T. Wright, 2008-02-05 For years Christians have been asking If you died tonight do you know where you would go It turns out that many believers have been giving the wrong answer It is not heaven Award winning author N T Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today Wright who is one of today's premier Bible scholars

asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our expectation of new heavens and a new earth, revealing what happens to the dead until then and what will happen with the second coming of Jesus. For many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation and if this has already begun in Jesus's resurrection, the church cannot stop at saving souls but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it. What Really Counts for Men

Turning the World Upside Down Iain M.

Duguid, 2025-07-07. Accessible Exposition of Acts 1-8 Shows How God's Mission Continues After Christ's Ascension Through Ordinary Believers by the Power of the Holy Spirit. In their eagerness to share the gospel, modern churches can focus on the wrong things, such as political influence, attendance numbers, or ministry techniques. This is nothing new. In the book of Acts, even Jesus's disciples wondered which of these earthly methods he would use to establish God's kingdom. But Jesus taught his followers then and continues to teach us today how the church, empowered by the Holy Spirit, will take the gospel to the nations. In this accessible exposition of Acts 1-8, Iain Duguid explores the continuing work of Jesus after the ascension. Drawing practical lessons from the life of the early church as well as his own 30 years as a church planter, Duguid encourages believers today toward gospel-driven, Spirit-filled mission. In a culture that is increasingly hostile toward Christianity, Turning the World Upside Down equips ordinary Christians to witness to the eternal power of the gospel. Edifying Challenges believers to take seriously the Great Commission and grow in their knowledge and love for the gospel and one another. Comprehensive explores how believers can carry on God's mission through the power of the Holy Spirit, faithful prayer, fellowship, and more. A Great Resource for Small Groups, Sunday School Classes, or Individual Study.

Before God George W. Stroup,2004 Many Christians today have experienced a loss of enormous significance they no longer understand their daily lives to be lived before God This

timely work traces the development and implications of this loss and argues for its recovery In comparing contemporary Christians with believers of previous eras author George Stroup sees an eclipse of life lived before God This eclipse is tragic because the Bible presupposes human life as a daily personal relationship with God Stroup here offers help by exploring anew the biblical view that Jesus Christ models most clearly what life lived before God and neighbor looks like He then suggests that describing Christian life as gratitude naturally evokes a sense of life lived before God The book concludes by examining whether life before God requires a sense of God's presence and whether it is possible to live before God even in those times when he seems to be absent Offering thought provoking analysis of modern faith and sound direction for spiritual renewal Before God is perfect for churches study groups pastors and individuals pursuing genuine discipleship
