## **Sacred Honor:**

*Our Lives, Our Fortunes, Our Sacred Honor* Tom Haran, 2010-05-17 Mike O Gara is 15 years old when he is sentenced to be transported to America aboard a ship carrying other prisoners and bond slaves When the ship is badly damaged and left sinking by a horrendous storm 9 men and Mike head for the Azores in a skiff with little water and food A few days later a fish is caught and shared while the bloody oily guts are rubbed on 5 of the sun burnt men who later bathe in the water near the skiff Sharks are attracted and the bathers are eaten After 19 days in the skiff the 5 survivors are picked up by a British merchant ship headed for America At Fredricksburgh Virginia Mike stands on the auction block and is sold as an indentured servant committed to 4 years labor at Newhart Plantation as a stable man When the Master of the plantation sees that his daughter is attracted to Mike he enlists him in the Virginia militia under the command of Lieutenant Colonel George Washington who has been ordered to drive the French out of the fort they have established at the Forks of the Ohio Pittsburgh This ignites what becomes The French and Indian War Although Mike is badly wounded he recovers completely goes through many dangerous adventures and becomes Captain of General Washington's bodyguard in the Revolutionary War when the Continental Army forces the British Army to board ships in Boston Harbor and leave America

**American Honor** Craig Bruce Smith, 2018-03-19 The American Revolution was not only a revolution for liberty and freedom it was also a revolution of ethics reshaping what colonial Americans understood as honor and virtue As Craig Bruce Smith demonstrates these concepts were crucial aspects of Revolutionary Americans ideological break from Europe and shared by all ranks of society Focusing his study primarily on prominent Americans who came of age before and during the Revolution notably John Adams Benjamin Franklin Thomas Jefferson and George Washington Smith shows how a colonial ethical transformation caused and became inseparable from the American Revolution creating an ethical ideology that still remains By also interweaving individuals and groups that have historically been excluded from the discussion of honor such as female thinkers women patriots slaves and free African Americans Smith makes a broad and significant argument about how the Revolutionary era witnessed a fundamental shift in ethical ideas This thoughtful work sheds new light on a forgotten cause of the Revolution and on the ideological foundation of the United States

**Liberalism with Honor** Sharon R. Krause, 2002-04-15 Why do men and women sometimes risk everything to defend their liberties What motivates principled opposition to the abuse of power In *Liberalism with Honor* Sharon Krause explores honor as a motive for risky and difficult forms of political action She shows the sense of honor to be an important source of such action and a spring of individual agency more generally Krause traces the genealogy of honor including its ties to conscientious objection and civil disobedience beginning in old regime France and culminating in the American civil rights movement She examines the dangers intrinsic to honor and the tensions between honor and modern democracy but demonstrates that the sense of honor has supported political agency in the United States from the founders to democratic reformers such as Elizabeth Cady

Stanton and Martin Luther King Jr Honor continues to hold interest and importance today because it combines self concern and personal ambition with principled higher purposes and so challenges the disabling dichotomy between self interest and self sacrifice that currently pervades both political theory and American public life Dragon's Honor KIJ

Tony Mavrakos,2013-03-04 For years the term IN GOD WE TRUST has labeled our currency and our country and I have been proud to have served my nation and its motto for twenty two years of military service With that in mind I am disappointed to see the spiritual direction that America is going in There has been a real assault on the Bible The Word of God and especially Christianity I still want to believe that God wants to bless America but I must be honest I have my doubt that In God We Trust probably has seen its better days What really bothers me is I m concerned America s motto today is IN GOD WE TRUST or do we Confederate Military History:
