## **Russian Dissenters:**

Russian Dissenters Frederick Cornwallis Conybeare, 1921      Ministries of Compassion among Russian Evangelicals, 1905-1929 Mary Raber, 2016-05-13 The present study fills a gap in the study of the evangelical movement in Russia by presenting a comprehensive picture of their compassionate ministry during their longest stretch of relative freedom before the 1980s Better known for their energetic preaching and literature work Russian evangelicals also gave attention to compassionate ministry although it was never extensive because of their marginal status They established assistance funds organized charitable institutions practiced urban rescue ministry participated in the Russian temperance movement and established economic communities Each area is distinct yet all were supported by the same set of theological convictions The Russian evangelicals were convinced that their witness should consist of good works as well as words and that the gospel had the power to undo human suffering While intentionally cultivating an attitude of concern for the needs of others they taught that compassion was the concern of all members of the community regardless of economic status or age In their publications evangelicals devoted a good deal of teaching to the proper Christian attitude toward money and giving They drew on Western models but also their indigenous sectarian roots      Russians in the Former Soviet Republics Pål Kolstø, 1995 The break up of the Soviet Union in 1989 left 25 million Russians living in the near abroad outside the borders of Russia proper They have become the subjects of independent nation states where the majority population is ethnically linguistically and often denominationally different The creation of this new Russian diaspora may well be the most significant minority problem created by the dissolution of the Soviet Union Paul Kolstoe traces the growth and role of the Russian population in non Russian areas of the Russian empire and then in the non Russian Soviet republics In the post Soviet period special attention is devoted to the situation of Russians in the Baltic countries Moldova Belarus Ukraine and the former Central Asian and Caucasian republics A chapter written jointly by Paul Kolstoe and Andrei Edemsky of the Institute of Slavonic and Balkan Studies Russian Academy of Sciences delineates present Russian policy toward the diaspora Finally Kolstoe suggests strategies for averting the repetition of the Yugoslav scenario on post Soviet soil      **Soviet Ukrainian Dissent** Jaro Bilocerkowycz, 2019-07-11 In this book the author focuses on an important variant of Soviet dissent from 1963 through March 1985 to deepen understanding of the phenomena of political alienation and dissent and to stimulate further study of political dissent in the USSR and elsewhere      **The Russian Empire** Sir Samuel Bagster Boulton (Bart.), 1882      **Russian Life in Town and Country** Francis H. E. Palmer, 1901      *The Empire of the Tsars and the Russians: The religion* Anatole Leroy-Beaulieu, 1896      Commerce in Russian Urban Culture, 1861-1914 William Craft Brumfield, B. V. Anan'ich, I. U. riĭ Aleksandrovich Petrov, 2001 Tsarist Russia's commercial class is today receiving serious attention from both Russian and non Russian historians This book is a contribution to that literature Commerce in Russian Urban Culture 1861 1914 examines the relation between the entrepreneurial world especially business and banking and the cultural milieu of Russia Going beyond

the commercial cultural connection of charitable activity the contributors to this collaborative project also study cultural activity undertaken by enterprises for their own purposes notably bank and commercial architecture Culture and commerce encompasses two areas in this volume The first is the business milieu itself as a social and cultural phenomenon Class and social stratification types of entrepreneurs and their mentality religious affiliations and charitable activities and donations are covered The second is their impact on the form of cities including not only Moscow and St Petersburg but Odessa and Nizhnii Novgorod Banks insurance companies and large commercial firms reshaped Russian cities with the construction of buildings for their own operations and retail shops stock exchanges mansions and public buildings This book is based on a project of the Kennan Institute for Advanced Russian Studies at the Woodrow Wilson International Center for Scholars

Hearings Before the Committee on Un-American Activities, House of Representatives, Eighty-fourth Congress, Second Session Estados Unidos. Congress. House. Committee on Un-American Activities,1956 *Just War in Comparative Perspective* Paul Robinson,2017-03-02 This timely book analyses how different nations religions and cultures justify the waging of war and what limits they place on its use The study includes the major world religions such as Christianity Judaism and Islam and specific countries and regions including Russia China and Africa The case studies shed new light on the causes and justifications of current conflicts providing a valuable source for those wishing to understand how different people around the world view the issue of war The book crosses disciplinary boundaries and thus will be welcomed by scholars of international relations philosophy religion and history *Russian Writers and Society in the Nineteenth Century* Ronald Hingley,2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers The Russian Ecclesiastical Mission in Peking During the Eighteenth Century Widmer,2020-03-17 This book is the first analytical treatment in any language of the most durable sino foreign institution in modern Chinese history It traces the beginnings of a Russian Orthodox presence in Peking several decades back before the commonly held date of its origin It also shows how the news of the plight of prisoners from the Russian fortress of Albazin taken by the Ch ing in 1685 was transmitted back to Russia and how the indecisiveness of the official Russian response colored the entire subsequent history of the mission The chapters on the Orthodox missionary life in Peking and on the institutions of the mission provide us with new insight into life in the Ch ing capital The tentative beginnings of Russian scholarly and scientific interest in Chinese matters an outgrowth of the missionary presence in Peking

are also discussed The book tackles an especially difficult case for by ordinary standards the Russian ecclesiastical mission was a failure not a success The monks and students were an unruly lot the mission itself never functioned as a full diplomatic institution and the Chinese frequently treated the missionaries with neglect or disdain Yet as the author demonstrates even this apparent failure had a purpose The mission served to maintain a minimal contact between the two empires throughout a long period of conflicting ambitions and actions in the Inner Asian theater Russia and Eastern Europe, 1789-1985 Raymond Pearson,1989 British Humanitarian Activity in Russia, 1890-1923 Luke Kelly,2017-11-27 This book analyses the efforts of British civil society to help a Russia seen to be struggling between 1890 and the 1920s Luke Kelly seeks to show why churches pressure groups charities politicians and journalists came to promote religious and political liberty and to relieve the victims of famines in late tsarist and early communist Russia By focusing on the roles of Christian Jewish and liberal interests in deploying humanitarian solutions Kelly shows how humanitarianism developed from below while also examining the growth of a broader humanitarian discourse in the context of the Anglo Russian relationship Papers of the American Society of Church History American Society of Church History,1928 Includes annual reports The Survey ,1915 Survey ,1915 **Chamber's Encyclopaedia** ,1871 **chamberss encyclopedia a dictionary of universal knowledge for the people** ,1873 *Russia and the New States of Eurasia* Karen Dawisha,Bruce Parrott,1994-01-28 This book surveys the possibilities for future alignments both among the new states of the former Soviet Union and between the new states and their neighbours

In today's digital age, the availability of Russian Dissenters books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Dissenters books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Dissenters books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Dissenters versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Dissenters books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Dissenters books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Dissenters books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Dissenters books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
