Wartime Russia is drowning in fascist symbols Zealous patriots attack journalists opposition activists and anyone suspected of betraying the motherland Russians are urged to join the cause by hordes of online trolls and sleek videos of angry young men bellowing patriotic slogans State television terrifies viewers with trumped up tales of anti Russian conspiracies and genocidal yearnings Child soldiers proudly parade across Red Square This is Russia in the 2020s a land of performative rage and nationalist untruth where play acting pretence and broken promises are a way of life But in a world where pretence has become the norm a terrifying apocalyptic mindset is seizing the Russians of tomorrow As enrapturing as it is terrifying Z Generation reveals how Russia ended up where it is today and where its young people are headed a fascist generation more zealous violent and ideological than anything the country has seen before *Human Trafficking* Louise Shelley,2010-07-29 This book examines all forms of human trafficking globally revealing the operations of the trafficking business and the nature of the traffickers themselves Using a historical and comparative perspective it demonstrates that there is more than one business model of human trafficking and that there are enormous variations in human trafficking in different regions of the world Drawing on a wide body of academic research actual prosecuted cases diverse reports and field work and interviews conducted by the author over the last sixteen years in Asia Latin America Africa Europe and the former socialist countries Louise Shelley concludes that human trafficking will grow in the twenty first century as a result of economic and demographic inequalities in the world the rise of conflicts and possibly global climate change Coordinated efforts of government civil society the business community multilateral organizations and the media are needed to stem its growth

The Anthropology of Childhood David F. Lancy,2022-03-10 How are children raised in different cultures What is the role of children in society How are families and communities structured around them Now in its third edition this deeply engaging book delves into these questions by reviewing and cataloging the findings of over 100 years of anthropological scholarship dealing with childhood and adolescence It is organized developmentally moving from infancy through to adolescence and early adulthood and enriched with anecdotes from ethnography and the daily media to paint a nuanced and credible picture of childhood in different cultures past and present This new edition has been expanded and updated with over 350 new sources and introduces a number of new topics including how children learn from the environment middle childhood and how culture is transmitted between generations It remains the essential book to read to understand what it means to be a child in our complex ever changing world **Transgressive Women in Modern Russian and East European Cultures** Yana Hashamova,Beth Holmgren,Mark Lipovetsky,2016-10-04 Investigating the genesis of the prosecuted crimes and implied sins of the female performing group Pussy Riot the most famous Russian feminist collective to date the essays in *Transgressive Women in Modern Russian and East European Cultures* From the Bad to Blasphemous examine what constitutes bad social and political behavior for women in Russia Poland and the Balkans and how and to what effect female performers activists and fictional characters have indulged in such behavior The chapters in this edited

collection argue against the popular perceptions of Slavic cultures as overwhelmingly patriarchal and Slavic women as complicit in their own repression contextualizing proto feminist and feminist transgressive acts in these cultures Each essay offers a close reading of the transgressive texts that women authored or in which they figured showing how they navigated targeted and in some cases co opted these obstacles in their bid for agency and power Topics include studies of how female performers in Poland and Russia were licensed to be bad for effective comedy and popular box office appeal analyses of how women in film and fiction dare sacrilegious behavior in their prescribed roles as daughters and mothers and examples of feminist political subversion through social activism and performance art

Anthropologists in the SecurityScape Robert Albrow, George Marcus, Laura A McNamara, Monica Schoch-Spana, 2016-06-16 As the military and intelligence communities retool for the 21st century the long and contentious debate about the role of social scientists in national security environments is dividing the disciplines with renewed passion Yet research shows that most scholars have a weak understanding of what today s security institutions actually are and what working in them entails This book provides an essential new foundation for the debate with fine grained accounts of the complex and varied work of cultural physical and linguistic anthropologists and archaeologists doing security related work in governmental and military organizations the private sector and NGOs In candid and provocative dialogues leading anthropologists interrogate the dilemmas of ethics in practice and professional identity *Anthropologists in the SecurityScape* is essential reading for anyone who wishes to understand or influence the relationship between anthropology and security in the twenty first century

