Abecedarian of Sacred Trees Mark G. Boyer,2016-12-09 Every person has seen a tree and maybe planted or climbed one In all world religions various trees are considered sacred Trees have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives This abecedarian a book whose contents are in alphabetical order explores the spiritual growth that is possible by reflecting on the wisdom of woody plants which help humans experience the divine In these pages you can explore trees from Acacia to Zaqum For each of the forty entries the author presents a text identifying the tree a reflective study a question for journaling or personal meditation and a concluding prayer Some trees you may have heard about and some may be new to you The spiritual life is enhanced by the trees that surround and share the earth with us while also disclosing the divine to us **Buddhism: the Dhammapada** ,1992 *An Abecedarian of Animal Spirit Guides* Mark

G. Boyer,2016-03-28 Almost every person has owned a pet at one time or another in life or known someone who has In all world religions animals serve as spirit guides there is spirituality to animal and human dialogue Animals have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives This abecedarian a book whose contents are in alphabetical order explores the spiritual growth that is possible by reflecting on the wisdom of creatures which serve as spirit guides in all world religions and help humans experience the divine The author explores animal spirit guides in the Bible The Quran The Dhammapada The Rig Veda The Analects of Confucius stories from Aesop and Grimm and much more In these pages you can explore bears and bees eagles and elephants ravens and roosters tadpoles and turtles and many more For each of the thirty two entries the author presents a text identifying the animal spirit guide a reflective study a question for journaling or personal meditation and a concluding prayer The spiritual life can be nourished in many ways in this book it is enhanced by animal spirit guides **The Encyclopedia of Christian Literature** George Thomas Kurian,James D. Smith

III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles The Crucible of Religion

Wojciech Maria Zalewski,2012-02-13 Religion is commonly viewed through the lens of the world's religious traditions stressing the differences and often the conflicts among them The author of this book instead presents religion as a common and universal human phenomenon based deeply in a human nature shared by all In this view the underlining and unifying principle of religion is a particular affirmative attitude toward life which he presents as the Ultimate Value and as such the key cultural constituent and defining factor of all religion This Ultimate Value finds its expressions in various civilizations and results in a variety of forms these are what we know as the world's religious traditions By analyzing the roles of both culture and civilization in their attitudes toward life the author places religion beyond religious traditions and shows how the latter regardless of whether they are theistic or atheistic draw their principles from the former mainly by promoting the Golden Rule in its applications *Pāli Canon Teachings and Translations* Sangharakshita,2023-08-16 This volume contains Sangharakshita's translations of several Pāli suttas including the Dhammapada the best known and best loved of all Buddhist scriptures It also contains commentaries on the Satipaṭṭhāna Sutta the Buddha's seminal teaching on mindfulness the Karaṇīya Mett Sutta the equally essential teaching on loving kindness the Maṅgala Sutta and the Tiratana Vandan The volume concludes with The Threefold Refuge in which Sangharakshita explores perspectives on Going for Refuge to the Three Jewels not found elsewhere in his writings *The Sacred Books of China*, 1976 *Gender and Religion, 2nd Edition* Barbara Crandall,2011-12-15 When did patriarchy start and why What explanation did the major world religions offer for women's inferiority How have their beliefs and scriptures influenced women's lives in different parts of the world where they are the dominant faith Gender and Religion 2nd Edition investigates the statement that the major world religions consider women to be inferior to men by reviewing the religious tracts and laws relating to women Presenting the socio-political context in which these ideas developed Barbara Crandall reveals that none of them invented the concept but accepted it as the custom of human society where and when each began Using material on the history of patriarchy and up to date discussions of women's achievements the book explores the way gender issues are addressed in the various sacred texts impacting upon women's education employment property and inheritance rights franchise and participation in government marriages rights to their children practice of religion and control of their own bodies **Buddhist Thought** Paul Williams,Anthony Tribe,Alexander Wynne,2002-01-04 Buddhist Thought guides the reader towards a richer understanding of the central concepts of classical Indian Buddhist thought from the time of Buddha to the latest scholarly perspectives and controversies Abstract and complex ideas are made understandable by the authors lucid style Of particular interest is the up to date survey of Buddhist Tantra in India a branch of Buddhism where strictly controlled sexual activity can play a part in the religious path Williams discussion of this controversial practice as well as of many other subjects makes Buddhist Thought crucial reading for all interested in Buddhism **Courses of Study ...** John Mackinnon Robertson,1904 **Religions in the Modern World** Linda Woodhead,2002 This comprehensive guide offers an unrivalled introduction to recent work in the study of

religion from the religious traditions of Asia and the West to new forms of religion and spirituality such as New Age With an historical introduction to each religion and detailed analysis of its place in the modern world Religions in the Modern World is ideal for newcomers to the study of religion It incorporates case studies and anecdotes text extracts chapter menus and end of chapter summaries glossaries and annotated further reading sections Topics covered include religion colonialism and postcolonialism religious nationalism women and religion religion and globalization religion and authority the rise of new spiritualities

The Neo-Buddhist Writings of Lafcadio Hearn Antony Goedhals,2020-04-20 The Neo Buddhist Writings of Lafcadio Hearn Light from the East by Antony Goedhals offers radical rereadings of a misunderstood and undervalued Victorian writer It reveals that at the metaphysical core of Lafcadio Hearn s writings is a Buddhist vision as yet unappreciated by his critics and biographers Beginning with the American writings and ending with the essay and story meditations of the Japanese period the book demonstrates Hearn s deeply personal and transcendently beautiful evocations of a Buddhist universe and shows how these deconstruct and dissolve the categories of Western discourse and thinking about reality to create a new language a poetry of vastness emptiness and oneness that had not been heard before in English or indeed in the West
