Journeys East Harry Oldmeadow,2004-04-28 This is the first book to treat the impact of religious philosophical and psychological traditions of the East on Western intellectuals artists travellers and spiritual seekers in the twentieth century Addressed to both general readers and scholars of religion it is especially valuable for its penetrating and inter religious analysis of two of the most compelling themes now facing the world the emergence of cross cultural religious understanding of the natural order and ecological crisis and the metaphysical basis for both the formal diversity and essential unity of religious traditions of both East and West The West has long romanticized the mysterious East but it has also judged its traditions as uncivilized Our notions about Eastern spirituality have been formed by a succession of travellers scientists artists intellectuals poets philosophers and missionaries as well as by Eastern travellers who have spent time in the West This book helps us to recognize the influence of Eastern ideas upon modern Western thought by tracing the history of engagements between East and West up until the present day It concludes with a section that helps us to perceive the timeless value of the many Eastern contributions to the West s current

intellectual and spiritual state Yoga Daren Callahan,2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since 1981 It includes entries for more than 2 400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest

The A.S.M.R. Asheru Romancha,2024-02-12 This book shows the automatic spontaneous intelligent design from a feedback loop between the right hemisphere matching by form and the resulting sacred fractal geometry of self similar sexual mimicry in the four dimensional human body He shows how this is done through the ASMR and thrill intelligence The missing link is no longer missing His book is a magnum opus on the alchemy of this subject *In Search of the Cradle of Civilization* Georg Feuerstein,Subhash Kak,David Frawley,2005-01-01 The book shows that the ancient Indians were no primitives but possessed a high spiritual culture which not only influenced the evolution of the Western world in decisive ways but which still has much to teach us today India s archaic spirituality is codified in the rich symbols metaphors and myths of the magnificent Rig Veda which is shown to be much older than has been widely assumed by scholars The

present book also unravels the astonishing mathematical and astronomical code hidden in the Vedic hymns Anyone interested in ancient cultural history India archaeo astronomy or spirituality will find this well researched and cross cultural work spellbinding and enriching

Changing Minds Michele Marie Desmarais,2008 This book by Dr Desmarais is by all means a positive contribution in the field of Yoga Indology and cognitive neurosciences It covers Eastern and Western ancient and modern religion and metaphysics psychology and epistemology as well as the cultural heritage for these The book is arranged in six chapters using our common concept of show as a metaphysical stage getting ready for the show entering the theatre taking the stage all the world as stage following the plot thickening of the plot and finally the lights come up This has its source in the Samkhya metaphor of prakrti as analogous to a divine actor on the world stage and in a cosmic drama Another symbolic metaphor that comes before our mind is that of Ardhanarinesvara of Lord Siva depicted as the Cosmic divine Supreme actor endowed with half female in his person The reader the spectator or audience member symbolizes the Purusa of Samkhya and yoga
