Matthew Hodge, Elizabeth Kusko

Sacred Song In America Religion Music And Public Culture:

Sacred Song in America Stephen A. Marini, 2003 In *Sacred Song in America* Stephen A. Marini explores the full range of American sacred music and demonstrates how an understanding of the meanings and functions of this musical expression can contribute to a greater understanding of religious culture. Marini examines the role of sacred song across the United States from the musical traditions of Native Americans and the Hispanic peoples of the Southwest to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon Catholic and Black churches. Including chapters on New Age and Neo Pagan music, gospel music and hymnals as well as interviews with iconic composers of religious music, *Sacred Song in America* pursues a historical, musicological and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America.

The Oxford Handbook of Religion and Race in American History Kathryn Gin Lum, Paul Harvey, 2018 *The Oxford Handbook of Religion and Race in American History* brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview for those interested in the role of religion and race in American history. Thirty-four scholars from the fields of History, Religious Studies, Sociology, Anthropology and more investigate the complex interdependencies of religion and race from pre-Columbian origins to the present. The volume addresses the religious experience, social realities, theologies and sociologies of racialized groups in American religious history as well as the ways that religious myths, institutions and practices contributed to their racialization. Part One begins with a broad introductory survey outlining some of the major terms and explaining the intersections of race and religions in various traditions and cultures across time. Part Two provides chronologically arranged accounts of specific historical periods that follow a narrative of religion and race through four-plus centuries. Taken together, *The Oxford Handbook of Religion and Race in American History* provides a reliable scholarly text and resource to summarize and guide work in this subject and to help make sense of contemporary issues and dilemmas.

The SAGE International Encyclopedia of Music and Culture Janet Sturman, 2019-02-26 *The SAGE Encyclopedia of Music and Culture* presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology, its methods, concerns and its contributions to knowledge and understanding of the world's musical cultures, styles and practices. The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity. Combined, the multiplicity of topics and approaches are presented in an easy-to-search A-Z format and offer a fresh perspective on the field and the subject of music in culture. Key features include approximately 730 signed articles authored by prominent scholars, arranged A to Z and published in a choice of print or electronic editions. Pedagogical elements include Further Readings and Cross References to conclude each article and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas. Back matter includes an annotated Resource Guide to further research, journals, books and associations, an appendix listing notable archives, libraries and museums, and a detailed Index. The Index Reader's

Guide themes and Cross References combine for thorough search and browse capabilities in the electronic edition

Church and Worship Music in the United States James Michael Floyd, Avery T. Sharp, 2016-08-12 This fully updated second edition is a selective annotated bibliography of all relevant published resources relating to church and worship music in the United States Over the past decade there has been a growth of literature covering everything from traditional subject matter such as the organ works of J S Bach to newer areas of inquiry including folk hymnology women and African American composers music as a spiritual healer to the music of Mormon Shaker Moravian and other smaller sects With multiple indices this book will serve as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field

Singing and Wellbeing Kay Norton, 2015-07-30 Singing and Wellbeing provides evidence that the benefits of a melodious voice go far beyond pleasure and confirms the importance of singing in optimum health A largely untapped resource in the health care professions the singing voice offers rewards that are closer than ever to being fully quantified by advances in neuroscience and psychology For music pre med bioethics and medical humanities students this book introduces the types of ongoing research that connect behaviour and brain function with the musical voice

The Wiley Blackwell Companion to the Study of Religion Robert A. Segal, Nickolas P. Roubekas, 2021-03-10 Explore a rigorous but accessible guide to contemporary approaches to the study of religion from leading voices in the field The Wiley Blackwell Companion to the Study of Religion delivers an expert and insightful analysis of modern perspectives on the study of religion across the humanities and the social sciences Presupposing no knowledge of the approaches examined in the collection the book is ideal for undergraduate students who have yet to undertake extensive study in the humanities or social sciences The book includes perspectives from those in fields as diverse as globalization cognitive science the study of emotion law esotericism sex and gender functionalism terror the comparative method modernism and postmodernism Many of the topics covered in the book clearly hail from religious studies while others are grounded in other areas of academia All of the chapters contained within are written by recognized authors who show how their chosen discipline contributes to the understanding of the phenomenon of religion This book also includes topics like A comprehensive exploration of multiple approaches to religious study including anthropology economics literature phenomenology philosophy psychology sociology and theology A review of various topics germane to the study of religion including the study of the body cognitive science the comparative method death and the afterlife law magic music and myth A selection of subjects touching on modern trends in extremism and violence including chapters on terror and violence fundamentalism and nationalism A discussion of the influence of modernism and postmodernism in religion Ideal for undergraduate graduate and postgraduate students in humanities and social science programs taking courses on religion and myth The Wiley Blackwell Companion to the Study of Religion will also earn a place in the libraries of specialists working in the fields of Religious Studies Theology Sociology Anthropology Psychology Political Science History and Philosophy

