**Richard Lightner**

## **Rutledge Unionism Labor Relations In The Honolulu Transit Industry:**

**Rutledge Unionism** Bernard W. Stern, 1986 Study of Art Rutledge's leadership of the transit workers union in Hawaii

**Harry Bridges** Robert W. Cherny, 2023-01-10 Winner of a Silver Medal from the Independent Publisher Book Awards Won Honorable Mention for 2023 ILHA Book of the Year International Labor History Association The iconic leader of one of America's most powerful unions Harry Bridges put an indelible stamp on the twentieth century labor movement Robert Cherny's monumental biography tells the life story of the figure who built the International Longshore and Warehouse Union ILWU into a labor powerhouse that still represents almost 30 000 workers An Australian immigrant Bridges worked the Pacific Coast docks His militant unionism placed him at the center of the 1934 West Coast Waterfront Strike and spurred him to expand his organizing activities to warehouse laborers and Hawaiian sugar and pineapple workers Cherny examines the overall effectiveness of Bridges as a union leader and the decisions and traits that made him effective Cherny also details the price paid by Bridges as the US government repeatedly prosecuted him for his left wing politics Drawing on personal interviews with Bridges and years of exhaustive research Harry Bridges places an extraordinary individual and the ILWU within the epic history of twentieth century labor radicalism

**Bayonets in Paradise** Harry N. Scheiber, Jane L. Scheiber, 2016-02-29 Selected as a 2017 CHOICE Outstanding Academic Title Bayonets in Paradise recounts the extraordinary story of how the army imposed rigid and absolute control on the total population of Hawaii during World War II Declared immediately after the Pearl Harbor attack martial law was all inclusive bringing under army rule every aspect of the Territory of Hawaii's laws and governmental institutions Even the judiciary was placed under direct subservience to the military authorities The result was a protracted crisis in civil liberties as the army subjected more than 400 000 civilians citizens and alien residents alike to sweeping intrusive social and economic regulations and to enforcement of army orders in provost courts with no semblance of due process In addition the army enforced special regulations against Hawaii's large population of Japanese ancestry thousands of Japanese Americans were investigated hundreds were arrested and some 2 000 were incarcerated In marked contrast to the well known policy of the mass removals on the West Coast however Hawaii's policy was one of selective albeit preventive detention Army rule in Hawaii lasted until late 1944 making it the longest period in which an American civilian population has ever been governed under martial law The army brass invoked the imperatives of security and military necessity to perpetuate its regime of censorship curfews forced work assignments and arbitrary justice in the military courts Broadly accepted at first these policies led in time to dramatic clashes over the wisdom and constitutionality of martial law involving the president his top Cabinet officials and the military The authors also provide a rich analysis of the legal challenges to martial law that culminated in *Duncan v Kahanamoku* a remarkable case in which the U S Supreme Court finally heard argument on the martial law regime and ruled in 1946 that provost court justice and the military's usurpation of the civilian government had been illegal Based largely on archival sources this comprehensive

authoritative study places the long neglected and largely unknown history of martial law in Hawaii in the larger context of America's ongoing struggle between the defense of constitutional liberties and the exercise of emergency powers

*Hawaiian History* Richard Lightner, 2004-08-30 Hawaii has been referred to as the crossroads of the Pacific. This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii's unique history. This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii's annexation to the United States. Topics include politics religion social issues business ethnic groups and race relations.

**The Columbia Guide to Asian American History** Gary Y. Okihiro, 2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years, this book marks the first systematic attempt to take stock of this field of study. It examines comments and questions, the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans. Arriving and settling in this nation as early as the 1790s, with American-born generations stretching back more than a century, Asian Americans have become an integral part of the American experience. This cleverly organized book marks the trajectory of that journey, offering researchers invaluable information and interpretation. Part 1 offers a synoptic narrative history, a chronology, and a set of periodizations that reflect different ways of constructing the Asian American past. Part 2 presents lucid discussions of historical debates such as interpreting the anti-Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues. Part 3 contains a historiographical essay and a wide-ranging compilation of book, film, and electronic resources for further study of core themes and groups including Chinese, Japanese, Filipino, Hmong, Indian, Korean, Vietnamese, and others. **Fighting in**

