Ruthless Lord Rule:

The Ruthless Lord Rule Kasey Michaels,2002-10-25 Lord Tristan Rule had been a courageous officer under Napoleon but his reputation was notorious Any young lady of the ton could be his for the taking However only Miss Mary Lawrence has Tristan on edge Hot on the trail to uncover her secrets Tristan soon discovers Mary has in her hands the power to mold his hard as steel heart Reissue **A Most Unsuitable Groom** Kasey Michaels,2020-12-08 Beware the reluctant bridegroom Spencer Becket was only eight when he arrived in Romney Marsh as part of the mysteriously displaced Becket family The son of a seaman and a mother who died in childbirth he grew up longing to be a soldier His adoptive father reluctantly purchased him a commission and Spence was off to fight in America chockfull of passion and ideals He returned home older perhaps wiser but also with one small patch of his memory inconveniently missing Beware the compromised bride Mariah Rutledge is the daughter of a British officer killed during a losing battle and she joins other women and children forced to flee into the swampy forest to avoid capture For long weeks she helps care for one of the few wounded soldiers that managed to reach safety She calms him when he cries out in delirium presses her body close to his to warm him as he shivers in the damp chilly nights He becomes her reason to stay alive alone in the wilderness It is highly possible for a woman in those circumstances to make an emotional mistake Beware the flames At Becket Hall alternately battling and loving each other Spencer and Mariah unexpectedly discover what appears to be a plot to restore the recently vanquished Napoleon to power in a most unusual way A deadly way Bound by the secrets that are all that keep the Becket safe Spencer and Mariah must battle the world and their own devils in order to prevent a tragedy but will the price for this victory be their very lives

Beware of Virtuous Women Kasey Michaels,2012 Eleanor Becket is the glue that holds the wild adventurous at times reckless Becket together even if she believes herself to be the least interesting or exciting person in the world Some may aspire to be a lady and some it seems are simply born to it whether they want to be or not Who would expect fragile Eleanor with her quiet ways and her unfortunate limp to be anything more than she seems But this adopted daughter has secrets gentleman turned smuggler Jack Eastwood believes connected to a long ago crime His discoveries ultimately lead them both to the very edge of desire and danger It is 1813 with the Becket long feeling safe in Romney Marsh and now Eleanor just because she exists may bring back an old enemy to destroy them all **A Gentleman By Any Other Name** Kasey Michaels,2020-12-08 The Becket More than a decade ago the Becket an insular family of accumulated orphans and their patriarch Ainsley established themselves in an enormous nearly fortress like mansion they constructed on the wild and beautiful coast of Romney Marsh Nobody bothered them and they invited no one into their orbit A Man With A Mission The oldest orphan is Chance Becket once a pickpocket and wharf rat on an island near Jamaica now transported to the wilds of Romney Marsh Determined to forget who he was in favor of the man he is determined to become he departs Romney Marsh for the society of London and a convenient position in the War Office Now widowed with a young daughter he is ordered to

return to his home to ferret out the smugglers who may be aiding Napoleon Bonaparte The Curious Miss Carruthers Newly hired governess Julia Carruthers is eager to escape the confines of London Yet the excitement of the journey to Chance s strange home is nothing compared to her attraction to this complicated man But when Julia sees something she should not she wonders if Chance s romantic intentions are prompted by ungentlemanly desire or his need to protect his family s secrets
