Sacrifice Stone:

"The Justice Stone"; Or The Last Sacrifice Christopher Murray Dawson, 1899 *The Indian Chief as Tragic Hero* Gordon M. Sayre, 2006-05-18 The leaders of anticolonial wars of resistance Metacom Pontiac Tecumseh and Cuauhtemoc spread fear across the frontiers of North America Yet once defeated these men became iconic martyrs for postcolonial national identity in Canada the United States and Mexico By the early 1800s a craze arose for Indian tragedy on the U S stage such as John Augustus Stone's *Metamora* and for Indian biographies as national historiography such as the writings of Benjamin Drake Francis Parkman and William Apess With chapters on seven major resistance struggles including the Pueblo Revolt of 1680 and the Natchez Massacre of 1729 *The Indian Chief as Tragic Hero* offers an analysis of not only the tragedies and epics written about these leaders but also their own speeches and strategies as recorded in archival sources and narratives by adversaries including Hernan Cortes Antoine Simon Le Page du Pratz Joseph Doddridge Robert Rogers and William Henry Harrison Sayre concludes that these tragedies and epics about Native resistance laid the foundation for revolutionary culture and historiography in the three modern nations of North America and that at odds with the trope of the complaisant vanishing Indian these leaders presented colonizers with a cathartic reproof of past injustices *The Stones of Fire and Water* V.M. Folk Gothic Dawn Keetley, 2024-02-01 *Folk Gothic* begins with the assertion that a significant part of what has been categorised as folk horror is more accurately and usefully labelled as Folk Gothic Through the modifier folk Folk Gothic obviously shares with folk horror its deployment and frequent fabrication of diegetic folklore Folk Gothic does not share however folk horror s incarnate monsters its forward impetus across spatial and ontological boundaries and the shock and repulsion elicited through its bodily violence The author argues that the Folk Gothic as a literary televisual and cinematic formation is defined by particular temporal and spatial structures that serve to forge distinctly nonhuman stories In emphasising these temporal and spatial structures not literal folk and monsters the Folk Gothic tells stories that foreground land and things consequently loosening the grip of anthropocentrism

Mr. Lincoln Goes to War William Marvel, 2006-05-10 An account of how America s greatest crisis began by the Civil War s master historical detective Stephen W Sears author of *Chancellorsville* This groundbreaking book investigates the mystery of how the Civil War began reconsidering the big question Was it inevitable The award winning author of *Andersonville* and *Lincoln s Autocrat* vividly recreates President Abraham Lincoln s first year in office from his inauguration through the rising crisis of secession and the first several months of the war Drawing on original sources and examining previously overlooked factors he leads the reader inexorably to the conclusion that Lincoln not only missed opportunities to avoid war but actually fanned the flames and often acted unconstitutionally in prosecuting the war once it had begun With a keen eye for the telling detail on the battlefield as well as in the White House this is revisionist history at its best not sparing anyone even Abraham Lincoln A brilliant narrative that reveals the possibilities of the past that were squandered by historical figures who seem so unassailable and godlike to us today Peter S Carmichael author of *The Last Generation* The most provocative account of events in 1861 in a generation
