Russian History:

Russian History Geoffrey Hosking, 2012-03-29 Spanning the divide between Europe and Asia Russia is a multi ethnic empire with a huge territory strategically placed and abundantly provided with natural resources But Russia's territory has a harsh climate is cut off from most maritime contact with the outside world and has open and vulnerable land frontiers It has therefore had to devote much of its wealth to the armed forces and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively especially given the diversity of its people In this Very Short Introduction Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society the transformation of the empire into a multi ethnic empire Russia's relationship with the West Europe the Soviet experience and the post Soviet era ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

A Companion to Russian History Abbott Gleason, 2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field

A History of Russia, the Soviet Union, and Beyond David MacKenzie, Michael W. Curran, 2002 In this revision of their best selling book MacKenzie and Curran present a clear and objective account of the history of Russians and other eastern Slavs from its beginnings in ancient Rus to the demise of the Soviet Union and most recently the Putin presidency Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history The authors approach weaves the external geographic determinism of the Eurasian school and the organic inner oriented approach of Russian historians

A History of Russia Catherine Evtuhov, Richard Stites, 2004 A History of Russia Peoples Legends Events Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union As such the text written by foremost scholars in Russian History has been informed by the burgeoning historiography of the 1990s Features unique to this text include the blending of straight forward chronological political narrative with superior accessible treatment of sophisticated intellectual and cultural traditions as well as popular culture and its foundations and continuities the role of historical memory and the social and cultural role of religion and devotional life coverage of gender issues inclusion of the various ethnic groups and nationalities that formed the Russian Empire and Soviet Union with attention to both their roles and their perspectives and modern easily read maps placed within

larger geographical context that will enhance reader comprehension Back cover

The Russian Revolution Sean McMeekin, 2017-05-30 A powerful revisionist history Times UK illuminating the tensions and transformations of the Russian Revolution In *The Russian Revolution* acclaimed historian Sean McMeekin traces the events which ended Romanov rule ushered the Bolsheviks into power and introduced Communism to the world Between 1917 and 1922 Russia underwent a complete and irreversible transformation Taking advantage of the collapse of the Tsarist regime in the middle of World War I the Bolsheviks staged a hostile takeover of the Russian Imperial Army promoting mutinies and mass desertions of men in order to fulfill Lenin's program of turning the imperialist war into civil war By the time the Bolsheviks had snuffed out the last resistance five years later over 20 million people had died and the Russian economy had collapsed so completely that Communism had to be temporarily abandoned Still Bolshevik rule was secure owing to the new regime's monopoly on force enabled by illicit arms deals signed with capitalist neighbors such as Germany and Sweden who sought to benefit politically and economically from the revolutionary chaos in Russia Drawing on scores of previously untapped files from Russian archives and a range of other repositories in Europe Turkey and the United States McMeekin delivers exciting groundbreaking research about this turbulent era The first comprehensive history of these momentous events in two decades *The Russian Revolution* combines cutting edge scholarship and a fast paced narrative to shed new light on one of the most significant turning points of the twentieth century

A Short History of Russia Mark Galeotti, 2020-07-07 A Library Journal 2020 Title to Watch Terrific and an amazing achievement to cover so much ground in such a short and wonderfully readable book Peter Frankopan bestselling author of *The Silk Roads* Russia's epic story told in an accessible lively and short form using the country's fascinating history to help us understand its actions today and what the future might hold A country with no natural borders no single ethnic group no true central identity Russia has mythologized its past to unite its people to justify its military decisions and to signal strength to outsiders Mark Galeotti takes us behind the myths to the heart of the Russian story covering key moments such as the formation of a nation through its early legends including Ivan the Terrible and Catherine the Great the rise and fall of the Romanovs the Russian Revolution the Cold War Chernobyl and the Soviet Union the arrival of an obscure politician named Vladimir Putin and his ambitions for Russia *A Short History of Russia* explores the history of this fascinating extraordinary desperate and exasperating country through two intertwined issues the way successive influences from beyond its borders have shaped Russia and the way Russians came to terms with this influence writing and rewriting their past to understand their present and try to shape their future In turn this self invented history has come to affect not just their constant nation building project but also their relations with the world

Introduction to the Study of Russian History William Fiddian Rees, 1920 This book provides a brief introduction to basic elements of Russian history The author provides a basic outline for those first studying the history of Russia Russia Gregory L. Freeze, 1997-11-27 a riddle wrapped in a mystery inside an enigma Churchill's assessment has for years typified

many people's attitude towards Russia this great land of bewildering contrasts What other country has seen such extremes of imperial opulence and abject poverty tyrannical power and subversive resistance artistic achievement and economic crisis glittering cities and desolate frozen wastes Where else has such dramatic political change occurred with such dizzying rapidity Now for the first time the true story of this fascinating land is revealed Russia A History cuts through the myths and mystery that have surrounded Russia from its earliest days to the present with startling revelations from classified archives that until recently were not even known to exist Using the most recently available sources with many pictures that have never before been published a distinguished team of historians have stripped away the propaganda and preconceptions of the past to tell the definitive story of Russia from Kiev and Muscovy through empire and revolution to communism and Perestroika and the new order of the present day The result is an absorbing account of the rise and fall of a superpower and its impact on the peoples both within and beyond its borders **An Introduction to Russian History** Nicholas L.

