Russian Policy In The Middle East From Messianism To Pragmatism

Michael Sharnoff

Russian Policy In The Middle East From Messianism To Pragmatism:

Russian Policy in the Middle East Alekseï Mikhaïlovich Vasil'ev, 1993 **Russia's Middle East Policy** Alexey Vasiliev, 2018-03-19 This extraordinary book charts the development of Russia's relations with the Middle East from the 1950s to the present. It covers both high and low points: the closeness to Nasser's Egypt followed by reversal; the successful invasion of Afghanistan which later turned into a disaster; the changing relationship with Israel which was at some time surprisingly close; the relationship with Syria which continues to be of huge significance and much more. Written by one of Russia's leading Arabists who was himself involved in the formation and implementation of policy, the book is engagingly written, extremely insightful, telling us things which only the author is in a position to tell us, and remarkably frank, not sparing senior Soviet and Russian figures from criticism. The book includes material based on the author's conversations with other leading participants.

Towards Strategic Pragmatism in Foreign Policy Charles Chao Rong Phua, 2021-10-31 What is pragmatism? Is it a means to an end or an end in itself? Is it antithetical to ideology or morality? Arguing that pragmatism is a skill much more than an attribute, Phua examines how viewing it in this way can help achieve better foreign policy outcomes. He examines and contrasts the ways in which the United States, China, and Singapore have incorporated pragmatism into their approaches to foreign policy. In doing so, he debunks dualistic myths around pragmatism and ideology and promotes the view of pragmatism as a skill that can be developed. An essential primer for students, analysts, and policymakers with a fresh and practical approach to pragmatism.

Geopolitics of the New Middle East Şaban Kardaş, Bülent Aras, 2023-06-26 This edited book takes a critical look at the geopolitics of the broader Middle East and North Africa (MENA) region. It scrutinizes some of the perennial issues shaping the regional security agenda, as well as the emerging geopolitical trends in the wake of a decade of turmoil triggered by the demands for political and economic reforms. The contributors explore the geopolitical implications of the structural transformation process in the MENA region and beyond, which has unleashed destabilizing forces and multifaceted conflicts with the involvement of many local, regional, and global actors. They also look at how some of the regional actors have reacted to the risks and security challenges produced by the wave of instability and conflicts and conducted their foreign policy in this volatile period of fluid alliances. Other contributors explore the roles and perspectives of major extra-regional actors, delving deeper into how they have adjusted their policies towards the emergence of a new order and reshuffling of alignments. This book will be of interest to researchers and advanced students of politics, international relations, and political geography. It was originally published as a special issue of the *Journal of Balkan and Near Eastern Studies*.

The International Relations of the Middle East in the 21st Century Tareq Y. Ismael, 2017-03-02 A comprehensive and timely survey of Middle Eastern international relations. Tareq Ismael provides in-depth analysis of the interrelated dimensions of confrontation that have entangled almost every aspect of life in the region, transforming it into a penetrated political system. Essential for readers interested in the Middle East international relations, politics, history, and

