study will help to fill this gap and to place the event within the context of Protestant revival traditions in America The Revival of 1857 58 was a multifaceted religious movement that Long suggests may have been the closest thing to a truly national revival in American history The awakening marked the coming together of formalist and populist evangelical groups particularly in urban areas and helped to create the beginnings of a transdenominational religious identity among middle class American evangelicals Long explores the revival from various angles emphasizing the importance of historiography and examining the way Calvinist clergy and the editors of the daily press canonized particular versions of the revival story most notably its role in the history of great awakenings and its character as a masculine businessmen s revival She gives attention to grassroots perspectives on the awakening and also pursues wider social and cultural questions including whether the revival actually affected evangelical involvement in social reform The book combines insights from contemporary scholarship concerning revivals women s history and nineteenth century mass print with extensive primary source research The result is a clearly written study that blends careful description with nuanced analysis

A Controversial Spirit Philip N. Mulder, 2002 According to the author during the era of awakenings and revival the various denominations in the Southern States of the USA shared the same goal of saving souls but disagreed over the correct definition of true religion and conversion

A Theology of the Holy Spirit Frederick Dale Bruner, 1997-12-03 Bruner has been both thorough and fair and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary Church

Revivalism In America Its Origin Growth Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Revivalism In America Its Origin Growth PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Revivalism In America Its Origin Growth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Revivalism In America Its Origin Growth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Revivalism In America Its Origin Growth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revivalism In America Its Origin Growth is one of the best book in our library for free trial. We provide copy of Revivalism In America Its Origin Growth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revivalism In America Its Origin Growth. Where to download Revivalism In America Its Origin Growth online for free? Are you looking for Revivalism In America Its Origin Growth PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is

always to check another Revivalism In America Its Origin Growth. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Revivalism In America Its Origin Growth are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Revivalism In America Its Origin Growth. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Revivalism In America Its Origin Growth To get started finding Revivalism In America Its Origin Growth, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Revivalism In America Its Origin Growth So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Revivalism In America Its Origin Growth. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Revivalism In America Its Origin Growth, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Revivalism In America Its Origin Growth is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Revivalism In America Its Origin Growth is universally compatible with any devices to read.