The Anthropology of Learning in Childhood David F. Lancy, John Bock, Suzanne Gaskins, 2010 *The Anthropology of Learning in Childhood* offers a large mural like portrait of childhood across time culture species and environment Even a casual reading of the literature on childhood will persuade one that learning is a very important topic that commands the attention of tens of thousands of scholars and practitioners Yet anthropological research on children has exerted relatively little influence on this community This book will change that The book demonstrates that anthropologists studying childhood can offer a description and theoretically sophisticated account of children s learning and its role in their development socialization and enculturation Further it demonstrates the particular contribution that children s learning makes to the construction of society and culture as well as the role that culture acquiring children play in human evolution Chapters have been contributed in archaeology primatology biological and cultural anthropology and cross cultural psychology

Inhabiting 'Childhood': Children, Labour and Schooling in Postcolonial India S. Balagopalan, 2014-04-29 Through a rich ethnography of street and working children in Calcutta India this book offers the first sustained enquiry into postcolonial childhoods arguing that the lingering effects of colonialism are central to comprehending why these children struggle to inhabit the transition from labour to schooling

Child Survivors of Genocide Shirley A. Heying, 2022-06-27 *Child Survivors of Genocide Trauma Resilience and Identity in Guatemala* presents mixed method comparative ethnographic research conducted with orphaned child survivors who are now adults

These survivors were orphaned during Guatemala's thirty six year internal armed conflict and particularly during the heightened period of genocide from 1978 to 1983 referred to as *la violencia*. Raised for the majority of their childhoods in a family style permanent residential home in the highlands region the author examines the long term consequences that these individuals have faced not only from grieving the loss of their parents and family members but also because of their orphan status. While they suffer from lasting trauma these child survivors have become resilient well adapted adults with a strong internalized sense of ethnic identity. They also engage in creative and transformative practices regarding ethnic identity and belonging that have contributed to their abilities to adapt to their life circumstances in positive constructive ways and have expanded what it means to be Maya Indigenous Guatemalans today. Child survivors' experiences offer inspiration justify expanded research with child survivors as their own distinct survivor group and warrant reconsideration of in country residential care when other forms of loving nurturing in country care are unavailable

Cultural Dimensions of Well-Being
Clementine K. Fujimura, Simone Nommensen, 2017-11-22 This book presents a cultural history of human animal relations in Germany Japan Russia and the United States with a focus on the uses of animals for comfort healing and in developing a sense of well being. Fujimura and Nommensen discuss the contexts in which the culture of wellbeing has developed and incorporated alternative therapies with animals. The authors turn to qualitative research conducted over a period of two years in veterinary clinics hospices reading programs search and rescue organizations as well as an extensive review of existing literature on cultural studies of human animal relations to inform their analysis of complex ways in which humans and animals interact. The extent to which animals are accepted either as members of society or in contrast as mere material possessions poses a cultural contradiction leading to questions of the ethical treatment of animals

Throw Your Voice
Meghanne Barker, 2024-08-15 *Throw Your Voice* is a story of loss and recovery. It relates how children placed in a temporary care institution make sense of their situations. Moving between a Kazakhstan government children's home Hope House and the Almaty State Puppet Theater Meghanne Barker shows how children and puppets as proxies bring to life ideologies of childhood and visions of a rosy future. Sites and stories run in parallel. Framed by the narrative of Anton Chekhov's *Kashtanka* about a lost dog taken in by a kind stranger the author follows the story's staging at the puppet theater. At Hope House children find themselves on a path similar to *Kashtanka* dislodged from their first homes to reside in a second. The heart of this story is about living in displacement and about the fragile intimacies achieved amidst conditions of missing. Whether due to war migration or pandemic people get separated from those closest to them. *Throw Your Voice* examines how strangers become familiar and how objects mediate precarious ties. She shows how people use fantasy to mitigate loss
