Russians Observed:

National Identity and Ethnicity in Russia and the New States of Eurasia Roman Szporluk, 1994 First Published in 1995 Routledge is an imprint of Taylor Francis an Informa company *Account of the Russian Discoveries between Asia and America* William Coxe, 2018-09-21 Reproduction of the original *Account of the Russian Discoveries between Asia and America* by William Coxe *Account of the Russian Discoveries Between Asia and America* William Coxe, 1780 *Russian Baptists and Orthodoxy, 1960-1990* Constantine Prokhorov, 2014-01-14 Russian Baptists and the Orthodox Church have had a difficult and at times dramatic relationship over the past century and a half However the purpose of this thesis is to examine certain internal connections between these two Christian bodies Despite the evident dissimilarity in theology church practice and traditions there is common ground which has been largely unexplored A number of features inevitably brought them together such as living in the same country over a long period of time sharing a history and national roots responding to the same civic concerns and finally until recently using the same Russian Synodal translation of the Bible This thesis explores first of all the roots of the issue of Orthodox Baptist similarities and dissimilarities in the nineteenth century The remainder of the thesis focuses on 1960 to 1990 There is a chapter analyzing the way in which in significant areas Russian Baptist theology resembled Orthodox thinking This is followed by a study of church and sacraments which again shows that Russian Baptist approaches had echoes of Orthodoxy The thesis then explores Baptist liturgy showing the Orthodox elements that were present The same connections are then explored in the area of Russian Baptist communal spiritual traditions The examination of the Bible beliefs and behaviour also indicates the extent to which Russian Baptists mirrored Orthodoxy Finally there is an analysis of the popular piety of the Russian Baptists and the way in which they constructed an alternative culture The basic views of Russian Baptists between the 1960s and 1990 have been drawn from periodicals of the Russian Baptist communities and from interviews with pastors presbyters and church members who were part of these communities This often yields insights into primary theology which in relation to many issues differs from official Baptist declarations that tend to stress the more Protestant aspects of Russian Baptist life The aim of the thesis is to show that in a period in the history of the USSR when the division between the Western world and the Soviet bloc was marked there was a strong Eastern orientation among Russian Baptists This changed when the USSR came to an end Over a number of years there was mass emigration of Russian Baptists and in addition pro Western thinking gained considerable ground within the Russian Baptist community During the period examined here however it is possible to uncover a great deal of evidence of Russian Baptists participating in Orthodox theology spiritual mentality and culture **Blacks, Reds, and Russians** Joy Gleason Carew, 2010 One of the most compelling yet little known stories of race relations in the twentieth century is the account of blacks who chose to leave the United States to be involved in the Soviet Experiment in the 1920s and 1930s In *Blacks Reds and Russians* Joy Gleason Carew offers insight into the political strategies that often underlie relationships between different peoples and

countries Interviews with the descendents of figures such as Paul Robeson and Oliver Golden offer rare personal insights into the story of a group of emigrants who confronted by the daunting challenges of making a life for themselves in a racist United States found unprecedented opportunities in communist Russia **Asian and African Studies** meisai.org.il,

Kodiak Kreol Gwenn A. Miller,2015-11-25 From the 1780s to the 1820s Kodiak Island the first capital of Imperial Russia s only overseas colony was inhabited by indigenous Alutiiq people and colonized by Russians Together they established an ethnically mixed kreol community Against the backdrop of the fur trade the missionary work of the Russian Orthodox Church and competition among Pacific colonial powers Gwenn A Miller brings to light the social political and economic patterns of life in the settlement making clear that Russia s modest colonial effort off the Alaskan coast fully depended on the assistance of Alutiiq people In this context Miller argues the relationships that developed between Alutiiq women and Russian men were critical keys to the initial success of Russia s North Pacific venture Although Russia s Alaskan enterprise began some two centuries after other European powers Spain England Holland and France started to colonize North America many aspects of the contacts between Russians and Alutiiq people mirror earlier colonial episodes adaptation to alien environments the discovery and exploitation of natural resources complicated relations between indigenous peoples and colonizing Europeans attempts by an imperial state to moderate those relations and a web of Christianizing practices Russia s Pacific colony however was founded on the cusp of modernity at the intersection of earlier New World forms of colonization and the bureaucratic age of high empire Miller s attention to the coexisting intimacy and violence of human connections on Kodiak offers new insights into the nature of colonialism in a little known American outpost of European imperial power [An Ethnic Perspective on Economic Reform](#) Erik Andre Andersen,2018-12-13 First published in 1999 this book has its main emphasis on the consequences of privatisation for the Russian population in Estonia The Book will attempt to answer the following questions by comparing the Estonians and the Russians The process of restoration of the Republic of Estonia which began to move fast in the late 1980 s and culminated with the declaration of national independence in 1991 is seen as an important political factor behind the economic reform in Estonia This reform during the transition period is generally considered to be among the most successful in eastern Europe **The Routledge Handbook of Translation and Religion**

