Russian Economic History

Richard Connolly

Russian Economic History:

A History of Russian Economic Thought Vincent Barnett, 2013-03-07 The collapse of the Union of Soviet Socialist Republic at the end of the 1980 s was conceived as a victory for capitalist democracy Here Vincent Barnett provides the first comprehensive account of the historical development of Russian and Soviet economic thought across the nineteenth and twentieth centuries and considers its future in the twenty first century Utilizing an extensive range of historical sources Barnett examines the different strands of thought including classical neoclassical historical socialist liberal and Marxian schools He traces their influence and the impact their ideas had on shaping policies An excellent addition to the Routledge History of Economic Thought series this book covers pre 1870 Tsarist economics the late Tsarist period the impact of the war Bolshevik economics Stalinist economics Russian economics after 1940 Incorporating a detailed timeline of the most significant Russian economists work and analyzing the effects of historical discontinuities on the institutional structure of Russian economics as a discipline Barnett delivers an essential text for postgraduates and professionals interested in economic history and the evolution of Russian economic thought

The Russian Economy: A Very Short Introduction

Richard Connolly, 2020-07-23 Russia today is as prominent in international affairs as it was at the height of the Cold War Yet the role that the economy plays in supporting Russia s position as a great power on the international stage is poorly understood For many Russia s political influence far exceeds its weight in the global economy However Russia is one of the largest economies in the world it is not only one of the world s most important exporters of oil and gas but also of other natural resources such as diamonds and gold Its status as one of the largest wheat and grain exporters shapes commodity prices across the globe while Russia s enormous arms industry second only to the United States provides it with the means to pursue an increasingly assertive foreign policy All this means that Russia s economy is crucial in serving the country s political objectives both within Russia and across the world Russia today has a distinctly political type of economy that is neither the planned economy of the Soviet era nor a market based economy of the Euro Atlantic variety Instead its economic system is characterised by a unique blend of state and market control and freedom and natural resources alongside human ingenuity *The Russian Economy A Very Short Introduction* introduces readers to the dimensions of the Russian economy that are often ignored by the media and public figures or exaggerated and misunderstood In doing so it shows how Russia s economy is one of global significance and helps explain why many of Russia s enduring features such as the heavy hand of the state and the emphasis on military industrial production have persisted despite the immense changes that took place after the disintegration of the Soviet Union in 1991 ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Re-Examining the History of the Russian Economy Jeffrey K.

Hass,2018-06-14 This book explores the application of field theory patterns of interaction to Russian economic history and how social and political fields mediate the influences of institutions structures discourses and ideologies in the creation and dissemination of economic thinking theory and practice Using focused cases on Russia s economy from the mid nineteenth century to the present Hass and co authors expand the empirical basis of field studies to provide new material on Russian economic history The cases are divided into two complementary halves i The role of fields of institutions discourses and structures in the development of Russian economic thought especially economic theories and discourses and ii The role of fields in the real adoption and implementation of policies in Soviet and Russian economic history With developed discussion of fields and field theory this book moves beyond sociology to demonstrate to other disciplines the relation of fields and field theory to other frameworks and methodological considerations for field analysis as well as providing new empirical insights and narratives not as well known abroad

Russian Economic Development over Three Centuries Masaaki

Kuboniwa,Yasushi Nakamura,Kazuhiro Kumo,Yoshisada Shida,2019-11-04 This book aims to provide a comprehensive statistical picture of the Russian economic development covering the Imperial Soviet and New Russian periods The authors have reconstructed Russian socio economic statistics from both published and archival materials The book gives concise descriptions as well as new insights on the Russian economic development Compiled such that estimations by the authors are kept to a minimum and extensive explanations and notes on the sources the definitions the statistical methodologies the problems and inconsistencies of the original data and the pitfalls of interpreting the time series are given makes this a standard reference book of the Russian economic history It will be of value to economists scholars of collectivist economics and scholars of Russia and the Soviet experience