The Florida Folklife Reader Tina Bucuvalas, 2011-10-18

Florida is blessed with a semitropical climate beautiful inland areas and over a thousand miles of warm seas and sandy beaches And Floridians are every bit as colorful and diverse as the tropical foliage The interaction between Florida s people and its environment has created distinctive mixes of traditional life unlike those anywhere else in America Florida s cultural foundation includes Seminoles Anglo Celtic Crackers African Americans transplanted northerners and ethnic communities as well as cultural syntheses developed from the sixteenth through nineteenth centuries in Key West Tampa St Augustine and Pensacola In recent decades the state s population has been strongly impacted by large scale immigration from Cuba South America Central America the Caribbean Africa and Asia South Florida leads other regions in the development of a contemporary cultural synthesis but Orlando and Tampa are rapidly evolving Even sleepy north Florida is experiencing a significant shift Although several books detail the traditions of specific Florida regions or folk groups this is the first to provide an overview of Florida folklife The Florida Folklife Reader brings together essays written by folklorists anthropologists and ethnomusicologists on a wide array of topics The authors examine topics as diverse as regional and ethnic folk groups occupational folklife the built environment musical traditions rituals and celebrations

Interreligious Dialogue and Cultural Change Catherine Cornille,Stephanie Corigliano,2012-08-17 The challenges and changes that take place when religions move from one cultural context to another present unique opportunities for interreligious dialogue In new cultural environments religions are not only propelled to enter into dialogue with the traditional or dominant religion of a particular culture religions are also invited to enter into dialogue with one another about cultural changes In this volume scholars from different religious traditions discuss the various types of dialogue that have emerged from the process of acculturation While the phenomenon of religious acculturation has generally focused on Western religions in non Western contexts this volume deals predominantly with the acculturation in the United States It thus offers a fresh look at the phenomenon of acculturation while also lifting up an often implicit or ignored dimension of interreligious dialogue

The American Church Experience Thomas A. Askew,Richard V. Pierard,2008-08-06 A welcome addition to the ongoing reflection on the meaning of religion in America The authors are both responsible as scholars and accessible as writers Teachers students clergy and laity will find this book worthwhile It deserves a wide reading Ronald A Wells Professor of History Calvin College editor Fides et Historia This is a most welcome update of the first textbook survey of American church history The American Church Experience retains all the virtues of the original brevity clarity and evenhandedness while incorporating recent historical developments and contemporary historical scholarship Michael S Hamilton Associate Professor of History Seattle Pacific University Specialists and general readers alike should welcome this valuable new resource in American religious history I certainly plan to recommend it to my students Garth M Rosell Professor of Church History and Director of the Ockenga Institute at Gordon Conwell Theological Seminary Captures the ebb and flow of religious history in a scholarly and precise way while retaining a highly readable quality Students will be challenged and laypeople will be informed about

America's fascinating religious heritage This book is a must for the pastor's study and for the church library Ruth A Tucker author of *From Jerusalem to Irian Jaya* A Biographical History of Christian Missions Tom Askew and Dick Pierard provide a lively and succinct account of the origins expansion and struggles of the faith in America Their analyses are enhanced by commendable balance and a healthy global perspective This volume will prove to be an excellent resource for church study groups as well as for undergraduate and seminary classes James A Patterson Professor of Christian Studies Union University

The Message in the Music, 2010-12-01 The definitive guide to the meaning of today's most popular praise and worship songs Few things influence Christians' understanding of the faith more than the songs they sing in worship The explosion of praise and worship music in the last fifteen years has profoundly affected our experience of God So what are those songs telling us about who God is In what ways have they made us more faithful disciples of Jesus Christ In what ways have they failed to embody the full message of the gospel Working with the lists of the most frequently sung praise and worship songs from recent years the authors of this book offer an objective but supportive assessment of the meaning and contribution of the Christian music that has been so important in the lives of contemporary believers **Awakening Verse** Wendy Raphael

