Sacred Sex Tim Alan Gardner,2002-05-21 For years Christians have been told that sex is God s creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through

better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple s sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness Sacred Sex shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined

Sex With God: Meditations on the Sacred Nature of Sex in a Post-purity-culture World Suzanne DeWitt Hall,2020-07-24 Involving God in your sex life may sound scandalous but sexuality was designed by our creator and is

saturated with the very being of God So why not invite the divine in The concept may feel awkward at first because we ve been trained by purity culture and centuries of mistrust of our bodies and our desires But God wants to be part of all we do God is already there when you are naked with your beloved God is within you and within them and between you both Be brave Enter into that presence You have the power to transform sex into worship of God with God