public policy **Beyond Syria's Borders** Emma Lundgren Jörum, 2014-12-03 Lebanon together with the province of Hatay in Turkey containing Antakya and the Golan Heights were all part of French mandate Syria but are now all outside the boundaries of the modern Syrian state The policies and reactions of Syria both to the loss of these territories and to the states that have either absorbed annexed or emerged from them Lebanon Turkey and Israel are the focus of Emma J rum s book J rum uses the differences in policy and discourse when it comes to each of these three cases to highlight the nature of territorial dispute in the region and the processes of state building and nationalism more generally Through the examination of Syria s policies concerning these lost territories J rum plots and analyses Syrian Turkish Syrian Lebanese and Syrian Israeli relations explaining why some losses have been pushed to one side and others remain at the forefront in Syria s international relations and diplomacy efforts Russia and Islam Roland Dannreuther, Luke March, 2010-06-24 Since the collapse of the Soviet Union both the Russian state and Russia s Muslim communities have struggled to find a new modus vivendi in a rapidly changing domestic and international socio political context At the same time as Islamic religious belief and practice have flourished the state has become increasingly concerned about the security implications of this religious revival reflecting and responding to a more general international concern over radicalised political Islam This book examines contemporary developments in Russian politics how they impact on Russia s Muslim communities how these communities are helping to shape the Russian state and what insights this provides to the nature and identity of the Russian state both in its inward and outward projection The book provides an up to date and broad ranging analysis of the opportunities and challenges confronting contemporary Muslim communities in Russia that is not confined in scope to Chechnya or the North Caucasus and which goes beyond simplistic characterisations of Muslims as a threat Instead it engages with the role of political Islam in Russia in a nuanced way sensitive to regional and confessional differences highlighting Islam s impact on domestic and foreign policy and investigating sources of both radicalisation and de radicalisation **The Six Day War** Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors Financial Times One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria s often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron s fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template

that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews *The United States, the Soviet Union and the Arab-Israeli conflict, 1948-67* Joseph Heller,2016-11-14 Israel s relations with each of the superpowers was determined by global factors The dilemma facing Israel was how to reconcile its interests with those of the United States having failed to do so with the Soviet Union Moreover throughout the cold war the United States considered Israel a burden rather than an asset and had to accommodate support for Israel with keeping the Arab states within the western orbit Partisan policy could have dealt a mortal blow to the fundamental assumption of American global strategy Namely that the Middle East should not be allowed to become a cold war arena The book shows how the fledgling state of Israel had to manoeuvre between the superpowers to survive *The Columbia Guide to the Cold War* Michael Kort,2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes *Islam in Russia: The Politics of Identity and Security* Shireen Hunter,2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia s Muslim populations religious institutions political organizations and ideological movements **Nasser's Gamble** Jesse Ferris,2013 Nasser s Gamble draws on declassified documents from six countries and original material in Arabic German Hebrew and Russian to present a new understanding of Egypt s disastrous five year intervention in Yemen which Egyptian president Gamal Abdel Nasser later referred to as my Vietnam Jesse Ferris argues that Nasser s attempt to export the Egyptian revolution to Yemen played a decisive role in destabilizing Egypt s relations with the Cold War powers tarnishing its image in the Arab world ruining its economy and driving its rulers to instigate the fatal series of missteps that led to war with Israel in 1967 Viewing the Six Day War as an unintended consequence of the Saudi Egyptian struggle over Yemen Ferris demonstrates that the most important Cold War conflict in the Middle East was not the clash between Israel and its neighbors It was the inter Arab struggle between monarchies and republics over power and legitimacy Egypt s defeat in the Arab Cold War set the stage for the rise of Saudi Arabia and political Islam Bold and provocative Nasser

s Gamble brings to life a critical phase in the modern history of the Middle East Its compelling analysis of Egypt s fall from power in the 1960s offers new insights into the decline of Arab nationalism exposing the deep historical roots of the Arab Spring of 2011 *Foreign Policy as Nation Making* Reem Abou-El-Fadl,2019 A comparison of Turkey s and Egypt s diverging foreign policies during the Cold War in light of their leaderships nation making projects **Nasser's Peace** Michael Sharnoff,2017-05-23 Gamal Abdel Nasser was arguably one of the most influential Arab leaders in history As President of Egypt from 1956 to 1970 he could have achieved a peace agreement with Israel yet he preferred to maintain his unique leadership role by affirming pan Arab nationalism and championing the liberation of Palestine a common euphemism for the destruction of Israel In that era of Cold War politics Nasser brilliantly played Moscow Washington and the United Nations to maximize his bargaining position and sustain his rule without compromising his core beliefs of Arab unity and solidarity Surprisingly little analysis is found regarding Nasser s public and private perspectives on peace in the weeks and months immediately after the 1967 War Nasser s Peace is a close examination of how a developing country can rival world powers and how fluid the definition of peace can be Drawing on recently declassified primary sources Michael Sharnoff thoroughly inspects Nasser s post war strategy which he claims was a four tiered diplomatic and media effort consisting of his public declarations his private diplomatic consultations the Egyptian media s propaganda machine and Egyptian diplomatic efforts Sharnoff reveals that Nasser manipulated each tier masterfully providing the answers they desired to hear rather than stating the truth that he wished to maintain control of his dictatorship and of his foothold in the Arab world

