**Shrink** Tim Suttle,2014-09-02 Among followers of Jesus great is often the enemy of good The drive to be great to be a success by the standards of the world often crowds out the qualities of goodness virtue and faithfulness that should define the central focus of Christian leadership In the culture of today s church successful leadership

is often judged by what works while persistent faithfulness takes a back seat If a ministry doesn't produce results it is dropped If people don't respond we move on This pursuit of greatness exerts a crushing pressure on the local church and creates a consuming anxiety in its leaders In their pursuit of this warped vision of greatness church leaders end up embracing a leadership narrative that runs counter to the sacrificial call of the gospel story When church leaders focus on faithfulness to God and the gospel however it's always a kingdom win regardless of the visible results of their ministry John the Baptist modeled this kind of leadership As John's disciples crossed the Jordan River to follow after Jesus John freely released them to a greater calling than following him Speaking of Jesus John said He must increase but I must decrease Joyfully satisfied to have been faithful to his calling John knew that the size and scope of his ministry would be determined by the will of the Father not his own will Following the example of John the Baptist and with a careful look at the teaching of Scripture Tim Suttle dares church leaders to risk failure by chasing the vision God has given them no matter how small it might seem instead of pursuing the broad path of pragmatism that leads to fame and numerical success *The Works of the Rev. Golemon, 2010-12-31 *Living Our Story* explores how good narrative work the retrieval construction and performance of valued stories takes place in ministry Authors Larry A Golemon Lee Ramsey N Graham Standish Tim Shapiro Carol Johnson Mike Mather Niles Elliot Goldstein and Diana Butler Bass examine this question from a variety of perspectives including the role of the pastor or rabbi as narrative leader the sacred and mundane stories that shape congregational life and identity storytelling as a means of community building and story sharing as a practice of hospitality Through the stories they themselves tell these authors show how stories witness to God's presence in the unfolding of human life and how the best leaders craft stories that reveal how God is at work among the people and inspire them to become a part of this larger story

[Made Known to Them](#) Douglas M. Koskela, 2025-06-25 *Made Known to Them* is written for those beginning their journey in the study of Christian theology It offers an introduction to the nature and purpose of theology by means of an extended meditation on the Emmaus road story of Luke 24 In that story two disciples of Jesus meet a mysterious stranger along the road While readers are told that this stranger is the risen Jesus the disciples do not recognize him until he is made known to them in the breaking of the bread Along the way these disciples experience the company of Jesus in a way that increases both their joy and their knowledge Luke's telling of the story offers helpful signposts for anyone who desires to know and love God more deeply In each chapter of *Made Known to Them* Douglas M Koskela explores one of these signposts and reflects on what it means for how we go about the work of theology In that light all those who wish to get to the heart of this work even long time theologians are invited to take up these pages ***The Works of the Rev.