Roberts, 2020 Introduction Revival Poetry Chapter One The Sound in Faith The Calvinist Couplet and the Poetics of Espousal Chapter Two A Lady in New England Forms of the Poet Minister Chapter Three Evangelical Harmony and the Discord of Taste Chapter Four The Ethiop's Verse The Limits of Poetic Capacity and Espousal Piety Chapter Five A Revivalist Ars Poetica for an Itinerant Coterie Evangelical Wit Punctiliar Revision and Poetic Address Conclusion Conversions of Poetic History Appendix A Revival Poets and Poetry Appendix B Selected Verse (White)Washing Our Sins Away Deborah

Justice, 2022-08-01 What if simply changing musical styles could resurrect social power and religious vitality By the early 1990s Christianity was losing ground nationally and mainline Protestants were trending even whiter and older than America's overall demographic trajectory The churches knew they needed to diversify Yet many mainline churches focused their energies on the so-called Worship Wars intense aesthetic and theological controversies running through much of White Christian America Historically churches had only supported one musical style now many mainline Protestant congregations were willing to risk internal schism to support both Contemporary worship centered around guitars praise bands and choruses and Traditional worship with its pipe organs chancel choirs and hymns Surely they thought musical diversity would broadcast tolerance and bring in new members perhaps it would even help them regain their historically central role in American society Based on years of ethnographic research *White Washing Our Sins Away* explores how American mainline Protestants used internal musical controversies to negotiate their shifting position within the nation's diversifying religious and sociopolitical ecosystems **Wesley and Whitefield? Wesley versus Whitefield?** Ian J. Maddock, 2018-02-28 John

Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we

consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives

Gray Sabbath Shawn David Young, 2015-08-11 Formed in 1972 Jesus People USA is an evangelical Christian community that fundamentally transformed the American Christian music industry and the practice of American evangelicalism which continues to evolve under its influence In this fascinating ethnographic study Shawn David Young replays not only the growth and influence of the group over the past three decades but also the left leaning politics it developed that continue to serve as a catalyst for change Jesus People USA established a still thriving Christian commune in downtown Chicago and a ground breaking music festival that redefined the American Christian rock industry Rather than join establishment evangelicalism and participate in what would become the megachurch movement this community adopted a modified socialism and embraced forms of activism commonly associated with the New Left Today the ideological tolerance of Jesus People USA aligns them closer to liberalism than to the religious right and Young studies the embodiment of this liminality and its challenge to mainstream evangelical belief He suggests the survival of this group is linked to a growing disenchantment with the separation of public and private individual and community and finds echoes of this postmodern faith deep within the evangelical subculture

Congregational Music-Making and Community in a Mediated Age Anna E. Nekola, Tom Wagner, 2016-05-23 Congregational music can be an act of praise a vehicle for theology an action of embodied community as well as a means to a divine encounter This multidisciplinary anthology approaches congregational music as media in the widest sense as a multivalent communication action with technological commercial political ideological and theological implications where processes of mediated communication produce shared worlds and beliefs Bringing together a range of voices promoting dialogue across a range of disciplines each author approaches the topic of congregational music from his or her own perspective facilitating cross disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience The authors break important new ground in understanding the ways that music media and religious belief and praxis become lived theology in our media age revealing the rich and diverse ways that people are living experiencing and negotiating faith and community through music

Exploring the Macabre, Malevolent, and Mysterious Matthew Hodge, Elizabeth Kusko, 2020-09-28 In this unique volume a number of scholars spanning diverse areas and backgrounds offer fresh insight into how perceived concepts of horror and dark subject matter influence cultures and societies around the world The contributions here explore how topics considered disturbing mysterious or fascinating are found not only in works of fiction and entertainment but also in the cultural fabrics belief

systems artistic creations and even governmental structures of societies Topics discussed in this book include witchcraft voodoo zombies spiritualism serial killers monsters cemeteries pop culture entertainment and the sublime in transcendental experiences As the academic study of horror becomes more mainstream collections such as this are instrumental in realizing just how much it impacts our lives past present future and imaginary Thus this volume of intriguing and profound topics offers scholars students and lovers of learning a much needed fresh and innovative intellectual exploration of the horror genre and the cultural fascination with the mysterious unknown

Church Music in America, 1620-2000 John Ogasapian, 2007 The history of American church music is a particularly fascinating and challenging subject if for no other reason than because of the variety of diverse religious groups that have immigrated and movements that have sprung up in American Indeed for the first time in modern history possibly the only time since the rule of medieval Iberia under the Moors different faiths have co existed here with a measure of peace sometimes ill humored occasionally hostile but more often amicable or at least tolerant influencing and even weaving their traditions into the fabric of one another s worship practices even as they competed for converts in the free market of American religion This overview traces the musical practices of several of those groups from their arrival on these shores up to the present and the way in which those practices and traditions influenced each other leading to the diverse and multi hued pattern that is American church music at the beginning of the twenty first century The tone is non technical there are no musical examples and the musical descriptions are clear and concise In short it is a book for interested laymen as well as professional church musicians for pastors and seminarians as well as students of American religious culture and its history

