**The Sacred Impulse** James Conlon, 2000 Conlon is an up and coming member of a group of spiritual writers calling for a more earth centered ecologically balanced approach to religion and everyday life Conlon presents life as a three dimensional journey personal communal and cosmic universal He develops the notion that spirituality must be grounded in origins both local and global and that any damage people do to the earth damages not only themselves the community and spirituality but also those of future generations **The Publishers Weekly**, 2000 **Theoretical and Empirical Investigations Into New Age Spiritualities** Dominic Corrywright, 2003 Corrywright religious studies Oxford Brookes U UK addresses shortcomings in current research on New Age spirituality by defining methodological assumptions which place New Age thinking within the 20th and 21st centuries and by giving voice to those who practice New Age spiritualities Based on fieldwork conducted by the author during the late Encyclopedia of Religion Lindsay Jones, 2005 **September 11** Ian S. Markham, Ibrahim M. Abu-Rabi', 2002 This title offers a comprehensive perspective on the background causes and outcome of the terrorist attacks of September 11 2001 Containing 13 articles by leading scholars of sociology theology and history this book examines all aspects of the events from the motivations of Bin Laden to the difficult question why did God permit this It also covers Muslim and Christian perspectives and concludes with a thoughtful argument for increased mutual understanding between nations and religions **American Book Publishing Record** R.R. Bowker Company, 1978 **Index de Périodiques Canadiens**, 2001 **The British National Bibliography** Arthur James Wells, 2002 **Forthcoming Books** Rose Army, 2002 World Theosophy, 1931 **Participatory Spirituality** John Heron, 2006 This innovative book is a collage of overlapping views each of which presents a distinct perspective on human spirituality as participating co creatively in the life divine You are invited to explore the text as a virtual conceptual reality roaming freely among the chapters and pages progressively generating a feeling for and comprehension of the whole A diversity of presentations include the manifesto the personal story theology metaphysics epistemology pathology psychology and practice You are also invited to appropriate and adapt any of the author's ideas and integrate them in any way into any form of expression of your own spiritual vision The author lays no claim to intellectual property rights with regard to the content of this book With illustrations and front cover photo by the author **Yoga Journal**, 1979-11 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **The Cosmic Spirit** Roland Faber, 2021-03-04 Are we more than stardust Is the appearance of the fragile Earth in the vast universe more than an accident Are we not children of a Spirit that pervades the dust rejuvenates life and embraces the ever evolving universe Is there a cosmic Spirit that wants us to awaken to a consciousness of universal

meaning sacred purpose and mutual friendship with all beings This book answers these questions with a spirituality of the numinous in our relation to the elements of the Earth in the matrix of the multiverse by taking you on a journey through nine paths and nineteen meditations of awakening Not bound by any religion but in deep appreciation of the religious and spiritual heritage of human encounters with the divine depth of existence in our selves and in nature they invite you to become sojourners by engaging the most profound embodiments of the intangible Spirit by which it facilitates its own materialization in the cosmos and our spiritualization of the cosmos Use says this Spirit the stardust that you are to become a spirit faring species in an eternal journey of the cosmos to realize its ultimate motive of existence the attraction of love