Preserving the Saudi Monarchy Samuel E. Willner,2023-06-19 This book provides a new perspective on the study of the Kingdom of Saudi Arabia and its monarchy its political leadership and decisions Moreover it analyzes how that decision making evolved before during and after the Arab Israeli War of 1973 and the subsequent Arab oil embargo that followed the run up to and aftermath of the 1975 murder of King Faysal discussions over the oil weapon and Saudi responses to the Carter presidency in the United States Through the prism of tribal decision making this book sheds new light on a number of important political events which have shaped the political leadership in Saudi Arabia and explores the behind the scenes workings of the Saudi royal family *Turkey-Syria Relations* Özlem Tür,2016-02-17 In 1997 Turkey and Syria were on the brink of war engaged in a very real power struggle Turkey was aligned with Syria s main enemy Israel and there were seemingly intractable differences on the issues of borders the sharing of river waters and trans border communities In less than a decade relations were transformed from enmity to amity Border issues and water sharing quarrels were moving towards amicable settlement and the two states policies toward the Kurdish issue converging Turkey undertook to mediate the Syrian Israeli conflict and close political and economic relations were developing rapidly between the two states Yet with the Syrian Uprising relations returned to enmity What explains these remarkable changes Given that Turkey and Syria are two pivotal states in the region what are the implications of this changing relationship for the international politics of the

Middle East the balance of power and regional stability In this internationally collaborative work co edited by Raymond Hinnebusch and zlem T r British Syrian and Turkish scholars address these questions and examine the various domestic and international drivers in this key regional relationship They discuss what theories best help us understand these seismic realignments and explore the impact of economic interdependence identity changes and power balances on the evolving relationship between these two key regional powers **The Second Partition of Palestine** Subhash Singh,2021-07-29

This book examines the factors and issues responsible for the intra Palestinian conflict that has undermined the strength and vitality of the struggle for liberation against the state of Israel It explores how the ideological incompatibility and competition for political primacy account for the Hamas Fatah conflict entailing the risk of partition of Palestine even before it takes shape as an independent sovereign entity It analyzes the developments since the signing of the September 1993 Oslo Accord and discusses themes such as the background of Palestinian politics the role of Fatah the rise of Hamas as Fatah s political rival the Hamas Fatah struggle for power and the role played by the international community including by the US and the European Union The study deals with the various facets of territorial and political challenges faced by the rival Palestinian actions the failure of the reconciliation efforts by Egypt and Yemen the stalled peace process in the West Bank and Gaza Strip the emergence of the Islamic resistance movement and secular nationalist party and the political and ideological shifts in Palestinian politics Comprehensive and topical this book will be useful to scholars and researchers of West Asian studies peace and conflict studies politics and international relations foreign policy political studies area studies and strategic and defence studies **Cultural Pragmatism for US-China Relations** Charles Chao Rong Phua,2022-10-25

The Thucydides trap and a US China face off are not structurally inevitable US China relations are what the US and China make of them Phua focuses on the ability to see US as US and China as China to trigger both countries cultural tendencies towards pragmatism Phua examines China s arduous journey to fit in the Westphalian system the deep cultural misunderstandings by the West of Sunzi s The Art of War and attempts to offer an inside out cultural synthesis of classical and modern Chinese thought as a proxy of their operational code beyond the standard clich s about Confucian and Daoist thought He builds on Jervis perception and misperception as well as Alastair Johnston s cultural realism Readers will benefit from a culturally Chinese western educated and politically neutral understanding of China as China An essential primer for academics practitioners and students of international relations diplomacy and Chinese culture **Russia in Africa** Samuel Ramani,2023-05-01