Russian Economic History Daniel R. Kazmer,Vera Kazmer,1977

Before Command Paul R. Gregory,2014-07-14 In a work with significant implications for present day economic reform in the Soviet Union Paul Gregory examines Russian and Soviet economic history prior to the installation of the administrative command system By drawing on basic economic statistics from 1861 to the 1930s Gregory s revisionist account debunks a number of myths promulgated by historians in both the East and the West He demonstrates that the Russian economy under the tsars performed much better than has previously been supposed the Russian economy and its financial institutions were integrated into the world economy allowing Russia to attract significant foreign capital Furthermore he shows that Stalin s justifications for the abandonment of the New Economic Policy in the late 1920s were incorrect the so called crises of NEP were either fabricated or the result of misguided economic thinking Before Command is the culmination of the author s lifelong study of the economic history of Russia and the Soviet Union In convincing detail it describes little known Russian and Soviet successes with market capitalism while it also shows the problems inherent in a mixed system such as the NEP which seeks to combine very strong elements of command with market resource allocation Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books

from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

An Economic History of Russia James Mavor, 1925 *Russia's Economy in an Epoch of Turbulence* Vladimir Mau, 2017-11-27 Over the course of the last thirty years post communist Russia has either been struggling with crises discussing the lessons learned from past crises or attempting to trace the contours of future crises Based on the author's own experiences and his research over this long period this book traces the logic of the development of the crises and the anti crisis policies and shows the continuity or discontinuity in determining particular solutions It demonstrates how perceptions of the priorities for economic policy and the problems of economic growth and the formation of a new model and its alternatives were formed and how they changed It also outlines the evolution of ideas about the role of social politics and human capital sectors in addressing anti crisis and modernization issues and discusses the changing views on the institutional and structural priorities for Russia's development This is an important book on an economic subject of crucial global significance by a leading participant

The Contemporary Russian Economy Marek Dabrowski, 2023-01-01 This textbook offers a wide ranging comprehensive analysis of the contemporary Russian economy as it functions in the early 2020s concentrated on the economy economic policy and economic governance Chapters cover recent Russian economic history the economic geography of Russia natural resources population major sectors and industries living standards and social policy institutions governance economic policy and Russia's role in the global economy The book will provide a comparative cross country context analysing how the Russian economy and its institutions perform compared to its peers to help students and instructors understand Russia's strengths weaknesses and future challenges Prepared by a team of leading Russian and international experts on the respective topics this textbook will be of interest to those studying Russian economics It will be valuable reading for undergraduate and graduate students of Russian studies the Russian economy Russian politics the economics of transition the economics of emerging markets and international relations

Russia's First World War Peter Gatrell, 2014-07-10 The story of Russia's First World War remains largely unknown neglected by historians who have been more interested in the grand drama that unfolded in 1917 In *Russia's First World War A Social and Economic History* Peter Gatrell shows that war is itself revolutionary rupturing established social and economic ties but also creating new social and economic relationships affiliations practices and opportunities Russia's First World War brings together the findings of Russian and non Russian historians and draws upon fresh research It turns the spotlight on what Churchill called the unknown war providing an authoritative account that finally does justice to the impact of war on Russia's home front

The Economic Development of Russia 1905-1914 Margaret Miller, 2017-02-17 This book originally published in 1926 but updated in 1967 analyses Russia's economy in the decade preceding the outbreak of the First World War It covers trade