Chirovsky, 1967 *The Course of Russian History, 5th Edition* Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history *History of the Russian Revolution* Leon Trotsky, 2008 During the first two months of 1917 Russia was still a Romanov monarchy Eight months later the Bolsheviks stood at the helm They were little known to anybody when the year began and their leaders were still under indictment for state treason when they came to power You will not find another such sharp turn in history especially if you remember that it involves a nation of 150 million people It is clear that the events of 1917 whatever you think of them deserve study Leon Trotsky from *History of the Russian Revolution* Regarded by many as among the most powerful works of history ever written this book offers an unparalleled account of one of the most pivotal and hotly debated events in world history This book reveals from the perspective of one of its central actors the Russian Revolution's profoundly democratic emancipatory character Originally published in three parts Trotsky's masterpiece is collected here in a single volume It serves as the most vital and inspiring record of the Russian Revolution to date The greatest history of an event that I know C L R James Justly celebrated as a towering vivid historically vital work China Mi ville

October In Trotsky all passions were aroused but his thought remained calm and his vision clear His involvement in the struggle far from blurring his sight sharpens it The History is his crowning work both in scale and power and as the fullest expression of his ideas on revolution As an account of a revolution given by one of its chief actors it stands unique in world literature Isaac Deutscher **Lenin and the Russian Revolution** Steve Phillips,2000 A study of Lenin and the Russian Revolution It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic The A2 section reflects the different demands of the higher level examination

Russia Gregory L. Freeze,2000 Thirteen American and European historians exploit the archival revolution of 1991 as well as the best contemporary scholarship to provide a major reinterpretation of Russian history 16 color plates 181 halftones maps **The Decentralization of Russian History ...** Jeroid Tanquary Robinson,1921 **A Thousand Years of Russian History** Sonia Elizabeth Howe,1915 **Pictures of Russian History and Russian Literature** Sergei[e]i Volkonskii (kni[a]z'),1898 The Russian Revolution of 1917 - Memory and Legacy Carol S. Leonard,Daniel Orlovsky,Jurej Petrov,2024-07-30 The way in which the Russian Revolution of October 1917 is regarded and commemorated has changed considerably over time and is a contentious subject well demonstrated by the absence of any official commemoration in Russia in 2017 a huge contrast to the very large celebrations which took place in Soviet times This book which brings together a range of leading historians of the Russian Revolution from both Russia and the West and both younger and older historians explores the changes in the way in which the October 1917 Revolution is commemorated and also examines fundamental questions about what the Russian Revolution indeed what any revolution was anyway Among the issues covered are how Soviet and Western historians diverged in their early assessments of what the Revolution achieved how the period studied by historians has recently extended both much earlier before 1917 and much later afterwards and how views of the Revolution within the Soviet Union changed over time from acceptance of the official Communist Party interpretation to more independent viewpoints Overall the book provides a major reassessment of one of the twentieth century s most important events A Concise History of Russia Paul Bushkovitch,2011-12-05 Accessible to students tourists and general readers alike this book provides a broad overview of Russian history since the ninth century Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991 Since then new material has come to light on the history of the Soviet era providing new conceptions of Russia s pre revolutionary past The book traces not only the political history of Russia but also developments in its literature art and science Bushkovitch describes well known cultural figures such as Chekhov Tolstoy and Mendeleev in their institutional and historical contexts Though the 1917 revolution the resulting Soviet system and the Cold War were a crucial part of Russian and world history Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power **A Short History of Russia** Mary Platt Parmele,2019-11-26 In A Short History of Russia Mary Platt Parmele offers a concise yet profound exploration of Russia s

tumultuous past weaving together political cultural and social narratives that span several centuries With a literary style that is both accessible and informative Parmele employs a clear chronological structure that invites readers to grasp complex historical developments without the burden of overly technical language Her work is situated in the broader context of late 19th century historiography characterized by an increasing interest in national histories that elucidate the ties between cultural identity and historical events Mary Platt Parmele an accomplished educator and historian harnessed her passion for history and her experiences in teaching to pen this enlightening work Her insights are deeply influenced by her belief in the importance of understanding history to inform contemporary society Parmele s commitment to educating her audience reflects a broader trend among women writers of her time who sought to make history accessible to a wider readership and illuminate often overlooked narratives Readers interested in Russian history whether novices or enthusiasts will find *A Short History of Russia* an invaluable resource Parmele s ability to distill extensive historical complexities into engaging prose enriches our understanding of Russia s diverse heritage providing a solid foundation for further exploration of its captivating culture

Mastering Twentieth-Century Russian History Norman Lowe, 2020-08-29 *Mastering Twentieth Century Russian History* presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history

This book delves into Russian History. Russian History is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Russian History, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Russian History
- Chapter 2: Essential Elements of Russian History
- Chapter 3: Russian History in Everyday Life
- Chapter 4: Russian History in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Russian History. The first chapter will explore what Russian History is, why Russian History is vital, and how to effectively learn about Russian History.

3. In chapter 2, this book will delve into the foundational concepts of Russian History. This chapter will elucidate the essential principles that must be understood to grasp Russian History in its entirety.

4. In chapter 3, this book will examine the practical applications of Russian History in daily life. This chapter will showcase real-world examples of how Russian History can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Russian History in specific contexts. The fourth chapter will explore how Russian History is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, the author will draw a conclusion about Russian History. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Russian History.

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russian History full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian History eBooks, including some popular titles.

FAQs About Russian History Books

What is a Russian History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
