Weinberg,1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and

other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

Just Peacemaking Glen Harold Stassen,1992-01-01 Believing Christians should direct their energies toward finding a set of criteria and a model for a just peace instead of just war Stassen bases his peace theory on the new reality of our world recent Biblical interpretation and on the experiences of people who lived in the face of oppression and nuclear threat

Studying Minority Adolescents Vonnie C. McLoyd,Laurence Steinberg,1998-07-01 In the burgeoning research literature on adolescents the relative paucity of work examining ethnic variations in developmental processes is a glaring gap particularly because approximately one third of American young people now come from an ethnic minority background A primary factor in this research imbalance has been the lack of training in methods and research instruments needed to properly study ethnically diverse populations This book was developed in response to this need Its chief objective is to present recent theoretical conceptual and methodological advances in the study of ethnicity and development during adolescence The chapters address fundamental and enduring issues concerning the incorporation of ethnicity into research designs Topics such as demographics ethnicity friendly research paradigms and practical challenges that arise throughout the research cycle are addressed by scholars who have been there and learned how to successfully study the effects of race and ethnicity on developmental processes and outcomes Established scholars and newcomers to research working both in academic and applied settings with adolescents as their focus will find this book a valuable resource

Children in Poverty Aletha C. Huston,1991 The number of children living in poverty in the United States increased dramatically during the 1980s and remains high Why are so many children growing up in poor families What are the effects of poverty on children s physical cognitive social and emotional development What role can public policy and policy research play in preventing or alleviating the damaging effects of poverty on children *Children in Poverty* examines these questions focusing on the child rather than on parents income or self sufficiency