finance transport and industry and each chapter is supported by statistics drawn from Russian and international sources The introduction to the second edition links pre 1917 development with late twentieth century economic change and in so doing serves as a guide to assessing Soviet Russia's internal economic problems against the country's historical background **An Economic History of Russia** James Mavor, 1965 Russian Economic History Arcadius Kahan, 1989-01-04 Upon the foundation of his unique experience and education the late Arcadius Kahan 1920-1982 built a substantial body of scholarship on all aspects of the tsarist economy Yet some of his important contribution might well have been dissipated were it not for this collection since many of these essays were often available only in isolated obscure sources This posthumous volume makes readily available for the first time ten of Kahan's essays nine previously published in English and one in German which serve to integrate his carefully developed picture of nineteenth century Russian economic history Kahan's remarkable vision forms a complement to the thought of Gerschenkron and this volume is certain to become a valuable source for scholars and students of Russian and European economic and social history **Economy and Society in Russia and the Soviet Union, 1860-1930** Linda Edmondson, Peter Waldron, 1992-11-25 This is a volume of essays exploring important themes in the economic and social history of Russia and the Soviet Union during the critical period between 1860 and 1930 It covers developments in agriculture industry trade economic theory defence policy and the social impact of revolution The essays are written by well established specialists in Russian and Soviet economic and social history and are intended as a tribute to the work of the highly esteemed economic historian Olga Crisp *Russian Economic Development Since the Revolution* Maurice Dobb, Henry Charles Stevens, 1928 Economics in Russia Dr Vincent L Barnett, Mr Joachim Zweynert, 2013-06-28 The history of Russian economic ideas from the sixteenth century to contemporary times is a fascinating tumultuous yet neglected topic among Western scholars Whilst over the last 15 years increasing amounts of work has been done on the subject co operation between Russian and Western researchers in this field leaves much to be desired In order to improve this situation this volume unites Russian and non Russian researchers together to provide an overview of the current state of the topic and to give a stimulus for further research Bringing together scholars from the UK Germany Japan Australia Finland and Russia the collection puts forward differing yet complimentary perspectives on the long term history of Russian economic ideas Offering a broad collection of articles covering the period from the seventeenth to the twentieth centuries authors have approached the subject from diverse theoretical angles Contributions in the tradition of Blaug and Schumpeter focusing on economic analysis in a narrower sense and contributions that in line with authors like Pribram or Perlman McCann deal with economic thought in the context of history and culture are all represented In terms of content the editors have encouraged approaches that represent different economic traditions in order to encourage a diversity of opinions on the national development of Russian economics As such the volume offers a broad and very relevant assessment of the subject for both historians and economists alike The Revolutionary Russian Economy, 1890-1940 Vincent Barnett, 2004-03-04

Looking at the alternatives to Stalin's reform program that had such tragic outcomes this snappy readable book this will be an insightful text for economic and political historians with an interest in Russia

The Economy of Russia and Other Post-Soviet Countries Alexander S. Bulatov, Yury D. Kvashnin, Nina M. Mamedova, 2019-04-25 This volume offers analyses of the basic tendencies and the problems of Russia Eastern Europe Transcaucasia Central Asia and the Baltic states It covers the Russian economic model the rates and proportions of the Russian economy its real financial external and social sectors investment and fixed assets human capital and economic policy East European Transcaucasian Central Asian and Baltic economies are then analysed using the same perspectives This allows a comparison of the economic progress of the post Soviet countries highlighting the differences and the similarities between them This book will be useful for students professors and businessmen interested in cooperation with the post Soviet countries

New Russian Economic History Ekaterina V. Zhuravskaya, S. M. Guriev, Andrei Markevich, 2022 This survey discusses recent developments in the growing literature on the Russian economic history of the 19th and 20th centuries Using novel data and modern empirical methods this research generates new insights and provides important lessons for development economics and political economy We organize the discussion around four strands of this literature First we summarize and put in comparative perspective research on the long term trends in economic development and living standards which shows that throughout history Russia significantly underperformed advanced economies We also compile reliable quantifications of the human cost of Stalin's dictatorship Second we discuss new studies of imperial Russia that partially confirm Gerschenkron's classic conjecture on the institutional explanation for Russia's relatively low level of economic development and on the causes of the revolution The third strand of the literature focuses on the Soviet period and explains its slowdown over time and the eventual collapse of the system by the command economy's inability to provide incentives to individual agents The fourth strand documents the long term economic social and political consequences of large scale historical experiments that took place during both the imperial and the Soviet periods We conclude by discussing the lessons from these four strands of the literature and highlight open questions for future research

Studies in Economics and Russia Alec Nove, 1990-06-18 A collection of papers reflecting a wide range of thought from the history of Russian economic thought to the possible ramifications of changes in contemporary Soviet economic policy with respect to the problems created by a functioning capitalist style market

Russian Economic History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Economic History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Economic History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Economic History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Economic History Books

What is a Russian Economic History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Economic History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Economic History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Economic History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Economic History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac),

or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
