but also reveals the patterns of patronage clientage and institutionalization that have bound this diverse nation together for centuries

The Art of Centuries Steve James, 2015-04-09 A century has always had a special resonance in all walks of life and none more so than in cricket Scoring one hundred runs is the ultimate for a batsman As former England captain Andrew Strauss admits it s incredibly hard to do for Ricky Ponting it s a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In *The Art of Centuries* Steve James applies his award winning forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket

Shah Rukh Can: The Story of the Man and Star Called Shah Rukh Khan Mushtaq Shiekh, This book is the best window into Shah Rukh Khan s inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait portrayal If Shah Rukh Khan has been known for his non stop talk then writer Mushtaq Sheikh too doesn t appear far behind when it comes to translating his thoughts into words He writes and writes and then further writes about Shah Rukh something that makes one feel that more than a friend and a colleague Mushtaq looks at Shah Rukh as a hero Someone who is not just his hero but also an entire country s correction entire world s hero It is this very fan factor that makes *Shah Rukh Can* a read that seems to be coming straight from an admirer s heart What makes this book special is that a lot of the material words and pictures is stuff that we haven t seen before There are some things even Google s search algorithms cannot find But Mushtaq Shiekh can From a book that claims to talk about The Life and Times of Shah Rukh Khan the least you expect is some trivia from the actor s life both personal and professional about which not much has been written about in the past The kind which makes you wonder if something like that had really happened in the actor s life Thankfully Mushtaq extracts quite some trivia out of the actor s life So you get to know how Shah Rukh was offered the role of Anil Kapoor s car driver in 1942 *A Love Story* which he rejected of course Eventually Raghuvir Yadav did that role Or how Shah Rukh completely surrendered to the director s vision and withdrew himself when he couldn t follow the trajectory of Subhash Ghai s *Pardes* It s a different matter though that Shah Rukh was appreciated for his performance in the film but so was he in *Karan Arjun* too which by the way he dared not watch over the years because he didn t connect with the role There are number of such little instances that make *Shah Rukh Can* an interesting read But is it just about the actor and the trivia around his life Not at all One of the unexplored facets of Shah Rukh that is covered in the book in extensive detail is his views around acting v s performances This book is the best window into Shah Rukh Khan s inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait It s almost like having Shah Rukh Khan over for coffee Karan Johar Compelling A story you need to read if you feel the need to be inspired Tabu This book catches Shah Rukh Khan in his personal and professional space with versatile