**Paradise** Gerald Horne, 2011-07-31 Powerful labor movements played a critical role in shaping modern Hawaii, beginning in the 1930s when International Longshore and Warehousemen's Union (ILWU) representatives were dispatched to the islands to organize plantation and dock laborers. They were stunned by the feudal conditions they found in Hawaii, where the majority of workers—Hawaiian, Japanese, Chinese, and Filipino in origin—were routinely subjected to repression and racism at the hands of white bosses. The wartime civil liberties crackdown brought union organizing to a halt, but as the war wound down, Hawaii workers' frustrations boiled over, leading to an explosive success in the forming of unions. During the 1950s, just as the ILWU began a series of successful strikes and organizing drives, the union came under McCarthyite attacks and persecution. In the midst of these allegations, Hawaii's bid for statehood was being challenged by powerful voices in Washington who claimed that admitting Hawaii to the union would be tantamount to giving the Kremlin two votes in the U.S. Senate, while Jim Crow advocates worried that Hawaii's representatives would be enthusiastic supporters of pro-civil rights legislation. Hawaii's extensive social welfare system and the continuing power of unions to shape the state politically are a direct result of those

troubled times Based on exhaustive archival research in Hawaii California Washington and elsewhere Gerald Horne's gripping story of Hawaii workers struggle to unionize reads like a suspense novel as it details for the first time how radicalism and racism helped shape Hawaii in the twentieth century **A Man Must Stand Up** John E. Reinecke, 1993-01-01 SHAKA AND SHALOM, 2024-04-04 This book continues to trace the beneficial crosscurrents that Jewish people brought to Hawaii arrival beginning in 1850 to the present Such benefits were first chronicled in a prior book titled *Torah Taro* Unburdened by any need to proselytize or be in charge Jews were free to be themselves and to provide their host community with needed services Their faith's essence found in the Shema God is one and the Decalogue and their historical experience as the other in their countries of residence provided appropriate guidance In some detail and in historical and cultural perspective Shaka and Shalom describes the many good deeds advantages and programs that people of Jewish heritage have brought to Hawaii And how Hawaii in its spirit of Aloha accepted encouraged nurtured and recognized such benefits **Torah and Taro** Mathew R. Sgan, 2020-09-30 In a prior book titled *Honey and Poi* Sgan had come across many stories about Jewish individuals events and organizations which have had an impact on their host Hawaiian culture No institution it seemed remained unaffected by the presence of Jews less than 1 % in Hawaii In telling this story from his point of view he will attempt to persuade the reader that although never large in terms of numbers Jews Judaism and Israel played important and unrecognized roles in each stage of Hawaiian history from 1778 to the present Further this book seeks to persuade readers that such impact is based on admirable personal traits derived from Jewish traditions and heritage Those traits if examined understood and applied properly foster constructive responsible and productive actions They encourage Jews to work toward the improvement of the social conditions of the societies and communities in which Jews live Cane Fires Gary Okihiro, 2010-10-29 A history of a systematic anti Japanese movement in Hawaii from the time migrant workers were brought to the sugar cane fields until the end of World War II Hawai'i Nancy Jane Morris, Love Dean, 1992 **The Aloha Trade** Bernard W. Stern, 1988 *Amerasia Journal*, 1988 **Hawaii's Forgotten History, 1900-1999** Rich Budnick, 2005 Book documents 2 001 events in Hawaii's history from January 8 1900 to December 26 1995 The Hawaiian Journal of History, 1987 **Society for Industrial Archeology Newsletter**, 1988 *Hawaii Documents*, 1987 *CLEAR Newsletter*, 1985 *Hawaii Documents: Cumulative Index* Hawaii Documents Center (Hawaii State Library), 1988 **Library Acquisitions List** Martin P. Catherwood Library, 1986