Hephzibah Israel,2022-12-19 The Routledge Handbook of Translation and Religion is the first to bring together an extensive interdisciplinary engagement with the multiple ways in which the concepts and practices of translation and religion intersect The book engages a number of scholarly disciplines in conversation with each other including the study of translation and interpreting religion philosophy anthropology history art history and area studies A range of leading and emerging international specialists critically engage with changing understandings of the key categories translation and religion as discursive constructs thus contributing to the development of a new field of academic study translation and religion The 28 contributions divided into six parts analyze how translation constructs ideas texts or objects as sacred or for

religious purposes often in competition with what is categorized as non religious The part played by faith communities is treated as integral to analyses of the role of translation and religion It investigates how or why translation functions in re constructing and transforming religion s and for whom and examines a range of sacred texts in translation from the written to the spoken manuscript to print paper to digital architectural form to objects of sacred art intersemiotic scriptural texts and where commentary exegesis and translation interweave This Handbook is an indispensable scholarly resource for researchers in translation studies and the study of religions *Comment on Current Events* ,1941 [The Silent Listener](#) D J Thorp,2011-07-31 On 2 April 1982 Argentina launched Operation Rosario the invasion of the Falklands The British caught off guard responded with Operation Corporate Deployed alongside the rest of the British Army was a small specialist intelligence unit whose very existence was unknown to many commanders and whose activities were cloaked in the Official Secrets Act Trained during the years of the Cold War the OC of the unit D J Thorp was tasked with providing electronic warfare support interception of Argentinean electronic and radio signals allowing the British to be in real time receipt of enemy plans long before execution He personally briefed Col H Jones before the Battle of Goose Green For the first time in print *The Silent Listener* confirms the existence and role of the Special Task Detachment during Operation Corporate and provides details of the deployment and operational role of a dedicated ground based electronic warfare EW weapons facility It also details the development of electronic warfare during the Cold War period including the establishment of a communications intercept site on East Island following the cessation of hostilities in the Falklands and D J Thorp s top secret role in the investigation into the sinking of ARA General Belgrano **Beyond the North Wind** Darra Goldstein,2020-02-04 100 traditional yet surprisingly modern recipes from the far northern corners of Russia featuring ingredients and dishes that young Russians are rediscovering as part of their heritage IACP AWARD FINALIST LONGLISTED FOR THE ART OF EATING PRIZE NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE WASHINGTON POST AND FORBES A necessary resource for food writers and for eaters a fascinating read and good excuse to make fermented oatmeal Bon App tit Russian cookbooks tend to focus on the food that was imported from France in the nineteenth century or the impoverished food of the Soviet era *Beyond the North Wind* explores the true heart of Russian food a cuisine that celebrates whole grains preserved and fermented foods and straightforward but robust flavors Recipes for a dazzling array of pickles and preserves infused vodkas homemade dairy products such as farmers cheese and cultured butter puff pastry hand pies stuffed with mushrooms and fish and seasonal vegetable soups showcase Russian foods that are organic and honest many of them old dishes that feel new again in their elegant minimalism Despite the country s harsh climate this surprisingly sophisticated cuisine has an incredible depth of flavor to offer in dishes like Braised Cod with Horseradish Roast Lamb with Kasha Black Currant Cheesecake and so many more This home style cookbook with a strong sense of place and evocative storytelling brings to life a rarely seen portrait of Russia its people and its palate with 100 recipes gorgeous photography and essays on the little

known culinary history of this fascinating and wild part of the world *Dostoevsky's Hamlet in Nineteenth-Century Russia* Petra Bjelica, 2025-05-15 Dostoevsky uses Hamlet to address some of the most important problems in Russian culture in the second half of the 19th century Approaching Dostoevsky's engagement with Shakespeare through a focus on his novel *Demons* Petra Bjelica considers the figure of Hamlet as it connects to Russian national identity spirituality and cultural migration Bjelica argues that Russian Hamletism is a perfect example of how a literary phenomenon forms through a specific culture She reads Dostoevsky's use of Hamlet through the Tsarist government the wide gap between the aristocratic working and peasant class and the educated intelligentsia of the period Russian Hamletism is shown to reflect the hegemony of power as well as the intricate debates that arise via political ideological and philosophical differences between Slavophiles and Westerners The book touches on the translatability and universality of Shakespeare his cultural hegemony and the ethics of appropriating the other by exploring Dostoevsky's highly original interpretation of Hamlet Rather than just referencing the play Dostoevsky's engagement with opposing and contradictory elements of Russian Hamletism dramatize the Hamletian dilemma anew By rethinking literary transmission and the concept of source the intertextuality of Shakespeare and Russian Hamletism in Dostoevsky finds new ground **Muslim Resistance to the Tsar** Moshe Gammer, 2013-11-05 First published in 2003 Much has been written about the Muslim Murid movement and its leader Shamil who resisted the Tsarist Russian expansion into Chechnya and Dagestan for more than quarter of a century This study based on research in multilingual archives offers a fresh insight into this controversial subject **Potsdam** Michael Neiberg, 2015-05-05 The definitive account of the 1945 Potsdam Conference the historic summit where Truman Stalin and Churchill met to determine the fate of post World War II Europe After Germany's defeat in World War II Europe lay in tatters Millions of refugees were dispersed across the continent Food and fuel were scarce Britain was bankrupt while Germany had been reduced to rubble In July of 1945 Harry Truman Winston Churchill and Joseph Stalin gathered in a quiet suburb of Berlin to negotiate a lasting peace a peace that would finally put an end to the conflagration that had started in 1914 a peace under which Europe could be rebuilt The award winning historian Michael Neiberg brings the turbulent Potsdam conference to life vividly capturing the delegates personalities Truman trying to escape from the shadow of Franklin Roosevelt who had died only months before Churchill bombastic and seemingly out of touch Stalin cunning and meticulous For the first week negotiations progressed relatively smoothly But when the delegates took a recess for the British elections Churchill was replaced both as prime minister and as Britain's representative at the conference in an unforeseen upset by Clement Attlee a man Churchill disparagingly described as a sheep in sheep's clothing When the conference reconvened the power dynamic had shifted dramatically and the delegates struggled to find a new balance Stalin took advantage of his strong position to demand control of Eastern Europe as recompense for the suffering experienced by the Soviet people and armies The final resolutions of the Potsdam Conference notably the division of Germany and the Soviet annexation of Poland reflected the uneasy geopolitical

