Revive Us Again Walter C. Kaiser, 2013-05-20 Revival is a popular subject Biblical examples of what happens when we follow God's will Prepare your community your church your heart for revival **Rediscovering the Spiritual Disciplines**

for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A.

Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain's career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith Aging Well Rodney A. Rhoades, 2018-01-03 Think exercise and diet are the secrets to aging well and having a

meaningful life that thrives Think again The new science of aging is upending many of the negative stereotypes and dogmatic beliefs about aging New research is showing that we are not doomed by our genes and they don't control our biology or determine the person we can be On the contrary recent studies reveal that individual lifestyle environment attitude and the friends we interact with play a far greater role than genetics in determining how well we age and who thrives in later life This new research also confirms the power behind the mind body spirit connection and how a balance between the three draws on our deep inner healing power and optimizes our well being Aging Well will help you understand the science behind these new ideas from an emotional mental and spiritual perspective You can also explore how to increase the odds of having a happier healthier and more fulfilling life in your later years It's never too late to change Whether you've hit the Big Five 0 60 70 80 or beyond you can make a U turn in the way you see yourself and change your attitude and approach to aging well In Aging Well you will find these key points Importance of a positive attitude in redefining and changing your narrative about aging Effects of an unhealthy lifestyle Importance of friendship and social interaction Significance of play and laughter Value of cultivating meaning and purpose in your life Significance of caring for your mind Benefits of creative activity and lifelong learning Power of belief Importance of a spiritual connection and aging Keywords Aging Well Rodney A Rhoades Aging Body Fitness Friendship Health Mind Purpose Relationships Soul Youth Science Young Spirituality *Great Southland Revival*

Return to God* Yvonne Rose, 2024-04-09 Alarms are sounding Warning signs are

everywhere The call is now God longs for His people those who call themselves believers in Jesus Christ to return to Him and experience His forgiveness and love again As this world becomes a dark place God is calling His people to rise up rise above and take off the basket that has been hiding their light be that light in the darkness You may have been lulled into a deep spiritual sleep but God is calling you now to wake up Come back to Him and be revived and restored to the abundant life He promised for those who believe in His son Jesus Come let us return to the LORD he will restore us so that we may live in his presence Hosea 6 1 I the Lord made you and I will not forget you Oh return to me for I have paid the price to set you free Isaiah 44 21 22 Learn more and connect with Yvonne's ministry at restoreabundantly.org **Revive Us Again** Olumayowa Oke, 2021-06-09 There is a master key that will bring back the much needed revival in your personal life and your walk with God in your local church where you fellowship in the body of Christ at large and in our nations globally What is that key It is called PRAYER Here we are not talking about bread and butter type of prayer It is the kind of prayer that is born from the womb of holy anger combined with spiritual violence like Jesus mentioned in Matthew 11 12 You will agree with me that we

need a major revival to sweep all across our nations in these strange times that we live in God is set to Revive Us Again through the power of His Spirit Get ready and don't be left behind *O God, Revive Us Again* Will Bruce, 1960 **Revive Us Again** Antoine N. Holloway, 2011-12 Revive Us Again is not only the name of this book but it is also the name of an old hymn written by WM P MacKay and J J Husband The title and song were taken from the scripture Psalms 85:6 where the Bible reads Wilt thou not revive us again that thy people may rejoice in thee It is an unfortunate circumstance that there are Christians who are spiritually weak in the body of Christ Either they are still living in sin or they are complacent in their Christianity The Psalmist is calling on God to make them vibrant and alive like they once were so they can rejoice in the Lord Maybe Christians should start asking God to revive them considering we are commanded to Rejoice Always In The Lord Philippians 4:4 This collection of sermons were preached and written by brother Holloway for the sole purpose of helping God's children see why they ought to be revived by the Lord and rejoice in Him When we hear the words of the song it is both admonishing with a triumphant language suggesting we are to be revived because Christ was resurrected Hear the words We praise Thee O God For the Son of Thy love For Jesus who died and is now gone above We praise Thee O God For Thy Spirit of light who has shown us our Savior and scattered our night All glory and praise to the Lamb that was slain Who has borne all our sins and has cleansed every stain Hallelujah Thine the glory Hallelujah Amen Hallelujah Thine the glory revive us again **Revival** Dr. D. K. Olukoya, 2018-05-31 There is urgent need for revival in the church as body and in the lives of individual Christian A Christian must hunger and thirst for spiritual growth Many Christians are in a state of spiritual slumber We must wake up or end up in hell When there is revival people show concern for where they will spend eternity they begin to hunger and thirst after God in earnest To make heaven Christians must make every necessary sacrifice to get revived This book is a wake up call for those who are in spiritual slumber It is a pointer to the part we must take and the pitfalls we must avoid if we must be revived One thing is sure if you digest the contents of this book and say the prayers with your whole heart you will know and neighbours will testify that something new has happened in your life **OneCry** Byron Paulus, Bill Elliff, 2014-03-01 OneCry A Call to Spiritual Awakening is a challenge a plea for readers to shake off spiritual apathy and wake up to the hope of God moving with extraordinary power in our day It paints a picture of both desperation and hope without spiritual revival our country has no hope but when it comes we will need no other hope Drawing on an abundance of stories from ordinary people who have experienced the power of life changing revival in their own lives this book provides a contemporary roadmap for spiritual awakening and real revival Passionate and story rich OneCry engages readers to seek God urgently at this moment in history it inspires them with hope for what God can do and it invites them to join a growing movement of believers who are uniting in one cry for revival and spiritual awakening It is a summons to join together in a single focus passionate prayer for revival in our nation like hasn't been seen in nearly two hundred years

Revive Us Again Mark Finley, 2010-01 Revive, 2010 *Revive Me* Ajai Prakash, 2023-06-13 There is no doubt that

the soul of our nation is at stake its foundation is neglected its people are divided and its future is resting upon a generation that is compromised by disillusioned morality Instead of accepting the status quo the body of Christ must cry out for God to revive us once again The United States has been at its best when its churches have been the strongest and when its people were the most spiritually alive Our country desperately needs another outpouring of God s Spirit In Revive Me Ajai Prakash humbly and powerfully sounds the clarion call for America to return to biblical Christianity God will not come to our nation unless we first turn to Him with our whole hearts in repentance and desperation seeking His face like never before The hope of the nation isn t in the political system or what the majority of the people are doing today the hope of the nation is in Jesus Christ and His Spirit reviving our hearts once again More than anything else America needs a genuine outpouring of God that changes our hearts our churches our cities and our nation Will you answer the call **Revive 365** R.
