Frequency Laura Eisenhower,2024-01-21 If you aren't living your most authentic self you can't realize universal and personal truth If we compromise and waver in our integrity how on Earth will we successfully navigate life or our relationships We become vulnerable to distortions and imbalances that attract archonic attachments and AI signals that keep us in a lower existence of reality We have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life The quickest way to heal is for Awakening the Truth Frequency to embody our highest self Our bodies thrive in this energy not the distortions or programs And now more than ever before we live in times when our energies are supported by spiritual forces like never before We must be humble enough to allow this alignment and let go of the ego attachments about what other people think and not be afraid to admit where we have been misled Claiming our truth eases our journey Into the Unified Field Beyond Esoteric Brad Olsen,2024-11-14 The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information as to how the world works is something the sheeple should not be informed about But truth always resonates Beyond Esoteric takes off the kid gloves and exposes the nefarious control grid extending its tentacles across the planet *Awakening of a Warrior* Michael Jaco,2023-10-01 Numerous great thinkers have believed in the transmigration of the soul General Patton Gandhi Henry Ford the Dalai Lama all discussed memories of or beliefs in having past lives The great philosophers Pythagoras Socrates Plato Aristotle and even Saint Augustine believed in the rebirth of the soul Awakening of a Warrior is the result of Jaco's investigation his treasure hunt into the lifetimes he experienced before the present Included are his lives as King Abimelech of Gerar who allied with Abraham in the creation of a new religion called Judaism Cyrus the Great who unified all of Persia and implemented Zoroastrianism as the state religion and Marcus Furius Camillus who came to be considered the second founder of Rome The Intuitive Warrior Michael Jaco,2022-04-20 Using real life examples Michael Jaco explains how he tapped into his intuitive capabilities to predict attacks and protect his fellow soldiers The Intuitive Warrior will teach you how employing the methods perfected by a genuine military hero can act as a catalyst toward developing a richer more fulfilled life The Invisible Master Leo Lyon Zagami,2018-09-30 Leo Zagami's groundbreaking study of aliens and UFOs explores where we come from and which mysterious figures have guided humanity's political and religious choices From the prophets to the initiates and magicians all ages have drawn from a common source of ultra terrestrial and magical knowledge passed down for millennia This text reveals the identity of the unknown superiors secret chiefs and invisible masters who have guided Freemasonry the Illuminati and others Zagami speaks of the existence of multidimensional doors used by the various Illuminati to let other beings into our world while alluding to the latest discoveries of quantum physics for support This shocking text will be embraced by those willing to look beyond the everyday to analyze our world's most puzzling circumstances Confessions of an Illuminati, VOLUME II Leo Lyon Zagami,2017-11-11 After his master thesis of the secret societies network as outlined in Volume I the Confessions of an

Illuminati narrative of Leo Lyon Zagami is projected to the reality of today including the occult maneuvers behind the New World Order We need to wake up beyond our current belief systems because the controllers of the New World Order are moving fast using the Prophecies to their advantage to implement their evil plan by 2020 when World War III will finally break loose The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem with the Jesuits and the Zionist s united by a secret pact since the Second Vatican Council are in cahoots working towards the creation of a world government There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist In this unprecedented scenario we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions The author discusses further aspects of the Satanic infiltration of Freemasonry pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the Illuminati Network

The Poetry Oracle Amber Guetebier, Brenda Knight, 2008-10-31 Combining poetry with divination this collection resurrects the ancient Greek art of Rhapsodomancy or divining one s fortune or destiny through the use of poetry or verse Harkening back to antiquity when Polyhymnia the muse of sacred poetry and Calliope the muse of epic poetry were invoked for guidance each page of this anthology contains three poetic excerpts chosen for their oracular wisdom Readers are asked to contemplate a question and then randomly select an excerpt which will offer revelations and inspiration for further contemplation Excerpts are drawn from poets throughout the ages including Sappho Li Po Rumi Emily Dickinson Walt Whitman Dylan Thomas William Blake and J R R Tolkien Though designed as a prophetic tool it can also be used as an introduction to some of the world s greatest poets

Sion this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur Lodges **Confessions of an Illuminati, Volume III** Leo Lyon Zagami, 2017-05-01 Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Dark Cabal In the third book of this acclaimed series Zagami explores a variety of cryptic topics that are always verified with documentation This is not a work of fiction but a tool with which readers can comprehend topics that range from the truth about the mythical Knights Templars to the Jesuits and their Vatican espionage game Zagami uncovers the most credible candidates of the Grail mystery with proven testimony from an official saint of the Catholic Church Zagami also upholds what he calls conspiracy reality a way to fight back against the system of lies and deceit responsible for the rise of Satanism in the Vatican showing in the process the magical practices of the Illuminati