equilibrium between East and West that would come to dominate the twentieth century As Neiberg expertly shows the delegates arrived at Potsdam determined to learn from the mistakes their predecessors made in the Treaty of Versailles But riven by tensions and dramatic debates over how to end the most recent war they only dimly understood that their discussions of peace were giving birth to a new global conflict *History of the Wars of the French Revolution* Edward Baines,1824 Encyclopedia of Contemporary Russian Culture Tatiana Smorodinskaya,Karen Evans-Romaine,Helena Goscilo,2007 This encyclopedia examines Russian culture from 1953 Stalin s death to the present day Both Russian and Culture are defined broadly Given the diversity of the Federation in its ethnic composition and regional characteristics questions of national regional and ethnic identity receive special attention as do Russian speaking immigrant communities Culture embraces all aspects of culture and lifestyle high and popular artistic and material art fashion literature music cooking transport politics and economics film crime all are covered to give a full picture of the Russian way of life through the extraordinary changes since the middle of the twentieth century The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent Russian culture and history for students teachers and researchers It is a valuable acquisition for both academic and public libraries Entries include cross references and often short bibliographies There is a full index

The Laws That Shaped America Dennis W. Johnson,2009-05-31 Dennis W Johnson tells the story of fifteen major laws enacted over the course of two centuries of American democracy for each looking at the forces and circumstances that led to its enactment the often tempestuous political struggles the political players who were key in proposing or enacting the legislation and the impact of the legislation and its place in American history **Account of the Russian Discoveries between Asia commerce between Russia and China** William Coxe,2016-09-06 The late Russian Discoveries between Asia and America have for some time engaged the attention of the curious more especially since Dr Robertson s admirable History of America has been in the hands of the public In that valuable performance the elegant and ingenious author has communicated to the world with an accuracy and judgement which so eminently distinguish all his writings the most exact information at that time to be obtained concerning those important discoveries During my stay at Petersburg my inquiries were particularly directed to this interesting subject in order to learn if any new light had been thrown on an article of knowledge of such consequence to the history of mankind For this purpose I endeavoured to collect the respective journals of the several voyages subsequent to the expedition of Beering and Tschirikoff in 1741 with which the celebrated Muller concludes his account of the first Russian navigations During the course of my researches I was informed that a treatise in the German language published at Hamburg and Leipsic in 1776 contained a full and exact narrative of the Russian voyages from 1745 to 1770 The Post-Soviet Russian Orthodox Church Katja Richters,2012-08-21 In recent years the Russian Orthodox Church has become a more prominent part of post Soviet Russia A number of assumptions exist regarding the Church s relationship with the Russian state that the Church has always been dominated by Russia s secular elites that the

clerics have not sufficiently fought this domination and occasionally failed to act in the Church's best interest and that the Church was turned into a Soviet institution during the twentieth century. This book challenges these assumptions. It demonstrates that church-state relations in post-communist Russia can be seen in a much more differentiated way and that the church is not subservient very much, having its own agenda. Yet at the same time it is sharing the state's and Russian society's nationalist vision. The book analyses the Russian Orthodox Church's political culture focusing on the Putin and Medvedev eras from 2000. It examines the upper echelons of the Moscow Patriarchate in relation to the governing elite and to Russian public opinion, explores the role of the church in the formation of state religious policy and the church's role within the Russian military. It discusses how the Moscow Patriarchate is asserting itself in former Soviet republics outside Russia, especially in Estonia, Ukraine and Belarus. It concludes by re-emphasising that although the church often mirrors the Kremlin's political preferences, it most definitely acts independently.

The Top Books of the Year Russians Observed The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Russians Observed : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Russians Observed : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
