Sacred Writings Volume 2 Christianity Apocry:

Justification, Volume 2 Michael Horton, 2018-11-27 The second of a two volume project delving into the doctrine of justification Michael Horton seeks not simply to recover a clear message of its role in modern Reformed theology but also to bring a fresh discovery of the gospel in a time when contemporary debates around justification have reignited The doctrine of justification stands at the center of our systematic reflection on the meaning of salvation and grace as well as our piety mission and life together And yet within mainline Protestant and evangelical theology it s often taken for granted or left to gather dust in favor of modern concerns and self renewal Volume 2 embarks on the theologically constructive task of investigating the biblical doctrine of justification in light of contemporary exegesis Taking up the topic from a variety of theological vantage points Horton engages with contemporary debates in biblical especially Pauline scholarship Part 1 draws out The Horizon of Justification from the Old Testament narratives of Adam and Israel Part 2 defines The Achievement of Justification in the blood of Christ and seeks to lay the groundwork for understanding its extent Part 3 focuses on The Gift of Righteousness delving into a clear articulation of what justification means its mechanism and the role of works on the day of judgement Part 4 proposes a way forward for Receiving Justification and understanding faith and justification within the broader framework of union with Christ Engaging and thorough Justification shows that the doctrine of justification finds its most ecumenically significant starting point and proper habitat in unity with Christ where the greatest consensus past and present is to be found among Orthodox Roman Catholic and Protestant theologies New Testament Apocrypha, vol. 2 Tony Burke, 2020-07-21 A compilation of apocryphal Christian texts many translated into English for the first time with comprehensive introductions This second volume of New Testament Apocrypha continues the work of the first by making available to English readers more apocryphal texts Twenty nine texts are featured including The Adoration of the Magi and The Life of Mary Magdalene each carefully introduced copiously annotated and translated into English by eminent scholars These fascinating texts provide insights into the beliefs expressions and practices of a range of Christian communities from the early centuries through late antiquity and into the medieval period A History of Biblical Interpretation, Vol. 2 Alan J. Hauser, Duane F. Watson, 2009-11-10 History of Biblical Interpretation provides detailed and extensive studies of the interpretation of the Scriptures by Jewish and Christian writers throughout the ages Written by internationally renowned scholars this multivolume work comprehensively treats the many different methods of interpretation the many important interpreters from various eras and the many key issues that have surfaced repeatedly over the long course of biblical interpretation This second installment contains essays by fifteen noted scholars discussing major methods movements and interpreters in the Jewish and Christian communities from the beginning of the Middle Ages until the end of the sixteenth century Reformation The authors examine such themes as the variety of interpretive developments within Judaism during this period the monumental work of Rashi and his followers the achievements of the Carolingian era and the later scholastic