Three decades after the Soviet Union s collapse Russia has transformed from a fringe player to a resurgent great power in Africa The October 2019 Russia Africa Summit in Sochi highlighted the appeal of Russia s normative agenda the ubiquity of Russian military technology and the breadth of Moscow s presence on the continent Beneath the pageantry a darker side of Russia s African resurgence looms large From Libya to Madagascar Russia has used sinister tactics to expand its influence such as private military contractors shadowy mining and energy deals with authoritarian regimes and election interference

campaigns This book presents a chronological examination of Russia's post Cold War foreign policy towards Africa and outlines the factors that have enabled and impeded the growth of its influence It pays special attention to the non material factors behind this rising power the domestic drivers of Russian decision making Moscow's relationships with fellow external powers and African perspectives on Russia's geopolitical role Samuel Ramani's analysis cites extensively both Russian language media and academic sources and his own interviews with Russian and African elites His fascinating study challenges popular depictions of Russia as an opportunistic anti Western actor instead emphasizing Moscow's strategic commitment to Africa and the endurance of historical memory

The Iron Wall Avi Shlaim, 2015-07-30 Avi Shlaim's *The Iron Wall* Israel and the Arab World is the outstanding book on Israeli foreign policy now thoroughly updated with a new preface and chapters on Israel's most recent leaders In the 1920s hard line Zionists developed the doctrine of the Iron Wall negotiations with the Arabs must always be from a position of military strength and only when sufficiently strong Israel would be able to make peace with her Arab neighbours This doctrine argues Avi Shlaim became central to Israeli policy dissenters were marginalized and many opportunities to reconcile with Palestinian Arabs were lost Drawing on a great deal of new material and interviews with many key participants Shlaim places Israel's political and military actions under an uncompromising lens His analysis will bring scant comfort to partisans on both sides but it will be required reading for anyone interested in this fascinating and troubled region of the world *The Iron Wall* is strikingly fair minded scholarly cogently reasoned and makes enthralling reading Philip Ziegler Daily Telegraph Anyone wanting to understand the modern Middle East should start by reading this elegantly written and scrupulously researched book Trevor Royle Sunday Herald A milestone in modern scholarship of the Middle East Edward Said Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history Ethan Bronner The New York Times Book Review Avi Shlaim is Professor of International Relations at St Antony's College Oxford His previous books include *Collusion Across the Jordan* 1988 and *War and Peace in the Middle East* 1995

Enjoying the Melody of Expression: An Psychological Symphony within **Russian Policy In The Middle East From Messianism To Pragmatism**

In a global eaten by monitors and the ceaseless chatter of instantaneous communication, the melodic beauty and mental symphony created by the published term often disappear in to the back ground, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, set within the pages of **Russian Policy In The Middle East From Messianism To Pragmatism** a charming literary treasure brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts visitors on a mental trip, well unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this poignant evaluation, we shall examine the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Russian Policy In The Middle East From Messianism To Pragmatism Introduction

In today's digital age, the availability of Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Policy In The Middle East From Messianism To Pragmatism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Policy In The Middle East From Messianism To Pragmatism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Policy In The Middle East From Messianism To Pragmatism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Policy In The Middle East From Messianism To Pragmatism books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Policy In The Middle East From Messianism To Pragmatism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Policy In The Middle East

From Messianism To Pragmatism is one of the best book in our library for free trial. We provide copy of Russian Policy In The Middle East From Messianism To Pragmatism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Policy In The Middle East From Messianism To Pragmatism. Where to download Russian Policy In The Middle East From Messianism To Pragmatism online for free? Are you looking for Russian Policy In The Middle East From Messianism To Pragmatism PDF? This is definitely going to save you time and cash in something you should think about.
