Engaging Students in Disciplinary Literacy, K-6 Cynthia H. Brock, Virginia J. Goatley, Taffy E. Raphael, Elisabeth Trost-Shahata, Catherine M. Weber, 2014 This accessible book will help elementary school teachers improve literacy instruction inside or outside the Common Core environment The authors address teachers' instructional needs by introducing key concepts from current trends in literacy education from high level standards to the use of 21st century literacies Readers then follow teachers as they successfully implement the curriculum they developed to promote high level thinking and engagement with disciplinary content The text focuses on three disciplinary literacy units of instruction a science unit in a

2nd grade classroom a social studies history unit in a 4th grade classroom and a mathematics unit in a 6th grade classroom Each unit revolves around a central inquiry question and includes research based strategies for using reading writing and classroom talk as tools to foster disciplinary understandings This unique insider s look at how real teachers build and implement a Common Core aligned curriculum will be an invaluable resource for teachers schools and districts as they move forward to align their own curricula I can t imagine a more timely book a set of elegant principles and some stunning examples of how teachers can use reading writing and talk to enhance learning in the science social studies and mathematics classroom P David Pearson professor of language and literacy and human development Graduate School of Education University of California Berkeley If you re wondering how to integrate literacy across the content disciplines this is the text you will want to keep and return to often Diane Lapp distinguished professor of education San Diego State University Inspiring and better still infectious Donald R Bear Iowa State University Provides concrete ideas for teaching students to use literacy to think like scientists historians and mathematicians Douglas Fisher professor of educational leadership San Diego State University and teacher leader Health Sciences High and Middle College *Books in Print* ,1987 **Children's Books in Print, 2007** ,2006 *Subject Guide to Books in Print* ,2001 **American Indian Literature** Kimberly Wieser-Weryackwe,2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apess to the Pulitzer Prize winning novel *House Made of Dawn* by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it Using Children's Literature Across the Curriculum Catherine M. O'Callaghan,2011 This resource uniquely offers preservice and inservice teachers templates for using quality children s literature to implement six themes across grades K 8 The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion analysis and problem solving across the grades Using Children s Literature Across the Curriculum provides teachers with a guide to using multilayered texts to facilitate students attainment of critical literacy It is designed to be a supplemental text to guide teachers in designing literacy instruction The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math science technology and social studies Teachers are shown how to incorporate

family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy These models can be adjusted to fit the reading level of the students as teachers become more familiar with the text s structure and their students needs
