While diverse in their subject matter the essays have thematic unity in their focus on the old HBC territory and its peoples from the 1600s to the present More than an anthology the chapters of *An Ethnohistorian in Rupert's Land* provide examples of Brown's exceptional skill in the close study of texts including oral documents images artifacts and other cultural expressions The volume as a whole represents the scholarly evolution of one of the leading ethnohistorians in Canada and the United States