Sing of Mary Stephanie A. Budwey, 2014 Throughout the history of Christianity Mary has been a beacon of hope to many who look to her While Christians have always prayed to Mary they have also sung to her in times of joy and sorrow *Sing of Mary* analyzes Marian hymnody throughout Christianity and particularly in the Roman Catholic Church in the United States from 1854 to today focusing not only on the texts and music but also on the contexts out of which these hymns came By using a holistic methodology drawing from anthropology history liturgy musicology psychology sociology and theology this study takes an interdisciplinary approach toward studying Marian theology and devotion through the lens of hymnody This volume accessible to both laypeople and academics provides readers with a clear and full understanding of Marian hymnody by looking at many examples throughout the history of Christianity up through the present thus shedding light on the history of Marian devotion and theology The work concludes by providing hope for the future of Marian congregational song particularly by exploring how the Magnificat can help Marian congregational song be meaningful to a wide range of Christians

Music Along the Rapidan James A. Davis, 2014-07-01 In December 1863 Civil War soldiers took refuge from the dismal conditions of war and weather They made their winter quarters in the Piedmont region of central Virginia the Union s Army of the Potomac in Culpeper County and the Confederacy s Army of Northern Virginia in neighboring Orange County For the next six months the opposing soldiers eyed

each other warily across the Rapidan River In Music Along the Rapidan James A Davis examines the role of music in defining the social communities that emerged during this winter encampment Music was an essential part of each soldier s personal identity and Davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded every soldier nearby Music also became a touchstone for colliding communities during the encampment the communities of enlisted men and officers or Northerners and Southerners on the one hand and the shared communities occupied by both soldier and civilian on the other The music enabled them to define their relationships and their environment emotionally socially and audibly

Up South in the Ozarks Brooks Blevins, 2022-12-15 The Ozarks is a place that defies easy categorization Sprawling across much of Missouri and Arkansas and smaller parts of Oklahoma and Kansas it is caught on the margins of America s larger cultural regions part southern part midwestern and maybe even a little bit western For generations Ozarkers have been more likely than most other Americans to live near or below the poverty line a situation that has often subjected them to unflattering stereotypes In short the Ozarks has been a marginal place populated by marginalized people Historian Brooks Blevins has spent his life studying and writing about the people of his native regions the South and the Ozarks He has been in the vanguard of a new and vibrant Ozarks Studies movement that has worked to refract the stories of Ozarkers through a more realistic and less exotic lens In Up South in the Ozarks Dispatches from the Margins Blevins introduces us with humor and fairness to mostly unseen lives of the past and present southern gospel singing schools and ballad collectors migratory cotton pickers and backroad country storekeepers fireworks peddlers and impoverished diarists Part historical and part journalistic Blevins s essays combine the scholarly sensibilities of a respected historian with the insights of someone raised in rural hill country His stories of marginalized characters often defy stereotype They entertain as much as they educate And most of them originate in the same place Blevins does up south in the Ozarks

This is likewise one of the factors by obtaining the soft documents of this **Sacred Song In America Religion Music And Public Culture** by online. You might not require more grow old to spend to go to the books introduction as well as search for them. Sacred Song In America Religion Music And Public Culture Introduction

In today's digital age, the availability of Sacred Song In America Religion Music And Public Culture books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Song In America Religion Music And Public Culture books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Song In America Religion Music And Public Culture books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Song In America Religion Music And Public Culture versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Song In America Religion Music And Public Culture books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Song In America Religion Music And Public Culture books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Song In America Religion Music And Public Culture books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sacred Song In America Religion Music And Public Culture books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacred Song In America Religion Music And Public Culture books and manuals for download and embark on your journey of knowledge?

FAQs About Sacred Song In America Religion Music And Public Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sacred Song In America Religion Music And Public Culture is one of the best book in our library for free trial. We provide copy of Sacred Song In America

Religion Music And Public Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sacred Song In America Religion Music And Public Culture. Where to download Sacred Song In America Religion Music And Public Culture online for free? Are you looking for Sacred Song In America Religion Music And Public Culture PDF? This is definitely going to save you time and cash in something you should think about.
