The Genesis of Leadership Rabbi Nathan Laufer,2011-10-22 The rich lessons of the Bible can be your leadership guidebook Successful leaders don t rely solely on natural charisma and organizational authority as their tickets to success Successful leadership is a learned art form and a developed discipline You can master the art of leadership by examining the pitfalls and achievements of past leaders and penetrating the stories of our cultural and religious heritage The Bible is the ultimate resource for learning by example its stories of family relationships political beginnings and even divine encounters provide valuable lessons about leading effectively In this empowering guidebook Nathan Laufer walks you through the stories at the very beginning of the Bible to examine the portraits of leadership success and failure they contain He reveals the life affirming values that the Bible uses to measure its leaders beginning in the Garden of Eden analyzes the ups and downs in

Abraham's and later Joseph's leadership journeys and scrutinizes the many challenges faced by Moses and God in the books of Exodus and Numbers. Laufer draws out from Bible stories the lessons we can use every day: lessons not only of exemplary leadership but also of failing to lead, leading with no direction and leading in the wrong direction or to a destructive destination. Through Laufer's interpretive lenses, these ancient stories come alive to inform and inspire our leadership today and offer us direction for the future. Nathan Laufer helps us see the stories of the Bible in new ways; he turns them into universal paradigms that relate to situations we all face every day and he distills his insights into practical and powerful guidelines. There is no algorithm for leadership, no cookbook recipe, but it is hard to imagine a leader at any level of an enterprise whose capabilities will not be enhanced by studying this book. From the Preface by Dr. Michael Hammer.

The Wisdom of Judaism Rabbi Dov Peretz Elkins, 2011-06-24. Discover the Talmud and its universal values for all people. This accessible introduction to the Talmud explores the essence of Judaism through reflections on the words of the rabbinic sages from one of American Judaism's foremost teachers and writers, Rabbi Dov Peretz Elkins. Dr. Elkins provides fresh insight into ancient aphorisms and shows you how they can be applied to your life today. Topics include Kindness through Giving, Welcoming and Sharing, Human Relationships, Personal Values, Family Values, Teaching and Learning, and Life's Puzzles. Enlightening and inspiring, the values of the Talmud can be appreciated not just by Jews but by anyone seeking a greater understanding of life and its mysteries.
